April 2004

NEW! Automatic Billing

PACER users now have the option to sign up for automatic credit card billing. Customers that sign up for this option will have the amount due each quarter charged to a credit card on file with the PACER Service Center without having to visit the web site or call. Balances of \$10 or more are applied to the credit card on file just before payment is due. This option is available under the "Account Information" section at the PACER Service Center website <http://pacer.psc.uscourts.gov>. Click on "Sign Up for Automatic Payment." It is possible to update or change the credit card information on file under this option as well.

Cap on Case-Related Documents and Reports

The Judicial Conference, at its September 2003 session, amended the language of Section I of the Electronic Public Access Fee Schedule. The previous schedule placed a cap on the \$.07 per page charge, a maximum \$2.10 (the equivalent of 30 pages) for electronic access to any single document. The amendment extends this cap to include docket sheets and case-specific reports, with the exception of transcripts of federal court proceedings. The cap applies to all PACER, RACER, or CM/ECF sites and is effective for documents and reports accessed after January 1, 2004. The transaction receipt will not reflect this change in older PACER systems. The change is currently being made to CM/ECF systems, but will not be reflected immediately. During the transition period the PACER Service Center will cap eligible transaction just prior to loading them to the PACER Service Center web site each month. To view the capped transaction use the Review Transaction History option in the Account Information section. The quarterly statements will be calculated using the capped transactions.

NEW!

Password Retrieval by Email

SIGN UP BEFORE YOU NEED IT!

In the event that the PACER password is misplaced or forgotten, the PACER Service Center is able to send an email which will contain a link to obtain the password. It is important that users sign up for this option prior to needing the password. Therefore, we strongly suggest that users sign up as soon as possible at the PACER Service Center website <http://pacer.psc.uscourts.gov>. The option will work once the security information is on file. Login to the "Account Information" section to select "Set Account Security Information." Provide a valid email address, security question and answer, as well as date of birth. This will allow the PACER Service Center to verify and send the misplaced or forgotten password.

Check Conversion Discontinued

In response to customer feedback, payments made by check will no longer be converted to an electronic funds transfer (EFT). Checks will be processed using normal bank procedures.

Changes to SSN Display

In September 2002, the Judicial Conference approved amendments to the Federal Rules of Bankruptcy Procedures and the Official Bankruptcy Forms. The amendments implemented Conference policy on privacy and public access to electronic case files. In compliance with the Federal Rules of Bankruptcy Procedure effective December 1, 2003, PACER will display only the last four digits of the debtor(s) Social Security number (SSN). It will continue to be possible to search by the full SSN; however, only the last four digits of the SSN will be displayed.

Filing Cases

Your PACER login and password will only allow access to Queries and Reports. A court assigned filing ID must be used to file a case or file documents to a case in courts offering electronic case filing. Please contact the appropriate court to obtain a filing ID. See CM/ECF Information at <http://pacer.psc.uscourts.gov> for a listing of courts offering electronic case filing.

Detailed Billing

PACER billing statements that are sent by mail only include the amount due. There are two options at the PACER Service Center web site that will provide details for access during the billing cycle. They are "Review Transaction History" and "Review Quarterly Statement." The former includes an option to sort transactions by client code. The website address is <http://pacer.psc.uscourts.gov>. Click on Account Information.
