<sup>1</sup>Of the 238 cases sentenced pursuant to Chapter Eight in FY01, 150 cases involved offenses covered by the list of applicable guidelines in §8C2.1. For 44 of these cases, the fine guidelines application data are missing or inapplicable due to guideline provisions such as a “preliminary determination of inability to pay fine” (§8C2.2). The total for each factor may add up to less than the overall total due to missing information for that variable. Descriptions of variables used in this table are provided in Appendix A. A description of Chapter Eight culpability factors can be found in USSG §8C2.5.
