Dear Sirs:

This letter is filed on behalf of WKAR Radio, licensed to Michigan State University. This constitutes initial notice, in the event that its transmission service is covered by the Digital Millennium Copyright Act, as amended, and not exempt or otherwise licensed, of intention to obtain statutory licenses thereunder. WKAR Radio contends that it is not legally required to obtain any such licenses. This letter shall therefore not be deemed a waiver of such claim. As required, enclosed is our check for \$20 as a filing fee.

Very truly yours,
