NOTE: Generally, data for industries with fewer than 50,000 employed as well as for certain other industries are not published separately but are included in the totals for the appropriate categories shown. Dash represents or rounds to zero. Industries reflect the introduction of the 2002

Census industry classification system derived from the 2002 North American Industry Classification System into the Current Population Survey. Beginning in January 2003, data reflect revised population controls used in the household survey.
