NOTES: Table limited to those who earned a doctorate in an S&E field from a U.S. institution. Figures are rounded to nearest 10. Total includes "other race/ethnicity" not shown separately. Details may not add to total because of rounding. For disability status, those who reported any difficulty (from moderate to unable to do) in any category of seeing (with glasses/contact lenses), hearing (with hearing aid), walking, or lifting are classified as "with disability."
