NOTICE

Attorneys filing documents electronically on the Case Management/Electronic Case Filing (CM/ECF) system should be receiving electronic notice each time a docket entry is made in cases in which they are involved. Please check the Notice of Electronic Filing immediately upon submission of a document to the CM/ECF system to make sure you are receiving electronic notices. Refer to Tab 27 in the Training Manual and Instructions regarding passwords and e-mail accounts. If you continue to have problems receiving e-mail notices, please notify the Clerk by sending a message to the Court's web site at PAWBHelpdesk@pawb.uscourts.gov. When setting up your e-mail account, select the "Daily Summary" option in order to insure electronic notification of notices mailed by the Bankruptcy Noticing Center.

Once a trained attorney receives his/her login and password, an e-mail account should be set up immediately.

Theodore S. Hopkins, Clerk
U.S. Bankruptcy Court
