gram), in connection with any program or activity receiving Federal financial assistance from the Department of Energy (after this referred to as DOE or the Department). Employment coverage may be broader in scope when section 16, section 401, or Title IX are applicable.

Such assurances are to include provisions which give the United States a right to seek judicial enforcement.

(b) *Duration of obligation*. (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structure on the property, the assurance obligates the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance obligates the recipient for the period during which it retains ownership or possession of the property.

Where Federal financial assistance is provided in the form of real property, structures, improvements on or interests in the property, or in the case where Federal financial assistance is provided in the form of a transfer of real property or interest in the property from the Department:

(1) The instrument effecting or recording this transfer is to contain a covenant running with the land to assure nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits; or

(2) Where no transfer of property is involved or imposed with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (c)(1) of this section in

the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant is to also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a material breach of the covenant. If a transferee of real property manages to mortgage or otherwise encumber the real property as security for financing construction of new or improvement of existing facilities on the property for the purpose for which the property was transferred, the Director may, upon request of the transferee and, if necessary to accomplish such financing and upon such conditions, as he or she deems appropriate, agree to forbear the exercise of the right to revert title for so long as the lien of the mortgage or other encumbrance remains effective.

(d) *Assurances from government agencies.* In the case of any application from any department, agency or office of any State or local government for Federal financial assistance for any specified purpose, the assurance required by this section is to extend to any other department, agency, or office of the same governmental unit if the policies of such other department, agency, or office will substantially affect the project for which Federal financial assistance is requested. That requirement may be waived by the responsible Department official if the applicant establishes, to the satisfaction of the responsible Department official, that the practices in other agencies or parts of programs of the governmental unit will in no way affect:

(1) Its practices in the program for which Federal financial assistance is sought;

(2) The beneficiaries of or participants in or persons affected by such program; or

(3) Full compliance with the subpart as respects such program.

(2) Provide for such methods of administration as are found by the Director or a designee to give reasonable assurance that the primary recipient and all other recipients of Federal financial assistance under such program will comply with this part.

(g) *Assistance for construction.* Where the assistance is sought for the construction of a facility, or a part of a facility, the assurance is to extend to the entire facility. If a facility to be constructed is part of a larger system, the assurance is to extend to the larger system.

(h) *Pre-award review.* Prior to and as a condition of approval, all applications for Federal financial assistance are to be reviewed by the appropriate Civil Rights Department official who is to make a written determination of the applicant's compliance with this part. The basis for such a determination is to be the submission of the assurance of compliance as specified in paragraph (a) and a review of data to be submitted by the applicant as specified by the Director. For purposes of this subsection, the appropriate departmental

Department of Energy

§ 1040.6

official at headquarters level is the Director, FAPD, Office of Equal Opportunity, and at the regional level it is to be the Civil Rights Officer delegated by the Director as having review authority for determining compliance with requirements of this part. Where a determination of compliance cannot be made from this data, DOE may require the applicant to submit necessary additional information and may take other steps necessary to make the determination of compliance. Such other steps may include, for example, communicating with local government officials or protected class organizations and field reviews. Any agreement to achieve voluntary compliance as a result of a preaward review shall be in writing. In the case of Title VI, the Director will notify the Assistant Attorney General of instances of probable noncompliance determined as the result of application reviews. The opportunity for a hearing as provided under § 1040.113 is applicable to this section.

§ 1040.5 Designation of responsible employee.

(a) Designation of responsible employee. Each recipient shall designate at least one employee to coordinate its efforts to carry out its responsibilities under this part. The recipient shall publish the name, office address and telephone number of the employee or employees appointed under this paragraph.

(b) A recipient shall display prominently, in reasonable numbers and places, posters which state that the recipient operates a program or programs subject to the nondiscrimination provisions of applicable subparts, summarize those requirements, note availability of information regarding this part from the recipient and DOE, and explain briefly the procedures for filing a complaint. Information on requirements of this part, complaint procedures and the rights of beneficiaries are to be included in handbooks, manuals, pamphlets, and other materials which are ordinarily distributed to the public to describe the federally assisted programs and the requirements for participation by recipients and beneficiaries. To the extent that recipients are required by law or regulation to

publish or broadcast program information in the news media, the recipient shall insure that such publications and broadcasts state that the program in question is an equal opportunity program or otherwise indicate that discrimination in the program is prohibited by Federal law.

(c) Where a significant number or proportion of the population eligible to be served or likely to be directly affected by a federally assisted program requires service or information in a language other than English in order to be informed of or to participate in the program, the recipient shall take reasonable steps, considering the scope of the program and size and concentration of such population, to provide information in appropriate languages (including braille) to such persons. This requirement applies to written material of the type which is ordinarily distributed to the public. The Department may require a recipient to take additional steps to carry out the intent of this subsection.

§ 1040.6 Notice.

(a) A recipient shall take appropriate, initial and continuing steps to notify participants, beneficiaries, applicants and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of race, color, national origin, sex (where sec. 16 or sec. 401 apply), handicap, or age. The notification is to state, where appropriate, that the recipient does not discriminate in admission or access to, and treatment of, or employment in its programs and activities and inform employees of their rights under this part. The notification is to include an identification of the responsible employee designated under § 1040.5. A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publications, and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

(c) The provisions of § 1040.5(c) to provide information in appropriate languages (including braille), apply to this section.

§ 1040.7 Remedial and affirmative action and self-evaluation.

