

During the 2004 National Veterans Creative Arts Festival, the Department of Veterans Affairs and the Library of Congress invite you to be part of an important national project – *The Veterans History Project (VHP)*.

This historic project is meant to honor **YOU**, our nation's veterans, by creating a lasting legacy of your military experience. Regardless of your branch or period of service, age, military career or experience, we need your story. *Share it with us - and make history!*

Your 45-minute interview will be videotaped. The tape will be given to the Library of Congress. *YOU and YOUR STORY* will then become part of our Nation's official historical records.
