The Manager,
The Junior Chamber of Commerce,
Memphis, Tenn.

Dear Sir:

I was told today that you had a very interesting display of letters and checks of Mrs. Franklin D. Roosevelt's Communistic activities during the recent campaign and wonder if you would be good enough to send me copies of these documents.

As you may know I am deeply opposed the the Communist movement and I have interested a U.S. Senator in these papers from Mrs. Roosevelt, several of which I have copies of myself. If we could get all of them together on the Senator desk I think that he would take them on the floor of the Senate.

Hoping to hear from you soon beacuse I think that this is important in our national defense program.

Very truly yours,

CHAPTER NINE

RESPECTABILITY AND SUCCESS

THREE events, one in the U.S. political field, the other in the economic field and the third in the international field of diplomacy, established the American communist movement as a factor in the political, social and economic affairs of the country.

American communism owes its rise to prominence to the election of Roosevelt as President in 1932, to the organization of the Committee on Industrial Organization in 1935, to the recognition of the Soviet Union by the United States in 1933.

Though Roosevelt's New Deal program and organization ranks first in immediate importance to the growth of communism in the United States, the organization of the C.I.O. from the communist standpoint is much more basic and of lasting importance to the movement, even though the organization of the C.I.O. without Roosevelt's blessing and endorsement would never have taken place. The recognition of the Soviet Union facilitated Soviet and Comintern penetration of the United States and opened wide the doors for the infiltration of the government by communists and their satellites drawn from a growing army of fellow travelers.

Communist endorsement of the Roosevelt administration and the New Deal did not come suddenly. When Roosevelt was Governor of New York State, the communists kept up an incessant barrage against Roosevelt as a reactionary tool of Wall Street. In 1932 the communists nominated Browder for president to run against Roosevelt. Browder charged, in his campaign speeches, that Roosevelt's election would mean a continuation of Hoover's reactionary hunger policies. The communists branded the first Roosevelt Cabinet as "the new Wall Street hunger and war cabinet." Of Henry Wallace, who was appointed Secretary of Agriculture, whose pro-Soviet line today receives the most active support of the communists and the endorsement of Soviet Russia, they had this to say: "This Wallace is an alleged friend of the farmer. He hails from Des Moines, Iowa, and

inherited the publishing racket of his father, Henry C. Wallace, who was Secretary of Agriculture under Coolidge. When old man Wallace got the Republican job from Coolidge, he resigned as editor of *Wallace's Farmer* in favor of his son who now takes the old man's job in the Roosevelt cabinet. This Wallace family is connected with bankers and grain speculators in the Middle West and the publication, *Wallace's Farmer*, shared in millions gyped from the farmers by the Harvester trust."

"Wallace," declared the communists, "wants to make Roosevelt a dictator to boost prices for the benefit of the trusts, thus hitting the poor farmers on the land and the workers in the city."

Roosevelt and the New Deal were characterized as follows: "Yes, the 'New Deal' may prove to be fascism. This smiling India rubber liberal in the White House is destined to destroy all remaining American liberals."

Earl Browder, General Secretary of the Communist party, on July 8, 1933, delivered this blast: "For the working class the Industrial Recovery Act is truly an Industrial Slavery Act. It is one of the steps towards the militarization of labor. It is a forerunner of American fascism."

The communists, in 1934, branded the Wagner Bill as "Roosevelt's company-union club against the workers."

Browder, at a press conference during the Eighth National Convention of the Communist party, characterized Roosevelt as follows: "Roosevelt is the most effective agent Wall Street has had in several years." When a reporter asked him, "Is there no difference between Roosevelt and Hoover?" He answered: "Yes, there is a difference. The masses feel it in their stomachs. The masses have less food, less clothing, more inadequate shelter now than they had under Hoover."

The communist May Day Manifesto screamed: "Against the New Deal Fascism and War."

Of Mrs. Eleanor Roosevelt the communists had this to say: "The only girls Mrs. Roosevelt really knows, are those in her own set; the millionaire families with their parasitic debutante daughters, who participate in orgies that not even Hollywood could duplicate." Nevertheless, when the Party line changed and the communists wedded the New Deal, they did not hesitate in enlisting the services of Eleanor Roosevelt in many of their outstanding united front causes.

What took place to change the line of the communists towards the New Deal? The answer is not to be found in the United States.

*Meyer to cut my first stencil on the portable typewriter; I had already arranged to run it off Van Noodall's mimeographing machine. *The Christian Defender* first appeared on August 8, 1939. It carried the news of a joint meeting of the Bund and the Christian Mobilizers; a story lifted from *Social Justice* praising the Christian Front; another advertising the Coughlin-Pinkston parade "in manifestation of Christianity"; an original parody on "Muddom Eleanora" which went over big with female critics of the First Lady. I also reprinted a poem from the *National American*, adopted the Bund slogan "Free America" and used as fillers the phrase, "A Common Front Against a Common Enemy." The second issue was even more "patriotic" and carried the line, "Free America from Stinkweeds."

The Christian Defender was deliberately designed to be one of the coarsest sheets published in New York. The cruder it got, the more it lied, the more it slandered the Jew and assailed Democracy, the more popular it became. I mimeographed 200 copies of each issue and sold 150 copies at two cents each at "patriotic" meetings and through the Germania Bookstore, using the balance for my correspondence with American fascists. The income covered all expenses. I had no qualms about publishing the hate sheet because it circulated only among those who already were confirmed fanatics. The first three copies of every issue went to the pro-democratic groups with which I was associated. Subsequently, I filed a complete set with the Department of Justice.

The Christian Defender gained for me the respect of countless American Nazis, including Father Coughlin, who thanked me by letter and through Carl Pinkston asked that two copies be sent him every week. Even Seward Collins, the wealthy intellectual fascist, called it "bright" and asked me to leave three copies at his office.

The Christian Defender also became my passport to Nazis abroad. I began to hear regularly from the *Deutscher Fichte-Bund*, named after the German philosopher who taught that Germany was predestined for world domination. Its director, Theodor Kessemeier at Hamburg, addressed me as "Dear Friend" and placed me on his mailing list. He sent me copies of Hitler's speeches, reams of lies about the Jews and told me

Attention: Mr. Louis Brandeis, Chief Justice

I refer to the Department's letter of October 4, 1938, enclosing the first information, a copy of the first issue of *The Christian Defender* and the first issue of *Social Justice*, containing the law and regulation administered by the Secretary of State governing the restriction of entry of foreign principals and the restriction of entry of foreign governments.

I have advised the Department from the first that you have not yet received the first issue of *The Christian Defender* and the first issue of *Social Justice* and that you have not yet received the first issue of *The Christian Defender* and the first issue of *Social Justice*.

