
ANTITRUST IMPROVEMENTS ACT NOTIFICATION AND REPORT FORM for Certain Mergers and Acquisitions

INSTRUCTIONS

GENERAL

The Answer Sheets (pp. 1-15) constitute the Notification and Report Form ("the Form") required to be submitted pursuant to § 803.1(a) of the premerger notification rules ("the rules"). Filing persons need not, however, record their responses on the Form.

These instructions specify the information which must be provided in response to the Items on the Answer Sheets. Only the completed Answer Sheets, together with all documentary attachments, are to be filed with the Federal Trade Commission and the Department of Justice.

Persons providing responses on attachment pages rather than on answer sheets must submit a complete set of attachment pages with each copy of the Form.

The term "documentary attachments" refers to materials supplied in responses to Item 3(d), Item 4 and to submissions pursuant to §§ 803.1(b) and 803.11 of the rules.

Information-The central office for information and assistance concerning the rules, 16 CFR Parts 801-803, and the Form is Room 303, Federal Trade Commission, 600 Pennsylvania Avenue, N.W., Washington, D.C. 20580, phone (202) 326-3100.

Definitions-The definitions and other provisions governing this Form are set forth in the rules, 16 CFR Parts 801-803. The governing statute, the rules, and the Statement of Basis and Purpose for the rules are set forth at 43 FR 33450 (July 31, 1978), 44 FR 66781 (November 22, 1979) 48 FR 34427 (July 29, 1983) and Pub. L. No. 106-533, 114 Stat. 2762.

Affidavit-Attach the affidavit required by § 803.5 to page 1 of the Form. Affidavits are not required if the person filing notification is an acquired person in a transaction covered by § 801.30. (See § 803.5(a)).

Responses-Each answer should identify the Item to which it is addressed. Use the reverse side of the corresponding answer sheet or attach separate additional sheets as necessary in answering each Item. Each additional sheet should identify at the top of the page the Item to which it is addressed. Voluntary submissions pursuant to § 803.1(b) should also be identified.

Enter the name of the person filing notification appearing in Item 1(a) on page 1 of the Form and the date on which the Form is completed at the top of each page of the Form, at the top of any sheets attached to complete the response to any Item, and at the top of the first or cover page of each documentary attachment.

If unable to answer any Item fully, give such information as is available and provide a statement of reasons for non-compliance as required by § 803.3. If exact answers to any Item cannot be given, enter best estimates and indicate the sources or bases of such estimates. Estimated data should be followed by the notation, "est." All information should be rounded to the nearest thousand dollars.

Year-All references to "year" refer to calendar year. If the data are not available on a calendar year basis, supply the requested data for the fiscal year reporting period which most nearly corresponds to the calendar year specified. References to "most recent year" mean the most recent calendar or fiscal year for which the requested information is available.

North American Industry Classification System (NAICS) Data-

This Notification and Report Form requests information regarding dollar revenues and lines of commerce at three levels with respect to operations conducted within the United States. (See § 803.2(c)(1).) All persons must submit certain data at the 6-digit NAICS national industry code level. To the extent that dollar revenues are derived from *manufacturing operations* (NAICS Sectors 31-33), data must also be submitted at the *7-digit NAICS product class and 10-digit NAICS product code levels*. The term "dollar revenues" is defined in § 803.2(d).

References-In reporting information by 6-digit NAICS industry code refer to the *North American Industry Classification System - United States, 1997 (1997 NAICS Manual)* published by the Executive Office of the President, Office of Management and Budget. In reporting information by 7-digit NAICS product class and 10-digit NAICS product code refer to the *1997 Numerical List of Manufactured and Mineral Products (EC97M31R-NL)* published by the Bureau of the Census. Information regarding NAICS also is available at www.census.gov.

Privacy Act Statement-Section 18a(a) of Title 15 of the U.S. Code authorizes the collection of this information. The primary use of this information is to determine whether the merger or acquisition reported in the Notification and Report Form may violate the antitrust laws.

Furnishing the information on the Form is voluntary. Consummation of an acquisition required to be reported by the statute cited above without having provided this information may, however, render a person liable to civil penalties up to \$11,000 per day.

Items 5, 7, 8-Supply information only with respect to operations conducted within the United States, including its commonwealths, territories, possessions and the District of Columbia. (See §§ 801.1(k); 803.2(c)(1).)

