BETWEEN THE
OFFICE OF INSPECTOR GENERAL
OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
ANICIA VILLAFRIA, M.D. AND RAMON VILLAFRIA, M.D.,
D/B/A VILLAFRIA FAMILY PRACTICE**

I. PREAMBLE

Anicia Villafria, M.D. and Ramon Villafria, M.D. d/b/a Villafria Family Practice, (collectively, "VFP") hereby enter into this Integrity Agreement ("Agreement") with the Office of Inspector General ("OIG") of the United States Department of Health and Human Services ("HHS") to promote compliance with the statutes, regulations, program requirements, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) ("Federal health care program requirements") by VFP. This commitment to promote compliance applies to any entity that VFP owns or in which VFP has a control interest, as defined in 42 U.S.C. § 1320a-3(a)(3), and VFP's and any such entity's employees, agents, contractors, and all third parties with whom VFP or such entity may choose to engage to act as billing or coding consultants for purposes of claiming reimbursement from the Federal health care programs ("Covered Persons"). Contemporaneously with this Agreement, VFP is entering into a Settlement Agreement with the United States, and this Agreement is incorporated by reference into the Settlement Agreement.

II. TERM OF THE AGREEMENT

Except as otherwise provided, the period of compliance obligations assumed by VFP under this Agreement shall be 5 years from the Effective Date of this Agreement. The Effective Date of this Agreement shall be the date on which the final signatory of this Agreement executes this Agreement ("Effective Date").

Sections VII, VIII, IX, X and XI shall expire no later than 120 days from the OIG's receipt of: (1) the VFP's final annual report; or (2) any additional materials

submitted by VFP pursuant to the OIG's request, whichever is later.

III. INTEGRITY OBLIGATIONS

VFP shall establish a Compliance Program that, at minimum, includes the following elements:

A. Compliance Contact

If neither Anicia Villafria, M.D. nor Ramon Villafria, M.D. is the Compliance Contact, then within 45 days of execution of this Agreement, VFP shall designate a person to be the Compliance Contact for purposes of developing and implementing policies, procedures and practices designed to ensure compliance with the obligations herein and with Federal health care program requirements. In addition, the Compliance Contact is responsible for responding to questions and concerns from Covered Persons and the OIG regarding compliance with the Agreement obligations. The name and phone number of the Compliance Contact shall be included in the Implementation Report. In the event a new Compliance Contact is appointed during the term of this Agreement, VFP shall notify the OIG, in writing, within 15 days of such a change.

B. Posting of Notice

Within the first 30 days following the Effective Date of this Agreement, VFP shall post in a prominent place accessible to all patients and Covered Persons a notice detailing their commitment to comply with all Federal health care program requirements in the conduct of their business. This notice shall include a means (i.e., telephone number, address, etc.) by which instances of misconduct may be reported anonymously. A copy of this notice shall be included in the Implementation Report. An example of a notice is attached as Attachment 2.

C. Written Policies and Procedures

Within 120 days of the Effective Date of this Agreement, VFP shall develop, implement, and make available to all Covered Persons written policies that address the following:

1. VFP's commitment to operate their business in full compliance with all

Federal health care program requirements;

2. VFP's requirement that all Covered Persons shall be expected to comply with all Federal health care program requirements and with VFP's own Policies and Procedures as implemented pursuant to Section III.C (including the requirements of this Agreement);

3. The requirement that all of VFP's Covered Persons shall be expected to report to VFP or the Compliance Contact suspected violations of any Federal health care program requirements or VFP's own Policies and Procedures. Any Covered Person who makes an inquiry regarding compliance with Federal health care program requirements shall be able to do so without risk of retaliation or other adverse effect;

4. The requirement that VFP shall not hire, employ, or engage as contractors any Ineligible Person. For purposes of this Agreement, an "Ineligible Person" shall be any individual or entity who: (i) is currently excluded, debarred, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or non-procurement programs; or (ii) has been convicted of a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, or otherwise declared ineligible. To prevent hiring or contracting with any Ineligible Person, VFP shall check all prospective employees and contractors prior to engaging their services against the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://oig.hhs.gov>) and the General Services Administration's List of Parties Excluded from Federal Programs (available through the Internet at <http://epils.arnet.gov>). In addition to prospective checks, VFP shall conduct annual checks of all employees against each exclusion list;