Very truly yours,

went back to their individual cells and set up shop to do business precisely as before. In the name of post-Pearl Harbor "patriotism" they added to the worries of a nation mobilizing for war.

Mrs. Agnes Waters, a professional mother from Washington, branded sugar-rationing as a Jewish plot to "Communize America." Warming up to her subject, she screeched: "There are 200,000 Communist Jews at the Mexican border waiting to get into this country. If they are admitted they will rape every woman and child that is left unprotected."

Mrs. Mary Tappendorf of the ultra-patriotic Chicago Mothers became greatly excited over the plan to raise a women's army auxiliary for war duty. "What do they want to do with girls in the front lines?" she demanded. "I'll tell you—it's SEX—and that's Mrs. Eleanor's idea, too. They teach it to the boys in the army. They tell them they'll go insane without it. The Administration has sold out the flower of our womanhood. . . ."

In Chicago, the Citizens Keep America Out of War Committee which under William J. Grace had sponsored Lindbergh, shortened its name to Citizens Committee and continued its routine of agitation against the war effort.

I went to see Horace Haase and found him busily at work on the next issue of his organ *Americans for Peace*. With his New York unit already functioning, Haase was contacting former American First-ers in cities throughout the country for the formation of secret cells, and had sent two urgent letters to Lindbergh who on December 19 had already addressed a gathering of former America First Committee officials at the swank New York home of Edwin S. Webster.

"We can't win this war," Haase kept telling me over and over. "What is the use of trying? Japan could capture Hawaii if she wanted to. I hope none of our boys get killed, but at the same time I hope we lose every ship in the Pacific."

Haase set me to work filing name cards of those to whom he had already written. I filed about a hundred and was not surprised to see a large listing of America First-ers, including the name of the notorious Boris Brasol. Haase told me he had visited Joseph P. Kamp, and had also been received by America's leading intellectual fascist, Lawrence Dennis.

"How did you get to see him?" I asked.

"I just called him up, told him come right over."

"Were you with him very long?"
"More than two hours."

Haase asked me for the price of *Americans for Peace*. Curtis and I told him all I knew about the experience in Washington.

Shortly after my visit Haase sent me \$500 in funds to print, instead of \$100,000 for *Americans for Peace* and sent me to New York in key cities. While not yet a symbol of comment and defeatism, Haase was a symbol of a resurgent nationalist-fascist movement. Such a disruptive and revolutionary

"I do the wrong, and first begin to brawl.
The secret mischiefs that I set abroad
I lay unto the grievous charge of others,
But then I sigh, and with a piece of Scripture
Tell them, - that God bids us do good for evil;
And thus I clothe my naked villainy
With old odd ends, stolen forth from holy writ;
And seem a saint, when most I play the devil".

Dear Friends:

Truman and his backers did not write the above lines. Shakespeare did it for them in his Richard III. The "fighting" of Communism while financing it all over the world; this new dorny hypocritical demand for "civil rights" for all (Jews) while still attempting to continue the six-year persecution of the poor little 30 guinea pigs whose only crime was exercising the right of free speech to criticize some phase of the Roosevelt-Truman Jew Deal regime - this is typical.

A quiet gentleman from Arizona was waiting in the inside office to meet me for the first time the day I had a newspaper shoved under my nose, as I entered the outside office, headlined in red: "THROW OUT SEDITION TRIAL OF 30" and below that the sub-heading: "APPEALS COURT RULING FREES MRS. DILLING". I let out a piercing "whoop-ee-ee!" Then a succession of "whoopees". As I entered the inner office doing a highland fling with whoopee accompaniment, I noted the puzzled and speculative eye of the strange gentleman. His gaze seemed to say, "Well, I have heard queer things about Mrs. Dilling. So this is how she acts?" I explained saying, "If you had been dragged before grand juries, indicted, finger printed, smeared as an enemy of our country had to raise bond fees (\$1,100), attorney's fees, sat in court for eight months listening to non-existent "evidence", made some 18 trips to Washington, as I have maybe you would whoopee too to read that that mess has ended."

A few of us went out and celebrated on ice cream, gooey cake and two brimming cups of coffee. I had warned my friends that if the thing ever came to an end and they heard of the arrest of a woman throwing confetti down State Street, it would be I, but not to think too harshly of me. However, having no case, but determined to intimidate and persecute as long as possible to save face and bully those who might feel they too had some civil rights, Truman's Jew Deal has obtained a stay of mandate for 30 days in which to perfect an appeal to the Supreme Court. In other words the final dismissal of this second court is held up pending appeal.

Whether the Supreme Court will give them a writ of certiorari and set a time for hearing in the Fall, or will turn down the appeal now or in the Fall, I do not know. The screamers for "civil rights" at least are making every delay count.

... of Colored People, better termed the Jewish-Red Association for the
... of Colored People. Long financed by the Garland Fund, a fund set
... Garland who served a term for running a free love farm and gave his fortune
... for the advancement of the Red revolutionary movement, it has always been
... by Jews active in the Red movement.

Why Does Jewry Run the N.A.A.C.P.?

Since 1918, according to Who's Who in American Jewry, 1939, Joel Klipsch, former
Chairman of the board of directors, then treasurer, then president until his
and since then his brother Arthur S. Springarn has been running the N.A.A.C.P.
For years but Red Rasputin, Felix Frankfurter served on the national legal
committee of the N.A.A.C.P. Other Jewish Reds like Morris Ernst, likewise served. Ernst
is one of the two national counsels of the Communist-aiding American Civil Liberties
Union which was served with huge slices of dough from the Garland Fund which
fed the N.A.A.C.P., until it was spent. (\$31,552 in 1925-8, \$5,000 in 1929-30)

James Marshall, son of Louis Marshall of the New York Kehilla executive committee
(Jewish Community inner government), along with the Red Jews Morris Ernst, mentioned
above, and Arthur Garfield Hays, co-counsel of the Red-aiding American Civil Liberties
Union, has been a member of the National Legal Committee of the N.A.A.C.P.

