INSTRUCTIONS FOR LOCATE DATA SHEET

PURPOSE OF THE FORM: The Locate Data Sheet is used for requesting locate information (regarding the parent, employer, wages, assets) or service of process from another State. The requesting jurisdiction completes as much of the form as possible with the information it has.

In addition to the more common data elements specified on the Locate Data Sheet, space is provided to note other locate/asset information particular to the case. For example, information on wages, violence potential, military/veteran status, and relatives may prove useful in working a case.

In the interest of expediting the locate process, use CSENet whenever possible.

Quick Locate. The Locate Data Sheet is used to request "quick locate." You may send the request directly to the responding State's Parent Locator Service. "Quick locate" is useful if a State believes that a noncustodial parent may be in one of several States, but is unsure of which State. If a State intends to use its long-arm jurisdiction to establish or enforce an order, it may choose to use "quick locate" to confirm the noncustodial parent's location.

HEADING/CAPTION:

■   Identify the petitioner and respondent in the appropriate spaces.

■   Check the appropriate space to identify the type of case: TANF; IV-E Foster Care, Medicaid only; former assistance, never assistance, or Non-IV-D. TANF means the obligee's family receives IV-A cash payments. A Medicaid only case is a case where the obligee's family receives Medicaid but does not receive TANF (IV-A cash payments). A non-IV-D case is a case involving child custody or parental kidnaping.

■   In the space marked "To:", list the name and address (street, city, State, and zip code) of the central registry or agency where you are sending the Locate Data Sheet.

■   In the space marked "From:", list a contact person, agency name, address (street, city, State, zip code), phone number (including extension), fax number, and e-mail address.

■   In the appropriate spaces, enter the Initiating jurisdiction's FIPS code, State, IV-D case number, and tribunal number. Under tribunal number, you may enter the docket number, cause number, or any other appropriate reference number which the initiating tribunal or agency has assigned to the case.