5. The commitment of VFP to remain current with all Federal health care program requirements by obtaining and reviewing program memoranda, newsletters, and any other correspondence from the carrier related to Federal health care program requirements;

6. The proper procedures for the accurate preparation and submission of claims in accordance with Federal health care program requirements;

7. The proper documentation of services and billing information and the retention of such information in a readily retrievable form; and
8. The proper coding and billing of services rendered by VFP.

At least annually (and more frequently if appropriate), VFP shall assess and update as necessary the Policies and Procedures. Within 45 days of the Effective Date of any revisions, the relevant portions of any such revised Policies and Procedures shall be made available to all individuals whose job functions are related to those Policies and Procedures.

Within 120 days of the Effective Date of the Agreement and annually thereafter, each Covered Person shall certify in writing that he or she has read, understood, and shall abide by VFP's Policies and Procedures. New Covered Persons shall review the Policies and Procedures and shall complete the required certification within 15 days after becoming a Covered Person or within 120 days of the Effective Date of the Agreement, whichever is later.

Copies of the written policies and procedures shall be included in the Implementation Report. Copies of any written policies and procedures that are subsequently revised shall be included in the Annual Report.

D. Training and Certification

Within 120 days following the Effective Date of this Agreement and at least once each year thereafter, VFP and Covered Persons involved in the delivery of patient care items or services and/or in the preparation or submission of claims for reimbursement from any Federal health care program shall receive at least 4 hours of training from an individual or entity, other than VFP or another Covered Person. The training shall be conducted by individuals with expertise in the relevant subject areas, e.g., preparation or submission of claims to Federal health care programs for the types of services provided by VFP and may be received from a variety of sources (i.e., CME classes, hospitals, associations, carriers).

New Covered Persons involved in the delivery of patient care items or services

and/or in the preparation or submission of claims for reimbursement from any Federal health care program shall receive the training described above within 45 days after becoming a Covered Person or within 120 days of the Effective Date of this Agreement, whichever is later. The training for New Covered Persons may either be provided internally by Covered Persons who have completed the required annual training or externally by a qualified individual or entity. Until they have received the requisite training, such New Covered Persons shall work under the direct supervision of a Covered Person who has received such training.

At a minimum, the annual and new employee training sessions shall cover the following topics:

1. Federal health care program requirements related to the proper submission of accurate bills for services rendered and/or items provided to Federal health care program patients;
2. The written Policies and Procedures developed pursuant to Section III.C, above;
3. The legal sanctions for improper billing or other violations of the Federal health care program requirements; and
4. Examples of proper and improper billing practices.

Each Covered Person shall annually certify in writing that he or she has received the required training. The certification shall specify the type of training received and the date received. VFP shall retain the certifications, along with the training course materials. The training course materials shall be provided in the Annual Report.

E. Review Procedures.

1. *General Description.*

- a. Retention of Independent Review Organization. Within 90 days of the Effective Date, VFP shall retain an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter "Independent

Review Organization” or “IRO”), to perform reviews to assist VFP in assessing and evaluating its billing and coding practices and certain compliance obligations pursuant to this Agreement and the Settlement Agreement. Each IRO retained by VFP shall have expertise in the billing, coding, reporting, and other requirements of the particular section of the health care industry pertaining to this Agreement and in the general requirements of the Federal health care program(s) from which VFP seeks reimbursement. Each IRO shall assess, along with VFP, whether it can perform the IRO review in a professionally independent fashion taking into account any other business relationships or other engagements that may exist. The IRO(s) review shall address and analyze VFP’s billing and coding to the Federal health care programs (“Claims Review”).

b. Frequency of Claims Review. The Claims Review shall be performed annually and shall cover each of the one-year periods of the Agreement beginning with the Effective Date. The IRO(s) shall perform all components of each annual Claims Review.

c. Retention of Records. The IRO and VFP shall retain and make available to the OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and VFP) related to the reviews.