The Marshall Family

Marshall is the brother of Robert Marshall who left a huge fund to be spent to
forward Jewish collectivism or Marxism. It is run by his brother George. To quote
the Dies Committee report: "For some years there was an element of mystery in the
ability of the Communist Party to finance its extensive network of front organiza-
tions. To a large extent, the Special Committee on Un-American Activities has
revealed that mystery. The principal source of the funds by which these Communist
front organizations are able to operate today is a network of foundations which
been established primarily by rich radicals. Among these foundations, first in rank
belongs to that which was set up by the will of the late Robert Marshall who, at
his death a few years ago was a high Federal Government official employed in the
Department of the Interior. The principal figure in the administration of the large
sum of money which is at the disposal of the Robert Marshall Foundation is George
Marshall, brother of the deceased Robert Marshall. George Marshall's Communist
record is so clear and so voluminous that it leaves no doubt about his ideological
devotion to the Soviet Union and the revolution upon which that government is founded."
(Vol. 17, p. 1550)

It supplies the leading Communist fronts with money and I published reproductions
cheques proving this. The board of directors of the N.A.A.C.P. is a conglomeration
of Marxists - Socialists, and Communist fronters, Jews and Reds of all hues. The
Jewish reds: Fiorello La Guardia (100% Jewish) and Herbert H. Lehman (a fellow
active committeeman, with the late Louis Marshall of the New York Kehilla) join with
Lewis S. Gannett, former director of the communist Garland Fund, Socialist Alfred
S. Baker Lewis and Eleanor Roosevelt in acting as directors of the N.A.A.C.P.

Truman's Civil Rights

Even as Truman's Department of Justice was filing a petition for a stay of execution
in order to go on trying to crush all civil rights in America by convicting little
opponents of the New Deal - first Truman was standing up before this Jewish-Red
run agitation organization saying, as I heard him say in the sound reel, that even
the ill-treated to a "fair trial on a fair court"!!!

It is known that President Roosevelt personally ordered Bidle to crush the small
opponents of his regime. He had the assistance of the Department of Justice, as
Assistant Prosecutor Burns, when we had Drew Pearson on the witness stand in Washin-
gton in 1944 that Pearson had "good authority" for his column telling how FDR called in
Bidle and showed him a collection of anti-New Deal literature and ordered him to
"take down" all of these people and that when Bidle said he could not get a

(St. Louis EDB told Bi... not the judge but...
to that effect. When... son was asked his authority to...
could answer, Burns piped up that the Prosecution was willing to...
on good authority.

Anti-Christian pro-Communist Jewish B'nai B'rith not only investigated this...
tion, with its three indictments and farcical trial of eight months, its representa-
tive in the Department of Justice, a German Jew, Oberwinder, alias 'John McCall',
ran the show from the inside and wired Minsky, international head of this...
conspiratorial organization, when and whom would be next indicted. These wires were
subpoenaed by the Dies Committee but Jewish pressure forced their return to...
Union, but not until their contents had been noted.

B'nai B'rith's Anti-Defamation Bulletin for June 1947 quotes B'nai B'rith's Anti-
Defamation League report for 1946 which includes this:

B'nai B'rith Gloats

"Encouraging signs were the cancellation of Upton Close's radio time, Indiana's law
making race hatred illegal" (Notes not Falxudic teachings of such hatred for non-Jews
that rape, theft, murder of Gentiles is condoned, E.D.)" and appointment of a Com-
mission on Civil Rights by President Truman."

In truth Truman's "Civil Rights Commission" and propaganda are a triumph to B'nai
B'rith which specializes in conspiring to deprive every Gentile American of his
right of free speech, freedom of worship and free press. No one unfamiliar with the
truth, thru personal experience, could believe the immediate speed with which the
B'nai B'rith bloodhounds swoop down upon a printer who dares put out something un-
flattering about Jewry; how their representatives visit ministers who dare preach
the Gospel, even read the Scriptures which criticize Jewry, and order them to cease
doing this. The minister who was ordered to substitute the word "people" for the
word Jew in New Testament readings is an illustration.

They gloat over opposing Passion Plays, singing of Christmas carols in schools,
order text books deleted, have the Merchant of Venice banned from public schools,
and are having laws passed all over the United States making any unfavorable refer-
ence to Jewry punishable as a crime. Under the law passed in Miami recently, a
friend writes: "Things are rather quiet down here altho several people at Miami
Beach were arrested for using 'restricted' in their 'for rent' ads. Nice going!"

Student Seized!

The June 1947 Anti-Defamation League (of B'nai B'rith) Bulletin also gloats over
the seizure of a young University of Minnesota student, one Maynard Nelsen being
"arrested and placed under \$1,000 bond on a breach of the peace charge for having
"copies of anti-Semitic literature which indicated Nelsen's addiction to a Nazi-like
philosophy... His arrest came about principally through a tip from Samuel L. Scheiner
director of the Minnesota Jewish Council who stated:

"Our investigation indicated that Nelsen's veering toward fascism developed when
failed to receive a commission while serving in the army. Believing that "Jewish
officers" had acted against him, his frustration led him to swallow the writings of
Mrs. Elizabeth Dilling and Eugene Flitcraft, publisher of the "Gentile News". He
has told his attorney that he is convinced... that Russia is completely dominated by
Jews. When asked to name one Jew prominent in the Soviet Government, Nelsen was
unable to do so."

Too bad this boy lacked knowledge of the Jewish sources bragging about Jewish power
over Russia that I have. Too bad that he lacked the information on this subject
with which my son drowned the Character and Fitness Committee which grilled him for
two hours on his attitude toward the Jews and had such data poured upon them that
the non-Jewish members who had been primed with B'nai B'rith catch questions got
the education of their lives in the answers they heard - and voted to let him prac-
tice law in Illinois after Jewry had held his certificate up causing him to miss
the Springfield exercises and banquet his class mates enjoyed.

series "LEST WE FORGET" - ...EST GREAT AMERICANS sponsored by the American Jewish Committee for "Democratic Education" (B'nai B'rith set up). The award was made for "stimulating the activities of the lives of great Americans and how they have contributed to our way of life with a conscious absence of chauvinism." (Exaggerated patriotic poster)

"A questionnaire distributed to 3000 University of Denver students," by the ADL is reported. Also: "The Denver ADL office in cooperation with other ADL agencies has established an educational film library to stock and distribute films, strips, and slides dealing with inter-group living. In Chicago the ADL Haskell Lazere cooperated with the Chicago Film Council June 2-7 in presenting a series of motion picture shorts on the theme "Democracy in One World". Films available for school, church and lodge audiences may be obtained from the League's Chicago office."

Christian Dupes

"The first Jew to achieve such recognition, George J. Harrison, associate director of the Southeastern Regional ADL office, has been named a member of the Fellowship of Southern Churchmen. Virtually all members are active clergymen. The honor came to Mr. Harrison for the role he has played in combatting bigotry on all fronts as a member of the ADL staff." (Devoted to crushing Christianity!)

Headed "SOUTHERN TESTIMONY", is this report in the same: "The press and the churches are leading the way to better racial and religious relations in the southern states, declared Alexander F. Miller, director of the ADL's Atlanta office, to President Truman's committee on civil rights at a recent session in Washington."

THERE YOU HAVE IT! B'nai B'rith, crusher of all Gentile and Christian rights tells the "civil rights" committee what to do.

