#### Certification Statement – CIIS Data Submission

Prior to the Fund accepting the data submitted by an organization, the user must certify, on behalf of the organization, to the following:

- 1 The person(s) entering the data and making these certifications has been authorized, by the organization for which the data is input, to enter the data and make the certifications.
- The institution-level and transaction-level data to be submitted to the CDFI Fund through CIIS is true, accurate, and complete, and accurately represents the activities and/or performance of the organization for which data is input.
- 3 If the organization is a certified CDFI, the organization continues to meet the eligibility requirements for certification as a CDFI.
- If the organization is a certified CDE, the organization continues to meet the eligibility requirements for certification as a CDE. The term "Organization" shall include the Allocatee and all of its subsidiary Allocatees, if applicable.
- If the organization received a 2003 Native American Technical Assistance (NATA) or Native American CDFI Development (NACD) award, then 50 percent or more of the Awardee's or the Awardee's Partner's activities primarily serve Native American, Alaska Native and/or Native Hawaiian communities.
- If the organization has received an award from the CDFI Fund, none of the proceeds of said award has been used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.
- As applicable, the organization maintains its existence as an Insured Credit Union, an Insured Depository Institution, or a Depository Institution Holding Company, as defined by the Appropriate Federal Banking Agency.
