

HELICOPTER QUESTIONNAIRE

This questionnaire in conjunction with the OAS-13, Request for Contract Services is designed to involve the requester/user in analyzing their operational and programmatic needs. The questionnaire is not be used for eliminating makes of helicopters or the equipment needed to perform the required tasks. Any unique operational or configuration requirement that would limit this request in any manner from full and open competition will require a separate justification. Proper identification of your requirements is an important step in obtaining the proper aviation resources.

If you require additional space to explain your requirements, please attach additional sheets with further details.