The American Jewish Year Book for 1945-6, put out by the American Jewish Committee which jointly with B'nai B'rith is collecting \$6,000,000 this year for sniping OGPU bullying work on critics of Jewry, gives a significant report on the work of B'nai B'rith's Hillel Foundation. This outfit spends millions of dollars, according to the report on 120 college campuses on Judaistic propaganda. I found the Hillel Foundation at the University of Michigan, for example, the center of Red propaganda speakers drawing Gentile students. To quote the American Jewish Year Book (p.151):

"Meantime, there has been an interesting and significant effect of the program upon non-Jewish students. Several hundred Christians are registered each year in the courses which are offered by Hillel Foundations. As these young people go back to their communities after having been under the influence of a Hillel director, they are really ambassadors of good will and understanding. Many of them invariably join the faculty of the Christian Sunday Schools in their home community. There need be little concern as to how they will present to their young charges the story of the Crucifixion, or the appraisal of the Pharisees or any point of view about Jews and Judaism. In 1942, the National Hillel Director was awarded an honorary degree by the Illinois Wesleyan University, a Methodist institution, because of his impact upon the religious life of generations of Christian college students."

"Impact" on Christians

Among other Jewish projects covered by the American Jewish Year Book 1945-6 is the "sedition trial", Mrs. Elizabeth Dilling's activities being deplored, work inside all Christian denominations, B'nai B'rith's National Conference of Christians and Jews having "300 Round Tables" or branches "which function all the year round, and special committees in about 3,000 communities, which function during Brotherhood Week, Religious Book Week, and on other occasions. In his seventeenth annual report, Dr. Everett Clinchy, president, declared that twenty Protestant denominations, numerous Roman Catholic bishops, the Federal Council of Churches, the Synagogue Council of America, and the Catholic Commission on Citizenship had cooperated in the programs during the year." (Note: the Catholic Commission on Citizenship is covered in my pamphlet "CHRISTIANS AWAKEN". Graham was a sponsor, in fact vice-chairman, of the radical Pacific
Council for Prevention of War in 1937 when that was the "line" and
longer as member of the William Allen White Committee to Defend America
the Allies (1940); has been national committeeman of Birchhead's "League
of Democracy for some years. This is the outfit which hired the little
Derounian (alias Carleon) to keyhole and lie about decent Americans. A
judgment against Derounian was recently awarded by a Utah Federal Court. The

National Association for the Advancement of Colored People; the Jew-kissing
Council Against Intolerance in America (no intolerance against Reds and Jews
smearing and intolerance and persecution of Christian Americans); Southern Tenant
Farmers' Union (for agitation); B'nai B'rith's National Conference of Christians
Jews - right down the line. For years he has been on the national committee of
legal arm of the Red movement in the USA, the American Civil Liberties Union, of
which he has been national vice-chairman since 1943. He is on the board of directors
of the red internationalist Americans United for World Government and on the inter-
national board of Free World magazine, a publication put out by world red interna-
tionalists who calculate to take away American sovereignty and set up the world-
state long envisioned by followers of Karl Marx;

NOT ONE OF THE RED SCREAMERS FOR "CIVIL RIGHTS" HAS EVER MURMURED AGAINST THE PARCER
SEDITION TRIAL which was solely a persecution against critics of the Jew Deal.

Channing Heggie Tobias

Another of the Civil Rightsers, Stalin model, chosen by our dear President, is that
faithful wheel horse of the Soviet-kissing movement, Negro Channing Heggie Tobias.
He has 29 Red front listings in the Dies 1944 report. He was a member of the execu-
tive board of the Communist Party's American League for Peace and Democracy which
advocated sabotage, mutiny and insurrection in the armed forces for the setting
of a Soviet government in the USA. I attended one of their conventions at which
Harry Ward, its national chairman, presided and read notes from members of the
armed services handed up from the audience pledging aid to Red revolution in time
of war. Earl Browder, national vice-chairman, was introduced as needing no intro-
duction other than our "vice-chairman" and he was greeted by a standing ovation
and the singing of the anti-religious International with clenched fists. Banners
various units of the Communist Party banked the stage.

Tobias is member of the Council on African Affairs headed by Communist Paul Robeson
who educated his child in Soviet Russia. Tobias likes to sign appeals for American
Soviet Friendship - that is friendship with the regime that allows just one "civil
right", the right to worship Stalin or be bumped off without judge, jury or trial.
The only time trials were thought necessary were for propaganda purposes. The little
old Black Maria at 3 A.M. the firing squad and shovel are the routine.

Tobias was speaker at the Nation Associates rally to restore Red Spain (where
and churches can be torn to bits for diversion) 1/2/45; he has been on the advisory
board of that Jewish-Communist propaganda magazine which takes the name of "Freedom"
without representing a single Protestant denomination - it has become even the
for the Jews whose anti-Catholic work it was doing until it attracted too much
notice. He is a director of the Communist-Carland-Fund-supported National Assoc-
for the Advancement of Colored People, addressed by our dear President on "Civil
Rights" - "a fair trial in a fair court" for EVERYONE except the little and
victims of the mass "sedition trial" which Truman is having kept in secret
appealing the dismisals of the indictments in two courts to the American people.

Another of our dear President's Civil Rightsers is Mrs. M. E. Tilly, member of the...
...Executive committee of the Methodist Federation for Social Service which, as stated...

Relations, Woman's Society of Christian Service, South-western Jurisdiction, the Methodist Church, Atlanta, Georgia."

Another of dear Truman's Soviet-loving Civil Righters is Episcopal Bishop Henry L. Sherrill. COMBINING SOVIET-KISSING WITH CIVIL RIGHTS IS LIKE TRYING TO COMBINE OIL AND WATER. It is to laugh! Mocking around about "civil rights" while leading the regime that denied all civil rights is nauseous. It is like Truman's "fight" against Communism by continuing Lend-Lease aid to Soviet-dominated countries including Russia itself. Just re-read the poem at the beginning of this bulletin.

Sherrill is twice listed in the Dies Committee Report for his sponsorship of American Soviet Friendship rallies. He was an ardent warmonger as member of the William Allen White Committee and his Massachusetts Committee of 1000 called for a "peace founded on justice and maintained by the firm and concerted action of all peace-loving nations" with warnings against the parochial attitude of the nasty "isolationist groups which were so assertive prior to Pearl Harbor." (Boston Herald 12/26/43). Sherrill is listed among officers and directors of this last outfit.

Sherrill was a national sponsor of the Non-Sectarian Committee for German Refugee Children which proposed to bring in 20,000 German refugee children during 1939-40. Jews and radicals of all hues made up its personnel. He was a committeeman of the Boston branch of the American Committee for Christian German Refugees headed by the very Red Thomas Mann who was member of the world committee set up by Moscow, called the International Writers' Association in Defense of Culture (a la Moscow). See on page 60 of my book THE ROOSEVELT RED RECORD AND ITS BACKGROUND the reproduction of the Communists' Daily Worker account of this world organization for Red propaganda.

