RE: U.S. Department of Labor v. California Department of Industrial Relations  
No. 2002-CCP-1

Dear Mr. Jones:

The California Apprenticeship Council will not respond to OATELS' interrogatories because the interrogatories are directed to the California Department of Industrial Relations, a separate and distinct agency.

If OATELS serves the Council with a new set of interrogatories directed to the Council, the Council will make every effort to file and serve its responses within thirty days.

As a practical matter, I doubt that the Council's responses would provide OATELS with any information or documents that were not provided by the Department's responses.

Sincerely,

JULIAN O. STANDEN  
Deputy Attorney General