Information need not be supplied regarding assets or voting securities currently being acquired, when the acquisition is exempt under the statute or rules. (See § 803.2(c)(2).)

The acquired person should limit its response in the case of an acquisition of assets, to the assets being sold, and in the case of an acquisition of voting securities, to the issuer(s) whose voting securities are being acquired and all entities controlled by such issuer. Separate responses may be required where a person is both acquiring and acquired. (See § 803.2(b) and (c).)

Filing-Complete and return two copies (with one notarized original affidavit and certification and one set of documentary attachments) of this Notification and Report Form to the Premerger Notification Office, Bureau of Competition, Room 303, Federal Trade Commission, 600 Pennsylvania Avenue, N.W., Washington, D.C. 20580. Three copies (with one set of documentary attachments) should be sent to: Director of Operations, Antitrust Division, Department of Justice, Patrick Henry Bldg., 601 D Street, N.W., Room #10013, Washington, D.C. 20530. (For FEDEX airbills to the Department of Justice, do not use the 20530 zip code; use zip code 20004.)

ITEM BY ITEM

Affidavit-Attach the affidavit required by § 803.5 to page 1 of the Answer Sheets. Acquiring persons in transactions covered by § 801.30 are required to also submit a copy of the notice served on the acquired person pursuant to § 803.5(a)(1). (See § 803.5(a)(3).)

Fee Information-The fee for filing the Notification and Report Form is based on the aggregate total amount of assets and voting securities to be held as a result of the acquisition:

Value of assets or voting securities to be held	Fee Amount
greater than \$50 million but less than \$100 million	\$45,000
\$100 million or greater but less than \$500 million	\$125,000
\$500 million or greater	\$280,000

Amount Paid-Indicate the amount of the filing fee paid. This amount should be net of any banking or financial institution charges. Where an explanatory attachment is required, include in your explanation any adjustments to the acquisition price that serve to lower the fee from that which would otherwise be due. If there is no acquisition price or if the acquisition price may fall within a range that straddles two filing fee thresholds, state the transaction value on which the fee is based and explain the valuation method used. Include in your explanation a description of any exempt assets, the value assigned to each, and the valuation method used.

A Valuation Worksheet available from the Premerger Notification Office will be helpful in determining the value of a transaction for filing and fee purposes. This Worksheet need not be submitted with the Notification and Report Form, but it or something similar should be utilized and retained by the acquiring person in the event Commission staff has questions about the valuation of the transaction.

Payer Identification- Provide the 9-digit Taxpayer Identification Number (TIN) of the acquiring person and, if different from the filing person, the TIN of the payer(s) of the filing fee. A payer or filing person who is a natural person having no TIN must provide the name and social security number (SSN) of the payer. If the payer or filing person is a foreign person, only the name of the payer and the name of the filing person need be supplied if different.

Method of Payment-Check the box indicating the method of fee payment. If paying by electronic wire transfer (EWT), provide the name of the financial institution from which the EWT is being sent and the confirmation number.

To insure filing fees paid by EWT are attributed to the appropriate payer filing notification, the payer must provide the following information to the financial institution initiating the EWT:

The Department of Treasury's ABA Number: 021030004;
and
The Federal Trade Commission's ALC Number: 29000001.

If the name used to transmit the EWT differs from the filer's name, provide the alternative name. If the confirmation number is unavailable at the time notification is filed, provide this information by letter within one business day of filing.

Corrective Filing-Put an X in the appropriate box to indicate whether the notification is a corrective filing being made for an acquisition that has already taken place in violation of the statute. Attach a detailed, written explanation signed by a company official explaining (1) how the violation occurred, (2) when and how the violation was discovered and (3) what steps will be taken to ensure compliance in the future.

Transactions Subject to Foreign Antitrust Notification-If to the knowledge or belief of the filing person at the time of filing this notification, a foreign antitrust or competition authority has been or will be notified of the proposed transaction, list the name of each such authority and the date or anticipated date of each such notification. Response to this item is voluntary.

Cash Tender Offer-Put an X in the appropriate box to indicate whether the acquisition is a cash tender offer.

Bankruptcy-Put an X in the appropriate box to indicate whether the acquired person's filing is being made by a trustee in bankruptcy or a debtor-in-possession for a transaction that is subject to section 363(b) of the Bankruptcy Code (11USC § 363).

Early Termination-Put an X in the yes box to request early termination of the waiting period. Notification of each grant of early termination will be published in the Federal Register as required by § 7A(b)(2) of the Clayton Act and on the FTC web site www.ftc.gov.