2. *Claims Review.* The Claims Review shall include a Discovery Sample and, if necessary, a Full Sample. The applicable definitions, procedures, and reporting requirements are outlined in Appendix A to this Agreement, which is incorporated by reference.

a. Discovery Sample. The IRO shall randomly select and review a sample of 50 Medicare and Illinois Department Public Aid (“IDPA”) (i.e., Illinois Medicaid) Paid Claims submitted by or on behalf of VFP. The Paid Claims shall be reviewed based on the supporting documentation available at VFP or under VFP’s control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and

reimbursed.

i. If the Error Rate (as defined in Appendix A) for the Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The threshold listed above does not imply that this is an acceptable error rate. Accordingly, VFP should, as appropriate, further analyze any errors identified in the Discovery Sample. VFP recognizes that the OIG or other HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority may also analyze or review Paid Claims included, or errors identified, in the Discovery Sample.)

ii. If the Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall perform a Full Sample and a Systems Review, as described below.

b. Full Sample. If necessary, as determined by procedures set forth in Section III.E.2.a, the IRO shall perform an additional sample of Paid Claims using commonly accepted sampling methods and in accordance with Appendix A. The Full Sample should be designed to (1) estimate the actual Overpayment in the population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate and (2) conform with the Centers for Medicare and Medicaid Services' statistical sampling for overpayment estimation guidelines. The Paid Claims shall be reviewed based on supporting documentation available at VFP or under VFP's control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, VFP may use the Items sampled as part of the Discovery Sample, and the corresponding findings for those 50 Items, as part of its Full Sample. The OIG, in its full discretion, may refer the findings of the Full Sample (and any related workpapers) received from VFP to the

appropriate Federal health care program payor, including the Medicare contractor (e.g., carrier, fiscal intermediary, or DMERC), for appropriate follow-up by that payor.

c. Systems Review. If VFP's Discovery Sample identifies an Error Rate of 5% or greater, VFP's IRO shall also conduct a Systems Review. Specifically, for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO should perform a "walk through" of the system(s) and process(es), that generated the claim to identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide to VFP observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

d. Repayment of Identified Overpayments. In accordance with Section III.F.1 of the Agreement, VFP shall repay within 30 days any Overpayment(s) identified in the Discovery Sample or the Full Sample (if applicable), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies. VFP shall make available to the OIG any and all documentation that reflects the refund of the Overpayment(s) to the payor and the associated documentation.

3. *Claims Review Report*. The IRO shall prepare a report based upon the Claims Review performed (the "Claims Review Report"). Information to be included in the Claims Review Report is detailed in Appendix A.

4. *Validation Review*. In the event the OIG has reason to believe that: (a) VFP's Claims Review fails to conform to the requirements of this Agreement; or (b) the IRO's findings or Claims Review results are inaccurate, the OIG may, at its sole discretion, conduct its own review to determine whether the Claims Review complied with the requirements of the Agreement and/or the findings or Claims Review results are inaccurate ("Validation Review"). VFP shall pay for the reasonable cost of any such review performed by the OIG or any of its designated agents so long as it is initiated before one year after VFP's final submission (as described in Section II) is received by

the OIG.

Prior to initiating a Validation Review, the OIG shall notify VFP of its intent to do so and provide a written explanation of why the OIG believes such a review is necessary. To resolve any concerns raised by the OIG, VFP may request a meeting with the OIG to discuss the results of any Claims Review submissions or findings; present any additional or relevant information to clarify the results of the Claims Review to correct the inaccuracy of the Claims Review; and/or propose alternatives to the proposed Validation Review. VFP agrees to provide any additional information as may be requested by the OIG under this Section in an expedited manner. The OIG will attempt in good faith to resolve any Claims Review with VFP prior to conducting a Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of the OIG.

7. *Independence Certification.* The IRO shall include in its report(s) to VFP a certification or sworn affidavit that it has evaluated its professional independence with regard to the Claims Review and that it has concluded that it was, in fact, independent.

