Credit Union
Administration**

**Credit Union
Directory
2004**

NCUA 8602

GENERAL INFORMATION

The following information will assist in the effective use of the directory.

1. The directory contains names of all federally chartered credit unions, those state-chartered credit unions insured by the National Credit Union Share Insurance Fund (NCUSIF), and all corporate credit unions. Not included in this directory are state-chartered natural person credit unions that are either uninsured or covered by private insurance corporations.
2. The directory contains the following information on each credit union:
 - Charter Number
 - Credit Union Name
 - Address
 - Name of the CEO/Manager
 - Telephone Number
 - Assets
 - Loans
 - Net Worth/Assets Ratio**
 - % Share Growth
 - % Loan Growth
 - Loans/Assets Ratio
 - Investments/Assets Ratio
 - Number of Members
 - Number of Full-time Employees

** Net Worth/Assets Ratio column includes:

- Net Worth/Assets Ratio for natural person credit unions, or,
- Capital/Assets Ratio for corporate credit unions.

Financial information reflects December 31, 2003, data.

3. Credit unions are listed in alphabetical sequence within each state.
4. State-chartered credit unions can be identified by a number in the charter number column (chart #) in the 60000 and above sequence. Non-federally insured corporate credit unions are identified by a charter number (chart #) in the 80000 and above sequence. All other numbers represent federally chartered credit unions.
5. When addressing federally chartered credit unions, the words "Federal Credit Union" should appear after the name. State-chartered credit unions should have the words "Credit Union."
6. The directory contains tables listing national statistics.