Item 1(d)-Put an X in the appropriate box to indicate whether data furnished is by calendar year or fiscal year. If fiscal year, specify period.

Item 1(e)-Put an X in the appropriate box to indicate if this Form is being filed on behalf of the ultimate parent entity by another entity within the same person authorized by it to file notification on its behalf pursuant to § 803.2(a), or if this Form is being filed pursuant to § 803.4 on behalf of a foreign person. Then provide the name and mailing address of the entity filing notification on behalf of the reporting person named in Item 1(a) of the Form.

Item 1(f)-If an entity within the person filing notification other than the ultimate parent entity listed in Item 1(a) is the entity which is making the acquisition, or if the assets or voting securities of an entity other than the ultimate parent entity listed in Item 1(a) are being acquired, provide the name and mailing address of that entity and the percentage of its voting securities held by the person named in Item 1(a) above. The notification threshold selected should be based on voting securities only that will be held as a result of the acquisition.

Item 2(d)-*Assets and voting securities held as a result of the acquisition* (to be completed by both acquiring and acquired persons). State:

Item 2(d)(i)-the value of voting securities;

Include a list of the name and mailing address of each acquiring and acquired person, whether or not required to file notification. Indicate for each party whether assets or voting securities (or both) are to be acquired. Also indicate what consideration will be received by each party. In describing the acquisition, include the expected dates of any major events required to consummate the transaction (e.g., stockholders' meetings, filing of requests for approval, other public filings, terminations of tender offers) and the scheduled consummation date of the transaction.

If the voting securities are to be acquired from a holder other than the issuer (or an entity within the same person as the issuer) separately identify (if known) such holder and the issuer of the voting securities. Acquiring persons involved in tender offers should describe the terms of the offer.

Item 3(b)(i)-*Assets to be acquired*. This Item is to be completed only to the extent that the transaction is an acquisition of assets. Describe all general classes of assets (other than cash and securities) to be acquired by each party to the transaction, giving dollar values thereof.

Give the total value of the assets to be acquired in this transaction.

Examples of general classes of assets other than cash and securities are land, merchandising inventory, manufacturing plants (specify location and products produced), and retail stores. For each general class of assets, indicate the page or paragraph number of the contract or other document submitted with this Form in which the assets are more particularly described.

Item 3(b)(ii)-*Assets held by acquiring person*. (To be completed by acquiring persons). If assets of the acquired person (see § 801.13) are presently held by the person filing notification, furnish a description of each general class of such assets in the manner required by Item 3(b)(i), and the dollar value or estimated dollar value at the time they were acquired.

Item 3(c)-*Voting securities to be acquired*. Furnish the following information separately for each issuer whose voting securities will be acquired in the acquisition: (If, as a result of the acquisition, the acquiring person will hold 100 percent of the voting securities of the acquired issuer or if the acquisition is a merger or consolidation (see § 801.2(d)), the parties may so state and provide the total dollar value of the transaction instead of responding to Items 3(c)(i)-3(c)(vi).

Item 3(c)(i)-List each class of voting securities (including convertible voting securities) which will be outstanding after the acquisition has been completed. If there is more than one class of voting securities, include a description of the voting rights of each class. Item 3(c)(v)-Dollar value of securities of each class listed to be acquired in this transaction (see § 801.10). If there is more than one acquiring person of any class of securities, show data separately for each acquiring person (If the exact dollar value cannot be determined at the time of filing, provide an estimated value and indicate the basis on which the estimate was made);

Item 3(c)(vi)-Total number of each class of securities listed which will be held by acquiring person(s) after the acquisition has been accomplished. If there is more than one acquiring person for any class of securities, show data separately for each acquiring person;

Item 3(d)-Furnish copies of final or most recent versions of all documents which constitute the agreement among the acquiring person(s) and the person(s) whose voting securities or assets are to be acquired. (Do not attach these documents to the Answer Sheets.)

