## Application for Magnetic Media Reporting of Currency Transactions Instructions

---

File Form 4419-DCC to request authorization to file Currency Transactions on Magnetic Media. Please be sure to complete all appropriate blocks. For further information, contact BSA Support Group 1 at the Detroit Computing Center, address given below under "Filing Your Application" or by telephone at (800) 800-CTRS.

---

### Block 1

Enter the name and complete address of the organization requesting authorization to file magnetically.

### Blocks 2 and 3

Self explanatory.

### Block 4

Enter the calendar year in which you will begin filing.

### Block 5

Enter the name and address of the transmitter. (Omit if same as block 1).

Enter the 9-digit employer identification numbers assigned by IRS to the transmitter.

Enter the transmitter control code assigned by IRS to the transmitter.

### Block 6

Check the box next to the document type you will file with IRS on magnetic media.

If you will be preparing documents on magnetic media for filers other than yourself, attach to your application a list of names, employer identification numbers and (TCC codes if available) of the other filers. If you add or delete any names from your file, submit an updated list to IRS.

If you will be using software developed by a vendor, attach the vendor's name. If this vendor's software has been previously certified as acceptable by IRS you may be allowed to bypass the acceptance test phase. The Vendor's Software Release Number must also be supplied.

### Block 7

Check the appropriate boxes for the Magnetic Tape/Cartridge Parameters you intend to submit to IRS.

### Block 8

Enter the information requested for the Diskette Parameters you intend to submit to IRS. Check the appropriate boxes. Enter the name of the manufacturer and the model number or name under the "Hardware". Under Software/Operating System, indicate whether the software was purchased or is self programmed. If purchased, provide the name of the software company.

### Block 9

The form must be signed (**original signature, not a copy or fax**) and dated by an official of the company or organization requesting authorization on magnetic media.
