Federal Annuity Claims Expert System

Benefits Estimator

Message from the President

"As technology transforms the way almost every job is done, America becomes more productive, and workers need new skills."

- George W. Bush

Message from the Director

"As we stand on the cusp of a new and remarkable transformation, let's embrace the opportunity to implement systems that will be performance based and results oriented."

- Kay Coles James

What is the FACES Benefits Estimator ?

An extension of OPM's internal annuity computation system that is used to compute retirement annuities and death claims.

What will the Benefits Estimator compute?

CSRS and FERS retirement estimates for:

- Voluntary
- Early Out
- Discontinued
- Disability
- Deferred

What will the Benefits Estimator compute?

- Projected Annuity Estimates
- FERS Annuity Supplement
- Deposit and Redeposit Options (deposit amount and interest through the present date)
- CSRS survivor partial options
- CSRS Offset
- Windfall Elimination
- Cost of Health Benefits and Life Insurance premiums
- Retirement Service Computation Dates
- Post-56 Military deposit interest calculations

FACES Near Future Enhancements

- 6c Law Enforcement

- Deceased Employee Benefits

Benefits Estimator Updates

Our computer data base is updated with the latest legislative and health and life insurance premium changes. Software updates to all users are automatic.