Sherrill was sponsor of the American Medical Bureau for Medical Aid to China. American Women Against Communism registered a protest with the New York 1940 World's Fair president, Harvey D. Gibson, concerning this Bureau's misuse of the American flag. To quote in part: "No greater insult to the American Flag has come to our attention than the grotesque painting on the wall of the Bureau in question. In an effort to promote the Bureau's program, a reproduction of the American Flag has been 'revised' to cover a map of the United States, on which are implanted small paper banners indicating cities where the Bureau has local connections. Frankly the Bureau has produced a huge monstrosity which will certainly be applauded by the Communists and others who propagate ideologies that are alien to all that the American Flag symbolizes. You must know, too, that the Communist Party of the United States and of the Soviet Union wholeheartedly endorse the work of the Bureau..." (Phila. Enquirer 7/8/40)

Soviet-loving Sherrill will certainly defend the one "civil right" allowed by Stalin. (Applauding Stalin.) How many more?

Marxism and Plutocrats

It takes years to get over the connections between Marxism, or the capitalist state machine movement, and rich plutocrats: the Kuhn Loeb and Co. international Jewish bankers financing the Red Russian revolution; the Rockefellers financing the Red center, the University of Chicago and its International House where Soviet films are shown, etc. My mother knew old John D. Rockefeller when they were both young and after reading a Communist poem to the effect - let there be barricades, let the blood flow, let the Rockefellers drink, not to their New Year but to their LAST New Year dinner - I sent a copy of this poem to John D. writing that it was printed by Novy Mir, Communist paper and told him Prof. Robert Morse Lovett's connection with the red Garland Fund which financed Novy Mir. Lovett was an organizer of the Garland Fund and very Red University of Chicago professor at that time. I received a terse reply that they did not seek to influence teaching policies of the institutions they finance!

Just why Harry Hopkins, who drooled Jewish Marxism with every breath, should have backed Nelson Rockefeller, son of John D. Jr., for Co-ordinator of Latin American affairs, is one of those under-the-table mysteries. Whereas Communist friends

conference rooms. Police report that the swines failed to use the toilets a
distance away and left the walls and floors of the room in a vile filthy condition.

Haas has been a director of the American Association for Social Security headed
red Bishop Mc Connel and long directed by the red Jew Abraham Epstein. Rabbi Wise's
daughter, Justine Wise Talin was at the same time one of the vice-presidents and
the red Rabbi himself a fellow director with Haas.

"Catholic?"
The Commission on American Citizenship of the Catholic University has a rank red
Jewish smell for an outfit bearing the word "Catholic". With Haas on the executive
committee we find as members of this "Catholic" committee such names in its
"Annual Report" as "Charles A. Lewis, M.D., President, Philadelphia Council, National
Negro Congress" (The National Negro Congress is a Communist Party outfit.)
Also Henry Monsky who, until his recent death, was international head of anti-Christi-
ian pro-Red B'nai B'rith. His Satanic-looking picture appears in my book THE
B'nai B'rith magazine honors every Red Jew and told how its propagandist Lee
Levinger's son Samuel was honored by Haas's little playmates, Rabbi Wise and Communist
son James Waterman Wise, for dying fighting with the Red churchburners and killers
of Catholic clergy in Spain. (3/38 issue p. 234)

Monsky's B'nai B'rith is active in demanding banning of Christmas carols and Easter
celebrations from schools and forcing deletion from Passion Plays of Scriptural
ages unflattering to Jewry. Its colossally-financed Anti Defamation League maintains
an army of snoopers and keyholders, to threaten persecute or reward any Christian
preacher, speaker, editor or writer, in accordance with whether or not they obey the
demands of Jewry. Any Jew who sends even a greeting card at Christmas time is
nounced. I wonder why "Catholics" need the head of such an outfit? Or does B'nai
B'rith need to control Catholics?

Another of the members of this "Catholic" committee, run by an executive committee
three, Haas being one, is the Jew Roger Strauss, co-chairman of B'nai B'rith's
National Conference of Christians and Jews; member of the rich American Jewish Com-
ittee which combines with B'nai B'rith in raising \$6,000,000 this year in the Joint

sponsored the American Guild for German Cultural Freedom which appealed for aid
such Jewish Reds as the late Communist Ernst Toller, former leader of the bloody
Bavarian Soviet; his wife a Guggenheims, Strauss is trustee of the Guggenheims
which aids leading Reds.

Another member of Haas's "Catholic" committee was the the Russian-born Red Jew
Sidney Hillman, praised by that supreme butcher of Christians, Lenin, for his
raising for Soviets after the Red Revolution. Sidney likewise helped finance
Red churchburners and killers of Catholic clergy in Spain by his Amalgamated Clothing Workers (November 1/1/33); he also collected \$100,000

Catholic Assn. for Intl. Peace
This "pacifist internationalist organization" as stated in my RED NEW YORK, is "dis-
posed, no doubt, for the most part of perfectly sincere, non-radical, Christian pac-
ifists." The description goes on to state, however, that John A. Ryan is at the same
time one of the three book editors of the very radical National Religion and Labor
Foundation responsible for distributing such Communist literature as Wm. Z. Foster's
Toward Soviet America, Little Lenin Library, etc. He was, in fact, on the Labor Defense
Council (see reproduction of its letterhead p. 182 of my RED NEW YORK) along with Wm.
Z. Foster and the head of the Party, ... in 1923, organized to defend the
Bridgman Communists, later called the Intl. Labor Defense, Moscow's legal arm. As
I told Msgr. Moglioni (spelling?) at the Vatican in 1938, Ryan's picture had appeared
so many times in the Daily Worker, they may have worn out the plates. Others like
Ryan function in the Catholic Assn. for Intl. Peace.

Civil Rightser Haas has been president of the Catholic Assn. for Intl. Peace. If you
want to read raw, drooling Jewish propaganda, you should read the booklet put out
by them in 1945 entitled "Catholics and ... it would make criminals of the Pope
who warned against and segregated the Jews in centuries past. The eulogy of anti-
... B'nai B'rith (pp. 49-51) is fit to describe a saint and ends with this:
"There can be no doubt that B'nai B'rith, by giving many Jews the opportunity to
realize and save their spiritual consciousness, has contributed materially to the
cultural and social betterment of the whole community of the United States."

lives (p. 57). Christ denounced the Talmud ... compiled by the schools

...saying they were "holding the word of God in their hands" (Mark 7:13). Read Chapter 8 of the Gospel of St. Mark, etc. Such tripe as this appears in "Catholics and Jews" primarily by the ties of a religious relationship which "did not contact with us," Christ (Matthew 23) did not seek this, also ceased to be a true disciple of his Divine Master when he looked at Jews with the eyes of faith." (p. 24)

"Sedition Trial"

...calling the 30 indicted ones "American Nazis", this booklet uses the name B'nai B'rith lies used in the "Sedition trial". It goes on: "It is true that the leaders and followers of these hate-groups were of no stature and of little influence even in smaller communities but it is equally true that libels and statements, scattered broadcast among tens of thousands of Americans, to the effect that the government of the United States considered it important enough to take action against the damaging nature of these activities. It indicted and prosecuted the leaders of these hate-groups on the ground of subversive and disloyal activities."

