## COVER

Spearheading preparations for Operation Joint Endeavor, the Army advance liaison team, comprised of logistics, operations, intelligence, and civil affairs specialists, arrives in Tuzla, Bosnia-Herzegovina, on 6 December. The team's mission was to set up the infrastructure to support the follow-on forces. The Air Force's C-130 from the 37th Airlift Squadron, Ramstein Air Base, Germany, that transported the team was the first fixed wing aircraft to arrive at Tuzla. The story begins on page 2. (U.S. Air Force photo.)

This medium is approved for the official dissemination of material designed to keep individuals within the Army knowledgeable of current and emerging developments within their areas of expertise for the purpose of enhancing their professional development.
