BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

JLP:ddj  
Docket No: 1263-02  
22 January 2003

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 22 January 2003. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by NPC memorandum 1780 PERS-604 23 May 2002, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

MEMORANDUM FOR EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF  
NAVAL RECORDS

Subj: REQUEST FOR COMMENTS AND RECOMMENDATIONS ICO  
[REDACTED]

Ref: (a) CNPC memo 5420 PERS-00ZCB of 26 Apr 02  
(b) Title 38, United States Code, Chapter 32  
(c) Veterans Benefits and Health Care Improvement Act of  
2000 (PL 106-419)

1. The following is provided in response to reference (a):

a. Recommend the Board deny [REDACTED] request to enroll in the Montgomery GI Bill (MGIB) Program. Eligibility for federal education benefit programs is determined by the member's initial entrance onto active duty other than for training. The education benefit program available to [REDACTED] when he entered active duty with the Navy on 25 April 1983 was the Veterans Educational Assistance Program (VEAP). Per reference (b), VEAP was closed to new enrollments on 30 June 1985, but reopened for five months from 28 October 1986 to 31 March 1987. Members who did not enroll before these deadlines lost their eligibility.

b. Notification of the open period and final closure of VEAP was given the widest dissemination via NAVOP messages, Navy Times articles and by placing a statement on the Leave and Earnings Statements of active duty members for several months. EN1 Adriano did not enroll in VEAP upon entry onto active duty or during the VEAP open enrollment period.

c. [REDACTED] states he found no DD Form 2366 that relates to the MGIB Program in his record. DD Form 2366 is the form used to reflect the member's election to enroll or disenroll in the MGIB Program. Since [REDACTED] was not a VEAP participant, there would have been no opportunity for him to convert the MGIB Program; therefore, there would be no DD Form 2366 in his record.

d. Since this program closed 15 years ago, it is not expected that members would remember the specifics of the program or notification of its closure. Now that reference (c) authorized VEAP participants to enroll in the MGIB Program, those

who never participated are petitioning the Board for waivers to the law to establish VEAP accounts. Over 40,000 Sailors are in this category.

2. PERS-604's point of contact is Ms. [REDACTED] who can be reached at (DSN) 882-4260 or (C) 901-874-4260.
