

	Stamp	Applicable Regulations
	Title 27 CFR 178.92 requires that within 15 days after release from Customs custody, each firearm imported shall be identified by engraving or casting on the frame or receiver the serial number, and on the frame, receiver or the barrel, the following (1) model, (2) caliber or gauge, (3) name of manufacturer and country where manufactured and, (4) the name, city and State of the importer.	27 CFR 178.92

	This permit is issued under the condition that the applicant establishes to the satisfaction of the U.S. Customs Service that he/she is a military member of the U.S. Armed Forces on active duty outside the United States, or that he/she was a military member of the U.S. Armed Forces on active duty outside the United States within 60 days of the importation. This permit also is	27 CFR 178.114

	issued under the condition that the firearm(s)/ ammunition is intended for the personal use of the military member and is being imported to the place of residence of the military member.	
	NOTE: This permit does not authorize the importation of the model PPK semiautomatic pistol. However, it does authorize the importation of a model PPK/S. The model designation is found on the left side of the slide. If the PPK/S is in .22 caliber target grips with a contoured thumb rest must be incorporated.	18 U.S.C. 925(d)(3)
	NOTE: This permit does not authorize the importation of small arms, cannon, or ammunition, including the frame or receiver of any firearm or cannon.	18 U.S.C. 925(d)(3) 26 U.S.C. 5844
	Not to include fully automatic firearms.	26 U.S.C. 5844
	Conditional Importation – Per Attachment (Letter attached CBW, FTZ, ATF examination, etc.)	27 CFR 178.116 27 CFR Part 47
	Disapproved (With a letter of explanation)	N/A
	Not for Resale	27 CFR 178.44 27 CFR 47.31
	NOTE: No firearms, frames, receivers or actions for firearms are authorized for importation under this permit.	18 U.S.C. 925(d)(3) 27 CFR 178.44
	NOTE: This is to certify that this is a true attachment to the valid international import certificate No. _____	N/A

	issued to the applicant.	
	NOTE: This permit does not authorize the importation of ammunition or ammunition components if they contain a tracer or incendiary elements.	18 U.S.C. 925(d)(3)
	NOTE: This permit does not authorize the importation of tank small arms, cannon or ammunition, including the frame or receiver of any firearm or cannon.	18 U.S.C. 925(d)(3) 26 U.S.C. 5844
	Please see reverse side for importation restriction(s).	N/A
	Bureau of Alcohol, Tobacco and Firearms Department of the Treasury	N/A
	NOTE: This permit does not authorize the importation of the Walther model P38 pistol in 9mm unless it possesses a serial number of at least 5 digits. If the serial number is less than 5 digits in 9mm, it is a surplus military curio and relic firearm and may only be imported by a Federal licensed importer. However, importation is authorized if it possesses 4 digits in the serial number and is in caliber 22LR or 7.65mm.	18 U.S.C. 925(d)(3) 27 CFR 178.118(e)
	VOID – for permits returned without action	N/A
	NOTE: This permit authorizes the importation of the Walther model PP semiautomatic pistol in either .32 (7.65MM) or .380 9MM Corto/Short) calibers but not in .22 LR caliber without a target trigger and target grip with a contoured thumb rest. This permit does not authorize the importation of the model PPK Walther semiautomatic pistol in any caliber. The model	18 U.S.C. 925(d)(3)

	designation will be found on the left side of the slide of the firearm.	
	NOTE: This permit does not authorize the importation of a shotgun with a barrel of less than 18 inches in length or an overall length of less than 26 inches or a shotgun having a magazine capacity of more than 5 cartridges. Further, this permit does not authorize the importation of a shotgun regardless of barrel length and overall length if the shotgun is equipped with a detachable folding shoulder stock or is not designed to be fired from the shoulder.	18 U.S.C. 925(d)(3) 26 U.S.C. 5844
	NOTE: The distribution of the large capacity feeding devices imported pursuant to this permit is subject to the provisions of Title 27 CFR §178.40a. Title 27 CFR §178.92 requires that within 15 days after release from customs custody, each large capacity ammunition feeding device imported pursuant to this permit shall be legibly identified with a serial number. You may use the same serial number for all large capacity ammunition feeding devices so imported. Further, each large capacity ammunition feeding device imported pursuant to this permit shall be marked with "Restricted Law Enforcement /Government Use Only."	27 CFR 178.92(c)
	RESTRICTION: This permit authorizes the importation of the firearm(s) described hereon for sale and delivery only to the recipient specified. The firearm(s) are not to be sold or delivered through any Federal firearms	26 U.S.C. 5844 18 U.S.C. 922(o)

	licensee who is not also qualified as a Special (Occupational) Taxpayer under Title II of the Gun Control Act of 1968 (26 U.S.C. Chapter 53). The firearm(s) can be transferred only to another qualified law enforcement agency upon approval by the Director, Bureau of Alcohol, Tobacco and Firearms.	
	<p>This permit authorizes the importation of the National Firearms Act firearm(s) described for use as a sales sample(s) only and not for resale or disposition other than as described below. The annotation “sales sample(s) only, not for resale” will appear on the face of the Form 3 application to transfer the firearm(s) to the special (occupational) taxpayer listed below as the recipient. Prior to the recipient going out of business or allowing his/her special (occupational) tax stamp to expire, he/she must dispose of the machine gun(s) as provided by 27 CFR 179.105 to a law enforcement agency, the importer or another special (occupational) taxpayer, or by abandonment to ATF.</p> <p>Authorized recipient: _____</p>	<p>26 U.S.C. 5844 27 CFR 179.105</p>
	NOTE: This permit does not authorize the importation of any aircraft cannon, machinegun, or other aircraft armament, including the frame, action or receiver for same.	<p>26 U.S.C. 5844 18 U.S.C. 925(d)(3)</p>
	NOTE: This permit does not authorize the importation of the ammunition described thereon if: (1) It has a projectile or projectile core which may be used in a handgun and which is constructed entirely (excluding the presence of traces of other substances) from one or a	<p>18 U.S.C. 925(d)(3) 18 U.S.C. 922(a)(7)</p>

	combination of tungsten alloys, steel, iron, brass, bronze, beryllium, copper, or depleted uranium; or (2) a full jacketed projectile larger than .22 caliber designed and intended for use in a handgun and whose jacket has a weight of more than 25 percent of the total weight of the projectile.	
	NOTE: Your State of residence may require a permit or other authorization to possess or own handguns in that State. However, this permit does not authorize the importation of handguns into Washington, D.C.	27 CFR 178.114 (a)(2)