ITEM 4

Furnish one copy of each of the following documents. For each entity included within the person filing notification which has prepared its own such documents different from those prepared by the person filing notification, furnish, in addition, one copy of each document from each such other entity. Furnish copies of:

Item 4(a)-all of the following documents which have been filed with the United States Securities and Exchange Commission (or are to be filed contemporaneously in connection with this acquisition); the most recent proxy statement and Form 10-K, each dated not more than three years prior to the date of this Notification and Report Form; all Forms 10-Q and 8-K filed since the end of the period reflected by the Form 10-K being supplied; any registration statement filed in connection with the transaction for which notification is being filed; if the acquisition is a tender offer, Schedule TO. Alternatively, if the person filing notification does not have copies of responsive documents readily available, identification of such documents and citation to date and place of filing will constitute compliance;

NOTE: In response to Item 4(a), the person filing notification may incorporate by reference documents submitted with an earlier filing as explained in the staff formal interpretations dated April 10, 1979, and April 7, 1981, and in § 803.2(e).

Item 4(b)-the most recent annual reports and most recent annual audit reports (of person filing notification and of each unconsolidated United States issuer included within such person) and, if different, the most recently regularly prepared balance sheet of the person filing notification and of each unconsolidated United States issuer included within such person;

Item 4(c)-all studies, surveys, analyses and reports which were prepared by or for any officer(s) or director(s) (or, in the case of unincorporated entities, individuals exercising similar functions) for the purpose of evaluating or analyzing the acquisition with respect to market shares, competition, competitors, markets, potential for sales growth or expansion into product or geographic markets, and indicate (if not contained in the document itself) the date of preparation, and the name and title of each individual who prepared each such document.

Persons filing notification may provide an optional index of documents called for by Item 4 of the Answer Sheets.

NOTE: If the person filing notification withholds any documents called for by Item 4(c) based on a claim of privilege, the person must provide a statement of reasons for such noncompliance as specified in the staff formal interpretation dated September 13, 1979, and § 803.3(d).

ITEMS 5 through 8

NOTE: For Items 5 through 8, the acquired person should limit its response in the case of an acquisition of assets, to the assets to be sold, and in the case of an acquisition of voting securities, to the issuer(s) whose voting securities are being acquired and all entities controlled by such issuer. A person filing as both acquiring and acquired may be required to provide a separate response to these items in each capacity so that it can properly limit its response as an acquired person. (See § 803.2(b) and (c).)

Items 5(a)-5(c): These items request information regarding dollar revenues and lines of commerce at three NAICS levels with respect to operations conducted within the United States. (See § 803.2(c)(1).) All persons must submit certain data at the 6-digit NAICS industry code level. To the extent that dollar revenues are derived from manufacturing operations (NAICS Sectors 31-33), data must also be submitted at the 7-digit product class level and 10-digit product code level (NAICS-based codes). Where certain published NAICS industry codes contain only 5 digits, the filing person should add a zero (0) after the fifth (5th) digit.

NOTE: See "References" listed in the General Instructions to the Form. Refer to the *1997 NAICS Manual* for the 6-digit industry codes and the *1997 Numerical List of Manufactured and Mineral Products (1997 Numerical List)* for the 7-digit product classes and 10-digit product codes. Report revenues for the 7-digit NAICS product classes and 10-digit NAICS product codes using the codes in the columns labeled "Product code" in the *1997 Numerical List*.

Nondepository credit intermediation (NAICS Industry Group Code 5222); securities, commodity contracts, and other financial investments (NAICS Subsector 523); funds, trusts, and other financial vehicles (NAICS Subsector 525); real estate (NAICS Subsector 531); lessors of nonfinancial intangible assets, except copyright works (NAICS Subsector 533); and management of companies and enterprises (NAICS Subsector 551) should identify or explain the revenues reported (e.g. dollar sales receipts).

Persons filing notification should include the total dollar revenues for all entities included within the person filing notification at the time this Notification and Report Form is prepared (even if such entities have become included within the person since 1997). For example, if the person filing notification acquired an entity in 1998, it must include that entity's 1997 revenues in items 5(a) and 5(b)(i). It must also include that entity's most recent year's revenues in Item 5(b)(iii) and/or Item 5(c).

Item 5(a)-Dollar revenues by industry. Provide aggregate 6-digit NAICS industry data for 1997.

Item 5(b)(i)-Dollar revenues by manufactured product. Provide the following information on the aggregate operations for the person filing notification for 1997 for each 10-digit NAICS product of the person in NAICS Sectors 31-33 (manufacturing industries).

NOTE: Where the *1997 Numerical List* denotes footnote 1 at the end of a specific Subsector, refer to Appendices A, and then B for detail collected in a specified Current Industrial Report. You must provide 10-digit NAICS product codes and descriptions listed in Appendix B.

