## **STRATEGIC GOALS**

The RRB's budget request for ongoing operations is distributed between two strategic goals presented in the agency's Strategic Plan:

1. Provide excellent customer service,
2. Serve as responsible stewards for our customers' trust funds and agency resources.

These goals are discussed in detail in the RRB's Fiscal Year 2005 Performance Budget, beginning on page 27. Dollar amounts and FTE allocations are shown on page 14 for each goal, representing the resources needed to achieve the performance goals. As a lead-in to the plan, the tables on the next two pages provide the summary workloads for the retirement/survivor and unemployment/sickness insurance programs.
