

INSTRUCTIONS FOR AFFIDAVIT IN SUPPORT OF ESTABLISHING PATERNITY

PURPOSE OF THE FORM: This affidavit supplements the Uniform Support Petition to summarize evidence to establish paternity. A separate Affidavit in Support of Establishing Paternity is required for each child needing paternity establishment. This is necessary since the circumstances surrounding conception and birth will differ unless the children are twins. Reminder: A putative father may petition for paternity establishment under UIFSA. All appropriate information for the Affidavit in Support of Establishing Paternity must be completed or furnished by the parent, properly signed by the parent, and notarized as required.

HEADING/CAPTION: [To be completed by the Child Support (IV-D) Worker]

- Identify the petitioner and respondent in the appropriate spaces.
- Check the appropriate space to identify the type of case: IV-D Non Public Assistance; IV-D Non Public Assistance Medicaid (indicate whether receiving Full Services or Medical Services Only); IV-D Public Assistance; IV-E Foster Care; or Non IV-D. IV-D means the case is being worked by the State or local child support enforcement agency (i.e., IV-D agency). Public Assistance means the obligee's family receives IV-A cash payments [IV-A was formerly called Aid to Families with Dependent Children (AFDC) and is now called Temporary Family Assistance]. A IV-D Non Public Assistance Medicaid case is a case where the obligee's family receives Medicaid but does not receive Public Assistance (IV-A cash payments).
- Under "Responding IV-D Case No." and "Responding Docket No.", enter appropriate case and docket numbers that the responding State uses to identify the case, if applicable and if known. Under "docket number", you may enter the docket number, cause number, or any other appropriate reference number.
- Under "Initiating IV-D Case No." and "Initiating Docket No.", enter appropriate case and docket numbers which your IV-D agency or local tribunal has assigned to the case. Under "docket number", you may enter the docket number, cause number, or any other appropriate reference number.
