COVER

Six years after the worst single act of terrorism on U.S. soil, the bombing of the Murrah Building in Oklahoma City, the Nation's need for continued vigilance against violators of its security is greater than ever. The articles on pages 7 through 26 discuss potential threats to the United States and show how the military and Federal, state, and local agencies are working together to safeguard the Nation's territory, population, and infrastructure against those threats.

This medium is approved for the official dissemination of material designed to keep individuals within the Army knowledgeable of current and emerging developments within their areas of expertise for the purpose of enhancing their professional development.

By Order of the Secretary of the Army:

ERIC K. SHINSEKI
General, United States Army
Chief of Staff

Official:

JOEL B. HUDSON
Administrative Assistant to the
Secretary of the Army