Notes: There you have it! Criticism of Jewry was to be made "Sedition" as in (see Russia, E.D.) "Specifically it charged them, among other counts, with declaring that the major political parties, Congress and public officials 'were controlled by communists, international Jews and plutocrats'. Such assertions, called 'subversive' by the Department of Justice, follow the well-known Nazi pattern of giving a dog a bone and then beating him."

The Popes

...the well known anti-Jewish measures of the Papacy during the Middle Ages, would this "Catholic" booklet do about Pope Julius III (1550-55) who had the Talmud confiscated and burned; Pope Paul IV (1555-58) who renewed the anti-Jewish regulations of the Middle Ages, ordered Jews to have but one synagogue in any city and to wear the distinguishing "Yellow Hat"; Pope Pius IV (1559-65) who relaxed these regulations only to have his successor reenact them and expel all Jews from Papal States; Pope Clement VIII (1592-1604) who enforced the anti-Jewish regulations and confiscated almost all Hebrew literature, enforced segregation and excluded Jews from positions in his dominions; Pope Urban VIII (1623-1644) who confiscated Jewish books and graves in Jewish cemeteries; Pope Innocent XI (1676-1689) who forbade Jews of Rome to engage in banking transactions; Pope Benedict XIV (1740-1757) who issued a decree against Jewish literature and enforced the ghetto system; Pope Pius VI (1775-1798) who reenacted the anti-Jewish regulations in his Editto sopra gli Ebrei; Popes Pius VII, Leo XII, Pius VIII, Gregory XVI (1800-46) who strictly enforced the anti-Jewish measures; Pope Pius IX who relaxed them had to reimpose the anti-Jewish regulations until Victor Emmanuel captured Rome in 1870?

Talmud

...note the original Talmud, Jewry calls as "scurrilous". Who is responsible for referring to the Talmud as a "religion"? Not I. Its teachings are reflected in the following poem entitled "FOR ALL THAT EVER HAS BEEN OURS" by Sicha Landau, printed in "A GOLDEN TREASURY OF JEWISH LITERATURE - Selected and Edited by S. S. Schwartz, published 1937 by Farrar and Rinehart:

Gentlemen:

May I offer a suggestion for curbing Reds in
this country, namely-Television-

The enclosed clipping will, no doubt, bring to
mind the cancellation of Eleanor's TV program by N.B.C.
Broadcasting co. due to the many protests against her
having as her special guest, Paul Robeson.

The Reds realize the great medium of Television,
and I think it is the patriotic duty of the Broadcasting
Stations to refuse time to anyone with Red connections.

The cries of "Free Speech" will go up of course,
but "Free Speech" to destroy American ideals should not
be permitted.

If only the F.B.I. could have a free hand, this
country would again gain the respect of the world.

Very truly yours,

Los Angeles, 5, Calif.

Reds in State Dept. 'Nonsense' Says Mrs. FDR.

LOUISVILLE, Ky., March 15.—

(AP)—Mrs. Eleanor Roosevelt called charges of Communism in the State Department "utter and complete nonsense" in an interview here today.

Mrs. Roosevelt also was asked to comment on cancellation of her television show on which singer Paul Robeson was to have appeared.

"I don't handle the show," she replied. "My son, Elliott, and another man do. I think probably the people who protested Mr. Robeson's appearance didn't realize that he wouldn't have had unlimited time to express his point of view."

"It was to have been a general discussion on 'the position of the Negro in American political life.'"

"The idea back of it was the CP party with a large group of unions, such as Mr. Robeson's Progressive Party, should have a say."

INTERNATIONAL ASSEMBLY OF WOMEN

New York, N.Y.
September 10, 1946.

The International Assembly of Women will meet on invitation only at the little New York village of South Kortright starting October 15, 1946.

The chief sponsor is Eleanor Roosevelt and she has the backing of 19 women's organizations here in the country, including the National Farmers Union-Women's department, also the Congress of American Women, office Capital Hotel, 51st & 5th Ave., New York City.

This latter group is one of the outstanding Communist from "top to bottom" organizations in the country. Started and fostered by the Womens Division of S.C.C.I. of Moscow.

We give these facts on this outfit, because they are playing quite an important part in the Kortright affair. We might also mention that this conference will be impossible to "crash" No doubt they are holding it in such a small place so they will be able to spot strangers and possible spys.

[Redacted] (Red) national director of education for National Farmers Union will be the official person at the conference. This woman slips into the New York milk shed to meet with Wright quite frequently. They want to set up an outfit to line up the young people. The conference will have foreign delegates present. Reason we elaborate on this is that these red inclined intellectual busy-bodies have mixed in the milk and dairy situation a lot.

In the New York shed [Redacted] as well as Eleanor Roosevelt have stirred up things. Each and every one of these except Eleanor are out and out Reds.

In the Philadelphia shed Mrs. Elinor Gimbel and Susan B. Anthony had their nose in the milk business.

The supposed agenda of the conference is;

Co-operative Organisations Further Efforts to aid the Program of the United Nations Organisations.

NOTE: In connection with all these affairs there is a book that is being boosted a plenty by the NFU and these intellectual women's groups. It is

RE: AMTORG TRADING CORPORATION
ESPIONAGE - R

Dear Sir:-

The New York Daily News for October 28, 1942 contained a newspaper article stating that President Roosevelt exerted marital, as well as official authority to keep Mrs. Eleanor Roosevelt from visiting Russia at the conclusion of her visit to England, and the article revealed that information was received from a "most reliable source" concerning the substance of this article. The article contains additional data concerning the matter and the newspaper clipping is being filed in the newspaper section of this case.

For the information of the Bureau, it might be stated that Confidential Informant [redacted] submitted a report dated October 21, 1942, at Washington, D.C., and in the same he wrote the following: "RUSSIAN REPORTS HERE TELL ME THAT ELEANOR WILL ALSO PAY A VISIT TO THE SOVIET UNION (That is strictly confidential)."

The above is being furnished the Bureau merely for information purposes.