F. Reporting of Overpayments and Material Deficiencies

1. *Overpayments*

a. *Definition of Overpayments.* For purposes of this Agreement, an “overpayment” shall mean the amount of money VFP has received in excess of the amount due and payable under any Federal health care program requirements. VFP may not subtract any underpayments for purposes of determining the amount of relevant “overpayments” for purposes of reporting under this Agreement.

b. *Reporting of Overpayments.* If, at any time, VFP identifies or learns of any overpayments, VFP shall notify the payor (e.g., Medicare fiscal intermediary or carrier) within 30 days of identification of the overpayment and take remedial steps within 60 days of identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the

underlying problem and the overpayments from recurring. Also, within 30 days of identification of the overpayment, VFP shall repay the overpayment to the appropriate payor to the extent such overpayment has been quantified. If not yet quantified, within 30 days of identification, VFP shall notify the payor of its efforts to quantify the overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor's policies, and for Medicare contractors, shall include the information contained on the Overpayment Refund Form, provided as Appendix B to this Agreement. Notwithstanding the above, notification and repayment of any overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor shall be handled in accordance with such policies and procedures.

2. Material Deficiencies.

a. Definition of Material Deficiency. For purposes of this Agreement, a "Material Deficiency" means anything that involves:

- (i) a substantial overpayment;
- (ii) a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized; or
- (iii) a violation of the obligation to provide items or services of a quality that meets professionally recognized standards of health care where such violation has occurred in one or more instances that present an imminent danger to the health, safety, or well-being of a Federal health care program beneficiary or places the beneficiary unnecessarily in high-risk situations.

A Material Deficiency may be the result of an isolated event or a

series of occurrences.

b. Reporting of Material Deficiencies. If VFP determines, by any means, that there is a Material Deficiency, VFP shall notify the OIG, in writing, within 30 days of making the determination that the Material Deficiency exists. The report to the OIG shall include the following information:

(i) If the Material Deficiency results in an overpayment, the report to the OIG shall be made at the same time as the notification to the payor required in Section III.F.1, and shall include all of the information on the Overpayment Refund Form, as well as:

(A) the payor's name, address, and contact person to whom the overpayment was sent; and

(B) the date of the check and identification number (or electronic transaction number) on which the overpayment was repaid/refunded;

(ii) a complete description of the Material Deficiency, including the relevant facts, persons involved, and legal and Federal health care program authorities implicated;

(iii) a description of VFP's actions taken to correct the Material Deficiency; and

(iv) any further steps VFP plans to take to address the Material Deficiency and prevent it from recurring.

G. Notification of Government Investigations or Legal Proceedings

Within 30 days of discovery, VFP shall notify the OIG, in writing, of any ongoing investigation known to VFP or legal proceeding conducted or brought by a governmental entity or its agents involving an allegation that VFP has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the

allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. VFP shall also provide written notice to the OIG within 30 days of the resolution of the matter, and shall provide the OIG with a description of the findings and/or results of the proceedings, if any.

IV. NEW BUSINESS UNITS, LOCATIONS OR RELATIONSHIPS

In the event that Anicia Villafria, M.D., Ramon Villafria, M.D., or VFP changes locations or sells, closes, purchases, or establishes a new business related to the furnishing of items or services that may be reimbursed by Federal health care programs, Anicia Villafria, M.D., Ramon Villafria, M.D., or VFP shall notify the OIG of this fact as soon as possible, but no later than within 30 days of the date of change of location, sale, closure, purchase, or establishment. This notification shall include the location of the new operation(s), phone number, fax number, Medicare provider or supplier number(s) (if any), and the corresponding contractor's name and address that has issued each Medicare provider number. All Covered Persons at such locations shall be subject to the applicable requirements in this Agreement (e.g., completing certifications and undergoing training).

Before Anicia Villafria, M.D., Ramon Villafria, M.D., or VFP enters into any employment or contractual relationship with another party related to the furnishing of items or services that may be reimbursed by Federal health care programs, Anicia Villafria, M.D., Ramon Villafria, M.D., or VFP shall notify that party of this Agreement. This notification will include a copy of the Agreement, the remaining reporting period of the Agreement, and a summary of VFP's obligations under the Agreement. IX. DISCLOSURES

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. With respect to such releases, VFP shall have the rights set forth at 45 C.F.R. § 5.65(d). VFP shall refrain from identifying any information as exempt from release if that information does not meet the criteria for exemption from disclosure under FOIA.