Item 5(b)(ii)-Products added or deleted. Within NAICS Sectors 31-33 (manufacturing industries), identify each product of the person filing notification added or deleted subsequent to 1997, indicate the year of addition or deletion, and state total dollar revenues in the most recent year for each product that has been added. Products may be identified either by 10-digit NAICS product code or in the manner ordinarily used by the person filing notification.

Do not include products added since 1997 by reason of mergers or acquisitions of entities occurring since 1997. Dollar revenues derived from such products should be included in response to Item 5(b)(i). However, if an entity acquired since 1997 by the person filing notification (and now included within the person) itself has added any products since 1997, these products and the dollar revenues derived therefrom should be listed here. Products deleted by reason of dispositions of assets constituting less than substantially all of the assets of an entity since 1997 should also be listed here.

Item 5(b)(iii)-Dollar revenues by manufactured product class. Provide the following information concerning the aggregate operations of the person filing notification for the most recent year for each 7-digit NAICS product class within NAICS Sectors 31-33 (manufacturing industries) in which the person engaged. If such data have not been compiled for the most recent year, estimates of dollar revenues by 7-digit NAICS product class may be provided if a statement describing the method of estimation is furnished.

Item 5(c)-Dollar revenues by non-manufacturing industry. Provide the following information concerning the aggregate operations of the person filing notification for the most recent year for each 6-digit NAICS industry code in NAICS Sectors other than 31-33 (manufacturing industries) in which the person engaged. If such data have not been compiled for the most recent year, estimates of dollar revenues by 6-digit NAICS industry code may be provided if a statement describing the method of estimation is furnished. Industries for which the dollar revenues totaled less than one million dollars in the most recent year may be omitted.

NOTE: *This million dollar minimum is applicable only to Item 5(c).*

CORPORATIONS AND UNINCORPORATED ENTITIES AT THE TIME OF FORMATION

Item 5(d)-Supply the following information only if the acquisition is the formation of corporation pursuant to § 801.40 or the formation of an unincorporated entity pursuant to § 801.50

Item 5(d)(i)-List the name and mailing address of the new corporation or unincorporated entity.

Item 5(d)(ii)(A)-List contributions that each person forming the new corporation or unincorporated entity has agreed to make, specifying when each contribution is to be made and the value of the contribution as agreed by the contributors.

Item 5(d)(ii)(B)-Describe any contracts or agreements the new corporation or unincorporated entity will obtain assets or capital from sources other than the persons forming it.

Item 5(d)(ii)(C)-Specify whether and in what amount the persons forming the new corporation or unincorporated entity have agreed to guarantee its credit or obligations.

Item 5(d)(ii)(D)-Describe fully the consideration which each person forming the new corporation or unincorporated entity will receive in exchange for its contribution(s).

Item 5(d)(iii)-Describe generally the business in which the new corporation or unincorporated entity will engage, including location of headquarters and principal plants, warehouses, retail establishments or other places of business, its principal types of products or activities, and the geographic areas in which it will do business.

Item 5(d)(iv)-Identify each 6-digit NAICS industry code in which the new corporation or unincorporated entity will derive dollar revenues. If the new corporation or unincorporated entity will be engaged in manufacturing also specify each 7-digit NAICS product class in which it will derive dollar revenues.

ITEM 6

This item need not be completed by a person filing notification only as an acquired person if only assets are to be acquired. Persons filing notification may respond to Items 6(a), 6(b), or 6(c) by referencing a "document attachment" furnished with this Form if the information so referenced is a complete response and is up-to-date and accurate. Indicate for each Item the specific page(s) of the document that are responsive to that Item.

Item 6(a)-Entities within the person filing notification. List the name and headquarters mailing address of each entity included within the person filing notification. Entities with total assets of less than \$10 million may be omitted.

Item 6(b)-Shareholders of person filing notification. For each entity (including the ultimate parent entity) included within the person filing notification the voting securities of which are held (see § 801.1(c)) by one or more other persons, list the issuer and class of voting securities, the name and headquarters mailing address of each other person which holds five percent or more of the outstanding voting securities of the class and the number and percentage held by that person. Holders need not be listed for entities with total assets of less than \$10 million.

Item 6(c)-Holdings of person filing notification. If the person filing notification holds voting securities of any issuer not included within the person filing notification, list the issuer and class, the number and percentage held, and (optionally) the entity within the person filing notification which holds the securities. Item 7(a)-supply the 6-digit NAICS industry code and description for the industry;
