(c) MCO P5090.2A

1. Please provide your FY03 Solid Waste Pollution Prevention Annual Data Summary (P2ADS) information to us by 1 December 2003. References (a), (b), and (c) issued this reporting requirement for solid waste.
2. The FY03 SW P2ADS User Guide, NFESC UG-2055-ENV; report forms; reporting software; and software manual can be obtained from our website. Go to this URL: <http://enviro.nfesc.navy.mil/ps/datamanagement/main.htm#Download>. Simply "click" the file name that you need to download.
3. Please note that installations are expected to report P2ADS for their tenants. Reports may be submitted using the forms provided on our website, electronically via disk or e-mail. If you can't access the web link provided in Paragraph 2, please contact one of our program coordinators listed below to obtain the reporting guidance and software. The P2ADS software is compatible with Access 97 or Access 2000.
4. Our solid waste contacts can be reached at (805) 982-4872 or (805) 982-2642. Our DSN prefix is 551.
