

Port Risk Management & Insurance Guidebook

September 1998

(Revised 6/99 & 7/01)

Prepared by:

Office of Ports and Domestic Shipping
Maritime Administration
U.S. Department of Transportation

In cooperation with:

The American Association of Port Authorities (AAPA)

REVISED 7/01

LEGAL NOTICE

This report was prepared as an account of government-sponsored work. Neither the United States, nor the Maritime Administration, nor any person acting on behalf of the Maritime Administration –

- (A) Makes any warranty or representation, expressed or implied, with respect to the accuracy, completeness or usefulness of the information contained in this report, or that the use of any information, apparatus, method, or process disclosed in this report may not infringe privately owned rights; or
- (B) Assumes any liabilities with respect to the use of any information, apparatus, method, or process disclosed in this report. As used in the above, "person acting on the behalf of the Maritime Administration" includes any employee or contractor of the Maritime Administration to the extent that such employee or contractor prepares, handles, or distributes, or provides access to any information pursuant to his employment or contract with the Maritime Administration; and
- (C) Represents that this document is intended to provide legal guidance or describes risks and liabilities with legal accuracy.