POMERANZ ASKS ASSISTANCE OF MRS. ELEANOR ROOSEVELT IN OBTAINING AN EXIT VISA FOR DR. RUDEL.....	20-22

U

NY 100-62117

By letter written November 22 and 24, 1944, Dr. HUDEL suggested to POMERANZ that he write a letter to Mrs. ROOSEVELT and present the facts before her, in a frank and human way, and to have some of his influential friends add a few words. Dr. HUDEL expressed her disappointment at the full realization of the fact that POMERANZ would be unable to join her. (U)

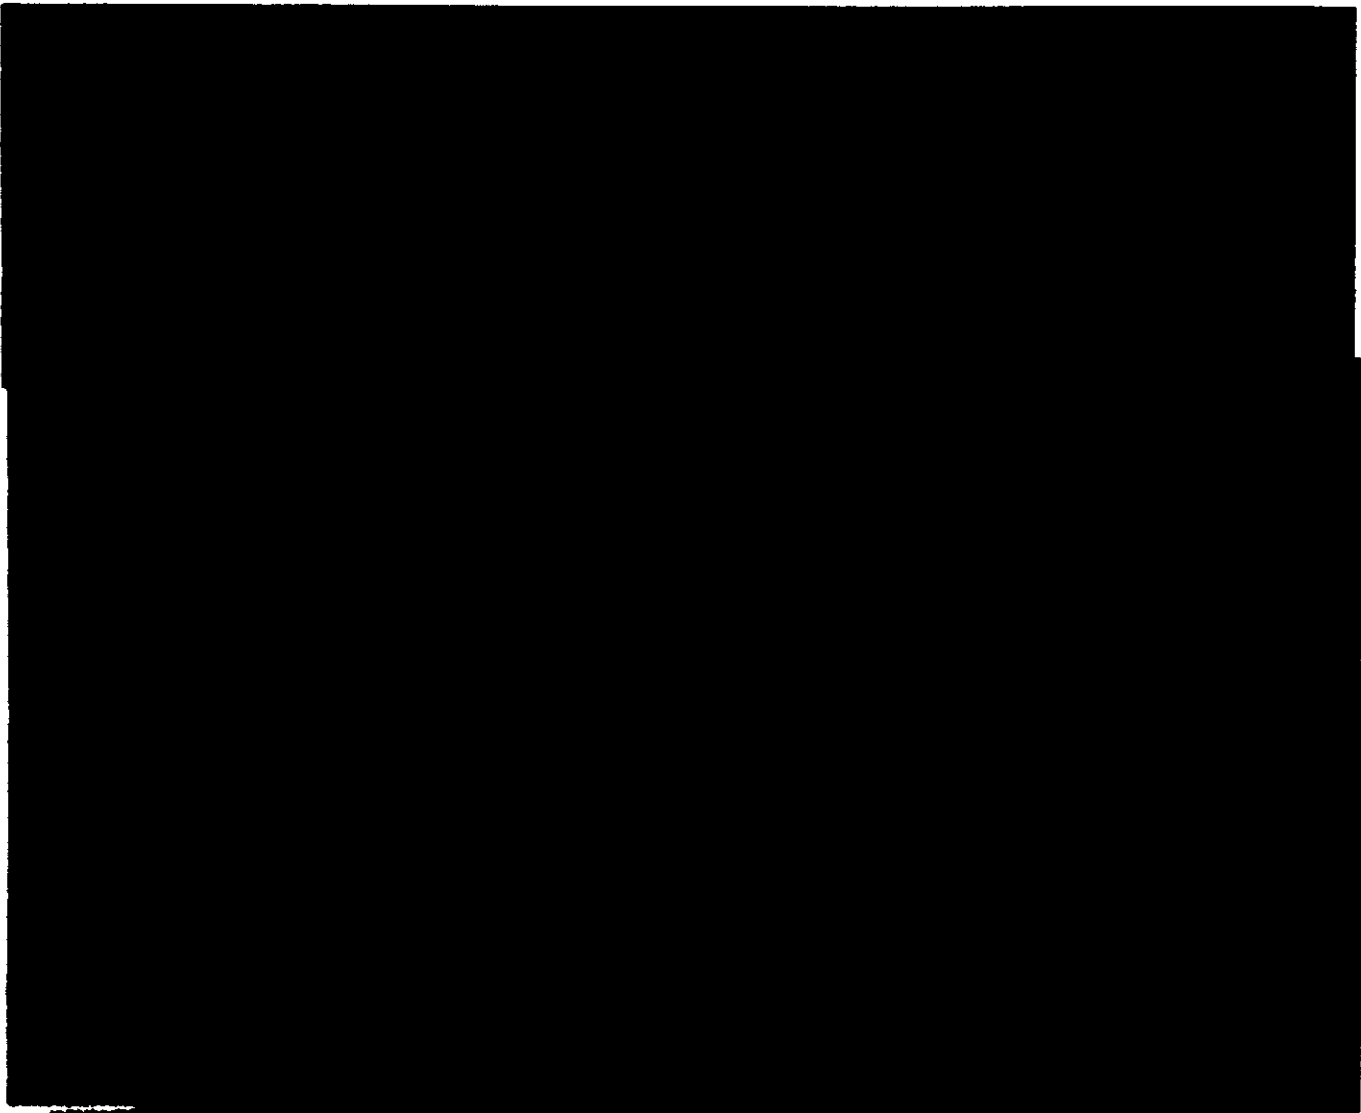

She continued this letter two days later at which time she said: She had received a letter from her lawyer telling her that it was hopeless and that he had given her some strange explanations, which she did not believe and which depressed her very much. (She is apparently referring to her attempts to get an exit visa from the United States.) She then suggested to POMERANZ that he discard her suggestion of writing to Mrs. ROOSEVELT if

NY 100-62117

he believed it would not further the matter but that if he still considers it, then he should emphasize that he is not given the opportunity to come to this country.

Dr. RUDEL was of the opinion that a similar letter should be written to the "SOCIETY FOR HUMAN RIGHTS" in New York. She also mentioned that she had seen, that day, some friends of BUNI, in the matter of POMERANZ's petition for work and in this regard stated: "I have not mentioned to them the letter from the lawyer because I am afraid that it might be damaging even if it materializes."

NY 100-62117

On December 14, 1944 POMERANZ wrote HUDEL that she should write to Mrs. ROOSEVELT because he wants HUDEL with him. (u)

NY 100-62117

[REDACTED]

On December 21, 1944 POMERANZ urged RUDEL to write to Mrs. ROOSEVELT to end the separation between them. (RUDEL and POMERANZ). POMERANZ criticized the scientists in Costa Rica as being ignorant and inquired about recent developments made by Argentine scientists.

