

Mortality Data From the Drug Abuse Warning Network, 2000

ERRATA SHEET

Errors were identified in the 1998 to 2001 data for the Boulder CO metropolitan area after publication of the findings. Therefore, all references to these data have been removed. Corrections in the online version can be found at:

<http://dawninfo.samhsa.gov/>

The corrections for 2000 are also presented below:

Page 104, Table 1 (Metro area overview: Deaths and population by county, 2000) should show population data only. Other data for 2000 have been removed from the web version.

Page 104, Table 1 (Metro area overview: Deaths and population by county, 2000) a footnote has been added and should read as follows:

*Errors were identified in the data for 2000, so these have been removed.