X. BREACH AND DEFAULT PROVISIONS

Full and timely compliance by VFP is expected throughout the duration of this

Agreement with respect to all of the obligations herein agreed to by VFP.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, VFP and OIG hereby agree that failure to comply with certain obligations set forth in this Agreement may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of \$1,000 (which shall begin to accrue on the day after the date the obligation became due) for each day VFP fails to:

- a. have in place a Compliance Contact as required in Section III.A;
- b. post the notice required in Section III.B;
- c. implement and make available the Policies and Procedures required in Section III.C;
- d. require that Covered Persons attend the training required by Section III.D of the Agreement within the time frames required in that Section;
- e. retain an IRO within the timeframe required in Section III.E.1, or to submit the IRO’s annual Claims Review Report and Process Review Report as required in Section III.E and Appendix A; or
- f. meet any of the deadlines for the submission of the Implementation Report or the Annual Reports to OIG.

2. A Stipulated Penalty of \$750 (which shall begin to accrue on the date the failure to comply began) for each day VFP employs or contracts with an Ineligible Person and that person: (i) has responsibility for, or involvement with, VFP’s business operations related to the Federal health care programs; or (ii) is in a position for which the person’s salary or the items or services rendered, ordered, or prescribed by the person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise

with Federal funds (the Stipulated Penalty described in this paragraph shall not be demanded for any time period during which VFP can demonstrate that VFP did not discover the person's exclusion or other ineligibility after making a reasonable inquiry (as described in Section III.C.4) as to the status of the person).

3. A Stipulated Penalty of \$750 for each day VFP fails to grant access to the information or documentation as required in Section VII of this Agreement. (This Stipulated Penalty shall begin to accrue on the date VFP fails to grant access.)

4. A Stipulated Penalty of \$750 for each day VFP fails to comply fully and adequately with any obligation of this Agreement. In its notice to VFP, the OIG shall state the specific grounds for its determination that VFP has failed to comply fully and adequately with the Agreement obligation(s) at issue and steps the VFP shall take to comply with the Agreement. (This Stipulated Penalty shall begin to accrue 10 days after the date VFP receives notice from the OIG of the failure to comply.) A Stipulated Penalty as described in this paragraph shall not be demanded for any violation for which the OIG has sought a Stipulated Penalty under paragraphs 1-3 of this Section.

B. Timely Written Requests for Extensions

VFP may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this Agreement. Notwithstanding any other provision in this Section, if the OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after VFP fails to meet the revised deadline set by the OIG.

Notwithstanding any other provision in this Section, if the OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after VFP receives the OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by the OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. *Demand Letter.* Upon a finding that VFP has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, the OIG shall notify VFP of: (a) VFP's failure to comply; and (b) the OIG's exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is hereinafter referred to as the "Demand Letter").

2. *Response to Demand Letter.* Within 10 days of the receipt of the Demand Letter, VFP shall respond by either: (a) curing the breach to the OIG's satisfaction and paying the applicable Stipulated Penalties; or (b) sending in writing to the OIG a request for a hearing before an HHS administrative law judge ("ALJ") to dispute the OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event VFP elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until VFP cures, to the OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this Agreement and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by certified or cashier's check, payable to: "Secretary of the Department of Health and Human Services," and submitted to the OIG at the address set forth in Section VI.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for the OIG's decision that VFP has materially breached this Agreement, which decision shall be made at the OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion of Material Breach of this Agreement

1. *Definition of Material Breach.* A material breach of this Agreement means:

- a. a failure by VFP to report a Material Deficiency, take corrective action and make the appropriate refunds, as required in Section III.F;

- b. a repeated or flagrant violation of the obligations under this Agreement, including, but not limited to, the obligations addressed in Section X.A;
- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
- d. a failure to retain and use an Independent Review Organization in accordance with Section III.E.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this Agreement by VFP constitutes an independent basis for VFP's exclusion from participation in the Federal health care programs. Upon a determination by the OIG that VFP has materially breached this Agreement and that exclusion shall be imposed, the OIG shall notify VFP of: (a) VFP's material breach; and (b) the OIG's intent to exercise its contractual right to impose exclusion (this notification is hereinafter referred to as the "Notice of Material Breach and Intent to Exclude").