[REDACTED]

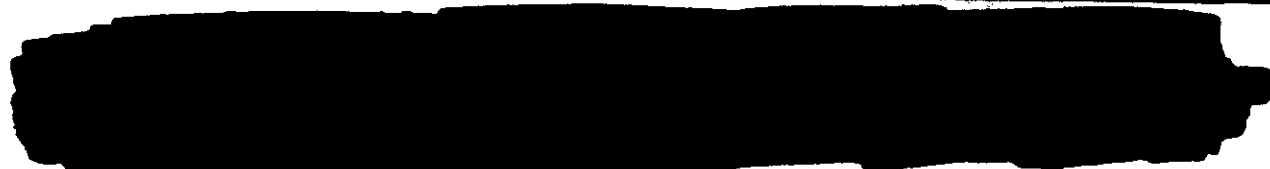

[REDACTED]

NY 100-62117

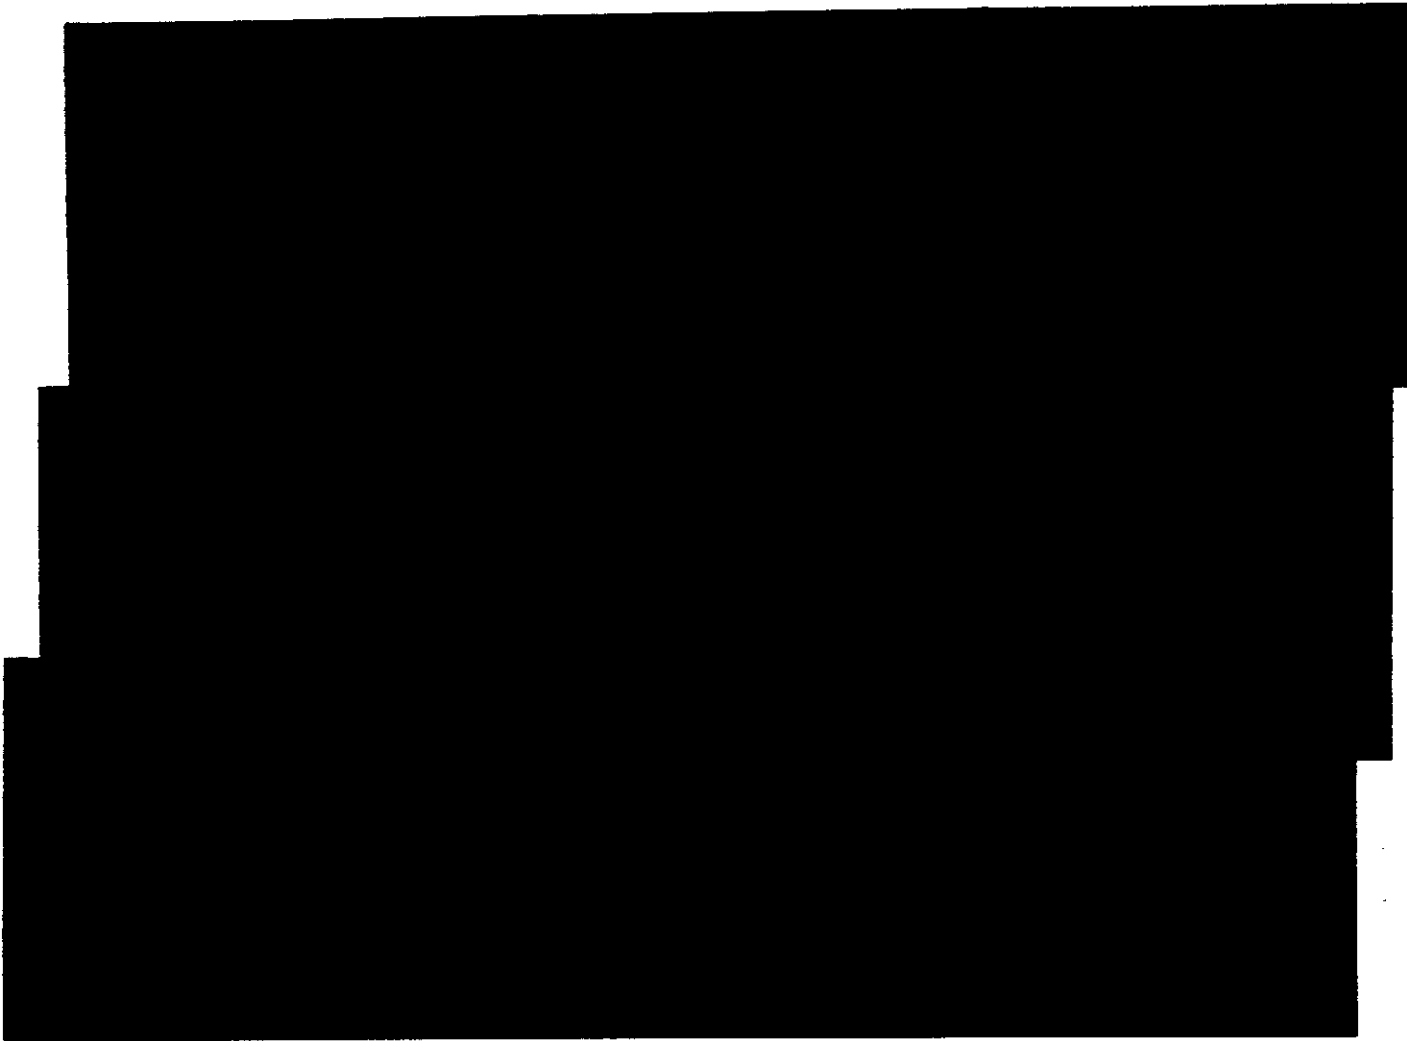

POMERANZ went on to chide Dr. RUDEL about having written to Mrs. ROOSEVELT without having first discussed the matter with him. He said, however, he would write to Mrs. ROOSEVELT although he abhors making petitions of this kind and does not believe it will help. He said he was doing so because it was Dr. RUDEL's wish and that he did not intend to overlook the slightest possibility. He said that he would compose the letter and ask AUDREY'S mother to correct it. He said that he would also ask the lawyer to write to his friends, which might be helpful. (D)

He said, further, that he would not write to the State Department as these gentlemen are not interested otherwise they would have surmised that he wanted to be with his wife since only he could have been instrumental in arranging for the intervention of the Costa Rican Ambassador and the "CAJA."

POMERANZ ASKS ASSISTANCE OF MRS. ELEANOR ROOSEVELT
IN OBTAINING AN EXIT VISA FOR DR. RUDEL

By letter dated February 15, 1945 POMERANZ advised Dr. RUDEL of efforts being made to obtain her visa and also that he had mailed the following letter to Mrs. ELEANOR ROOSEVELT:-

"Dear Mrs. Roosevelt:
