NEW HAMPSHIRE

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. Read all instructions printed below and on the FPCA before completing and signing your application.

FEDERAL POST CARD APPLICATION

Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

The last four digits of your Social Security number OR your New Hampshire Driver's License number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.

B Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

Provide the complete street address of your New Hampshire voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway _____, 2 miles past Highway _____, across the street from the ______ gas station." This address must be different from the one provided in Item 4 and must be within the county or township where you claim legal voting residence.

• Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Item 3.

€ If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party choice to be received by the local election official not later than 10 days before the election.

Check ONE box.

• You must sign and date the FPCA. When signing, you are swearing or affirming the information is true and correct.