3. *Opportunity to Cure.* VFP shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to the OIG's satisfaction that:

- a. VFP is in compliance with the obligations of the Agreement cited by the OIG as being the basis for the material breach;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 30-day period, but that: (i) VFP has begun to take action to cure the material breach; (ii) VFP is pursuing such action with due diligence; and (iii) VFP has provided to the OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If at the conclusion of the 30-day period, VFP fails to satisfy the requirements of Section X.D.3, the OIG may exclude VFP from participation in the Federal health care programs. The OIG shall notify VFP in writing of its

determination to exclude VFP (this letter shall be referred to hereinafter as the "Exclusion Letter"). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and non-procurement programs. Reinstatement to program participation is not automatic. If at the end of the period of exclusion, VFP wishes to apply for reinstatement, VFP shall submit a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. *Review Rights.* Upon the OIG's delivery to VFP of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this Agreement, VFP shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this Agreement. Specifically, the OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board ("DAB"), in a manner consistent with the provisions in 42 C.F.R. §§ 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days of the receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days of receipt of the Exclusion Letter.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this Agreement shall be: (a) whether VFP was in full and timely compliance with the obligations of this Agreement for which the OIG demands payment; and (b) the period of noncompliance. VFP shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. The OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with the OIG with regard to a finding of a breach of this Agreement and orders VFP to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless VFP requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of the

OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this Agreement shall be:

- a. whether VFP was in material breach of this Agreement;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30 day period, but that:
 - (i) VFP had begun to take action to cure the material breach within that period;
 - (ii) VFP has pursued and is pursuing such action with due diligence; and
 - (iii) VFP provided to the OIG within that period a reasonable timetable for curing the material breach and VFP has followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to the OIG, or, if the ALJ rules for VFP, only after a DAB decision in favor of the OIG. VFP's election of its contractual right to appeal to the DAB shall not abrogate the OIG's authority to exclude VFP upon the issuance of an ALJ's decision in favor of the OIG. If the ALJ sustains the determination of the OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that VFP may request review of the ALJ decision by the DAB. If the DAB finds in favor of the OIG after an ALJ decision adverse to the OIG, the exclusion shall take effect 20 days after the DAB decision. VFP shall waive their right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of VFP, VFP shall be reinstated effective on the

date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this Agreement agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this Agreement.

XI. EFFECTIVE AND BINDING AGREEMENT

Consistent with the provisions in the Settlement Agreement pursuant to which this Agreement is entered, and into which this Agreement is incorporated, VFP and the OIG agree as follows:

- A. This Agreement shall be binding on the successors, assigns and transferees of VFP;
- B. This Agreement shall become final and binding on the date the final signature is obtained on the Agreement;
- C. Any modifications to this Agreement shall be made with the prior written consent of the parties to this Agreement;
- D. If Anicia Villafria, M.D., Ramon Villafria, M.D. or VFP enters into an employment or contractual relationship with another party related to the furnishing of items or services that may be reimbursed by Federal health care programs, Anicia Villafria, M.D., Ramon Villafria, M.D. or VFP shall notify the OIG within 30 days of the date of the establishment of such relationship. Upon receipt of Anicia Villafria, M.D., Ramon Villafria, M.D., or VFP's notification, the OIG may request information regarding the party's compliance program. The OIG may agree to modify the Agreement based on its evaluation of Anicia Villafria, M.D., Ramon Villafria, M.D., or VFP's new business relationship, their role in such relationship, and the party's compliance program;
- E. The OIG may agree to a suspension of VFP's obligations under this Agreement in the event of VFP's cessation of participation in Federal health

care programs. If VFP withdraws from participation in Federal health care programs and is relieved from its Agreement obligations by the OIG, VFP shall notify the OIG 30 days in advance of VFP's intent to reapply as a participating provider or supplier with the Federal health care programs. Upon receipt of such notification, the OIG shall evaluate whether the Agreement shall be reactivated or modified; and

