COVER

Army officials have announced plans to procure wheeled interim light armored vehicles (LAV's) for the Army's transformation (see article on page 1). The LAV is a major step in building the 21st century Army's Objective Force. Other articles in this issue, such as "Designing Out Demand" on page 11 and "Computing Requirements for a Changing Army" on page 21, discuss developments that may assist in the Army's evolution to 21st century logistics.

This medium is approved for the official dissemination of material designed to keep individuals within the Army knowledgeable of current and emerging developments within their areas of expertise for the purpose of enhancing their professional development.

By Order of the Secretary of the Army:

ERIC K. SHINSEKI
General, United States Army
Chief of Staff

Official:

JOEL B. HUDSON
Administrative Assistant to the
Secretary of the Army
