B Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

Provide the complete street address of your Missouri voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location. For example: "on Highway ______, 2 miles past Highway ______, across the street from the ______ gas station." This address must be different from the one provided in Item 4 and must be within the county or city where you claim legal voting residence.

Print the complete address where you want your ballot sent - usually your current mailing address. It must be different from the address you provided in Item 3.

You must request a particular party's ballot to apply for a primary election ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. If you do not respond to the request for a political party designation, the election authority is authorized to provide that part of the ballot for which no political party designation is required. Political party affiliation is not required if only requesting absentee ballots for general elections.

Check ONE box.

G You must sign and date the FPCA. When signing, you are sharing or affirming the information is true and correct.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Missouri and members of the Uniformed Services and their family members. Uniformed Services are defined as members of the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

You are not required to register, but you may register permanently and request an absentee ballot, by sending a completed FPCA to the local election official so that it arrives not later than the fourth Wednesday (27 days) before the election.

To request an absentee ballot only, send a completed FPCA to the local election official so that it arrives not later than the Wednesday before the election. All applications for absentee ballots received prior to the sixth Tuesday before an election will be stored by the local election official until such time as the applications are processed.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local elections office before 7:00 p.m. on election day.

Absentee ballots are available beginning 42 days prior to the election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instructions in Chapter 2.

D. Notary/Witness Requirements

FPCA: No notary or witness required.

Ballot Return Envelope: No notary or witness required.

E. Electronic Transmission of FPCAs and Ballots

• Some Missouri counties may allow you to send the FPCA application for an absentee ballot by fax. After faxing, submit the FPCA by mail.

- Missouri does not allow you to receive the blank ballot by fax.
- Missouri does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. Use the following numbers:

Additional international toll-free fax numbers are listed on the inside back cover.

F. Application for Ballot by Proxy

Your spouse, grandparent, parent, brother, sister, child or grandchild may request (in person to the local election official) that an absentee ballot be mailed to you.

G. Special Write-In Absentee Ballot

Missouri provides a state special write-in absentee ballot available 80 days before a general election if you will be unable to vote by any other means due to requirements of military service or due to living in an isolated or extremely remote area of the world.

You may use the FPCA to request this state special write-in absentee ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.F. If no labels are available, write in Item 7: "I am unable to vote by any other means due to requirements of military service or due to living in isolated or extremely remote areas of the world. I request a special write-in absentee ballot."

You must request the state special write-in ballot within 80 days of a general election. Vote this ballot by writing in a party preference or the names of specific candidates.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Missouri and overseas electors. The term "overseas elector" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Missouri.

Notify Your Local Election Official About Your Current Mailing Address

- civilian employees of the U.S. Government residing overseas and their spouses and dependents (for local, state and Federal office ballots)
- members of religious or welfare groups attached to the military overseas and their spouses and dependents (for local, state and Federal office ballots)
- other Missouri residents temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas electors (for Federal office ballots only)

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

You are not required to register, but you may register permanently and request an absentee ballot, by sending a completed FPCA to the local election official so that it arrives not later than the fourth Wednesday (27 days) before the election.

If you are a Missouri resident temporarily residing outside the U.S., are not affiliated with the U.S. Federal Government and wish to receive a ballot for local, state and Federal offices (instead of a ballot for Federal offices only), you must permanently register to receive such ballot. Otherwise, you will be treated as an overseas elector and will be sent a ballot for Federal offices only.

To request an absentee ballot only, send a completed FPCA to the local election official so that it arrives not later than the Wednesday before the election. All applications for absentee ballots received prior to the sixth Tuesday before an election will be stored by the local election official until such time as the applications are processed.

If you are an overseas elector, you are eligible to vote for Federal offices only and your application for an absentee ballot must be received not later than 5 p.m. on the Wednesday prior to election day.

C. Casting Your Vote

Ballot Return Deadline: Return the voted ballot to the local election official so that it arrives before 7:00 p.m. on election day.

Local election officials mail ballots beginning 42 days prior to the election. Local election officials will send ballots for Federal offices only to overseas electors, and to those temporarily overseas persons who did not timely complete the permanent registration procedure. If you have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instructions in Chapter 2, page 12.

D. Notary/Witness Requirements

FPCA: No notary or witness required.

Ballot Return Envelope: No notary or witness required.

E. Electronic Transmission of FPCAs and Ballots

- Some Missouri counties allow you to send the FPCA application for an absentee ballot by fax. After faxing, submit the FPCA by mail.
- Missouri does not allow you to receive the blank ballot by fax.
- Missouri does not allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527 (703) 693-5527 1-800-368-8683

Additional international toll-free fax numbers are listed on the inside back cover.

F. Application for Ballot by Proxy

Your spouse, grandparent, parent, brother, sister, child or grandchild may request (in person to the local election official) that an absentee ballot be mailed to you.

G. Special Write-In Absentee Ballot

Missouri provides a state special write-in absentee ballot available 80 days before a general election if you will be unable to vote by any other means due to living in an isolated or extremely remote area of the world.

You may use the FPCA to request this state special write-in absentee ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.F. If no labels are available, write in Item 7: "I am unable to vote by any other means due to requirements of military service or due to living in isolated or extremely remote areas of the world. I request a special write-in absentee ballot."

You must request the special write-in ballot within 80 days of a general election. Vote this ballot by writing in a party preference or the names of specific candidates.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

C. Late Registration

Members of the Armed Forces and merchant marine, civilian employees of the U.S. Government working outside the U.S. and members of religious or welfare organizations assisting Service members who have been honorably discharged or terminated from their service within sixty days of an election, are eligible to vote in that election.

D. Action on Registration Requests
