<sup>1</sup>The student enrollment figures provided by the United States Department of Education are for the 2000 school year, the most recent available. The enrollment figures include full-time and part-time students. See Appendix I for details.

<sup>2</sup>Violent crimes are offenses of murder, forcible rape, robbery, and aggravated assault.

<sup>3</sup>Property crimes are offenses of burglary, larceny-theft, and motor vehicle theft. Arson is not included in the property crime total. If the FBI does not receive 12 months of arson data from either the agency or the state, no arson will be shown.

<sup>4</sup>Student enrollment figures were not available.

<sup>5</sup>Limited data for 2002 were available for Illinois and Kentucky.

NOTE: Caution should be exercised in making any inter-campus comparisons or ranking schools, as university/college crime statistics are affected by a variety of factors. These include demographic characteristics of the surrounding community, ratio of male to female students, number of on-campus residents, accessibility of outside visitors, size of enrollment, etc.