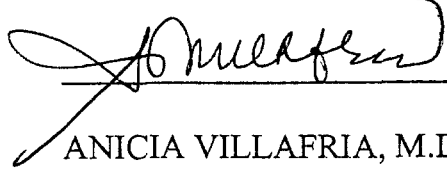

- F. The undersigned VFP signatories represent and warrant that they are authorized to execute this Agreement. The undersigned OIG signatory represents that he is signing this Agreement in his official capacity and that he is authorized to execute this Agreement.

IN WITNESS WHEREOF, the parties hereto affix their signatures:

APPENDIX A

A. Review Procedures.

1. **Definitions.** For the purposes of the Review Procedures, the following definitions shall be used:

- a. Overpayment: The amount of money VFP has received in excess of the amount due and payable under any Federal health care program requirements.
- b. Item: Any discrete unit that can be sampled (e.g., code, line item, beneficiary, patient encounter, etc.).
- c. Paid Claim: A code or line item submitted by VFP and for which VFP has received reimbursement from the Medicare program or from IDPA (i.e., Illinois Medicaid).
- d. Population: All Items for which VFP has submitted a code or line item and for which VFP has received reimbursement from the Medicare program or IDPA (i.e., Illinois Medicaid) (i.e., a Paid Claim) during the 12-month period covered by the Claims Review. To be included in the Population, an Item must have resulted in at least one Paid Claim.
- e. Error Rate: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample or Full Sample (as applicable) shall be included as part of the net Overpayment calculation.)

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Items in the

sample.

2. Other Requirements.

a. Paid Claims without Supporting Documentation. For the purpose of appraising Items included in the Claims Review, any Paid Claim for which VFP cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by VFP for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

b. Use of First Samples Drawn. For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims associated with the Items selected in each first sample (or first sample for each strata, if applicable) shall be used. In other words, it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample.

B. Claims Review Report. The following information shall be included in the Claims Review Report for each Discovery Sample and Full Sample (if applicable).

1. Claims Review Methodology.

a. Sampling Unit. A description of the Item as that term is utilized for the Claims Review.

b. Claims Review Population. A description of the Population subject to the Claims Review.

c. Claims Review Objective. A clear statement of the objective intended to be achieved by the Claims Review.

d. Sampling Frame. A description of the sampling frame, which is the totality of Items from which the Discovery Sample and, if any, Full Sample has been selected and an explanation of the methodology used to identify

the sampling frame. In most circumstances, the sampling frame will be identical to the Population.

e. Source of Data. A description of the documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies, CMS program memoranda, Medicare carrier or intermediary manual or bulletins, other policies, regulations, or directives).

f. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.

2. Statistical Sampling Documentation.

a. The number of Items appraised in the Discovery Sample and, if applicable, in the Full Sample.

b. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.

c. A copy of the statistical software printout(s) estimating how many Items are to be included in the Full Sample, if applicable.

d. A description or identification of the statistical sampling software package used to conduct the sampling.

3. Claims Review Findings.

a. Narrative Results.

i. A description of VFP’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.

ii. A narrative explanation of the IRO's findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Discovery Sample, and the results of the Full Sample (if any) with the gross Overpayment amount, the net Overpayment amount, and the corresponding Error Rate(s) related to the net Overpayment.

b. Quantitative Results.

i. Total number and percentage of instances in which the IRO determined that the Paid Claims submitted by VFP ("Claim Submitted") differed from what should have been the correct claim ("Correct Claim"), regardless of the effect on the payment.

ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to VFP.

iii. Total dollar amount of paid Items included in the sample and the net Overpayment associated with the sample.

iv. Error Rate in the sample.

v. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim appraised: Federal health care program billed, beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount. (See Attachment 1 to this Appendix.)

4. **Systems Review.** Observations, findings, and recommendations on possible improvements to the system(s) and process(es) that generated the Overpayment(s).

5. Credentials. The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review; and (2) performed the Claims Review.