(a) *Remedial action.* If the Director finds that a recipient has discriminated against persons on the basis of race, color, national origin, sex, handicap, or age in any program or activity receiving Federal financial assistance, the recipient shall take remedial action as the Director considers necessary to overcome the effects of the discrimination.

(b) *Affirmative action.* In the absence of a finding of discrimination on the basis of race, color, national origin, sex, handicap, or age in any program or activity, a recipient may continue a program that will encourage participation by all persons regardless of race, color, national origin, sex, handicap, or age.

(c) *Self-evaluation.* Each recipient shall, within one year of the effective date of this part:

(1) Whenever possible, evaluate, with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons, its current policies and practices and the effects thereof that do not or may not meet the requirements of this part;

(2) Modify any policies and practices which do not or may not meet the requirements of this part; and

(3) Take appropriate remedial steps to eliminate the effects of discrimination which resulted or may have resulted from adherence to these questionable policies and practices.

(d) Availability of self-evaluation and related materials. Recipient shall maintain on file, for at least three years following its completion, the evaluation required under paragraph (c) of this section, and shall provide to the Director, upon request, a description of any modifications made under paragraph (c)(2) of this section and of any remedial steps taken under paragraph (c)(3) of this section.

§ 1040.8 Effect of employment opportunity.

Due to limited opportunities in the past, certain protected groups may be underrepresented in some occupations or professions. A recipient's obligation to comply with this part is not alleviated by use of statistical information which reflects limited opportunities in those occupations or professions.

Subpart B—Title VI of the Civil Rights Act of 1964; Section 16 of the Federal Energy Administration Act of 1974, as Amended; and Section 401 of the Energy Reorganization Act of 1974

§ 1040.11 Purpose and application.

(a) The purpose of this subpart is to implement title VI of the Civil Rights Act of 1964 (title VI) and the pertinent regulations of DOE so that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity receiving Federal financial assistance of the type subject to title VI. This subpart also implements section 16 of the Federal Energy Administration Act of 1974, as amended (section 16) and section 401 of the Energy Reorganization of 1974 (section 401) so that no person shall be excluded on the ground of sex from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance subject to section 16 or 401. The coverage of employment practices is explained in § 1040.14.

(b) The application of this subpart is to delivery of services by and the covered employment practices of recipients and subrecipients administering, participating in, or substantially benefiting from any program or activity receiving Federal financial assistance under laws administered by DOE covered by title VI. In addition to services and employment practices, this subpart applies to any activities of recipients or subrecipients receiving Federal financial assistance subject to section 16 and section 401.

§ 1040.12 Definitions.

(1) Under title VI, such practices are those which:

(i) Exist in a program where a primary objective of the Federal financial assistance is to provide employment; or

(ii) Cause discrimination on the basis of race, color, or national origin with respect to beneficiaries or potential beneficiaries of the assisted program.

(2) Under section 16 and section 401, such practices include, but are not limited to, employment practices covered by title VI when alleging discrimination on the basis of sex. All employment practices of a recipient or subrecipient of Federal financial assistance subject to section 16 and section 401 are covered employment practices.

(b) *Title VI* refers to title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d *et seq.* which prohibits discrimination on the ground of race, color or national origin in programs and activities receiving Federal financial assistance. The definitions set forth in §1040.3 of subpart A to the extent not inconsistent with this subpart, are applicable to and incorporated into this subpart.

§ 1040.13 Discrimination prohibited.

(a) *General.* No person in the United States shall be excluded on the ground of race, color, national origin, or sex (when covered by section 16 or section 401), from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this subpart applies.

(b) *Specific discriminatory action prohibited.* A recipient under any program to which this subpart applies may not, directly or through contractual or other arrangements, on the ground of race, color, national origin or sex (when covered by section 16 or section 401):

(1) Deny any individual any disposition, service, financial aid, or benefit provided under the program;

(2) Provide any disposition, service, financial aid, or benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(3) Subject an individual to segregation or separate treatment in any matter related to his/her receipt of any disposition, service, financial aid, or benefit under the program;

(4) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any disposition, service, financial aid, or benefit under the program;

(5) Treat an individual differently from others in determining whether such individual satisfies any admission, enrollment, quota, eligibility, membership, or other requirement or condition which individuals must meet in order to be provided any disposition, service, financial aid, function or benefit provided under the program;

(6) Deny an individual an opportunity to participate in the program through the provision of services or otherwise afford such individual an opportunity to do so which is different from that afforded others under the program (including the opportunity to participate in the program as an employee but only to the extent set forth in §1040.14 of this subpart); or

(7) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(c) A recipient, in determining the type of Federal financial assistance (i.e., disposition, services, financial aid, benefits, or facilities) which will be provided under any program, or the class of individuals to whom, or the situations in which the assistance will be provided, may not, directly or through contractual or other arrangements,

utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, national origin, or sex (when covered by section 16 and section 401) or have the effect of defeating or substantially impairing accomplishment of the program objectives with respect to individuals of a particular race, color, national origin, or sex (when covered by section 16 or section 401).

(d) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination because of race, color, national origin, or sex (when covered by section 16 or 401) or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of title VI or this subpart.

(e) For the purpose of this section, the disposition, services, financial aid, or benefits provided under a program receiving Federal financial assistance include any portion of any program, function, or activity conducted by a recipient of Federal financial assistance in which the program, function, or activity is directly or indirectly improved, enhanced, enlarged, or benefited by the Federal financial assistance or by which the recipient makes use of any facility, equipment or property provided with the aid of Federal financial assistance.

(f) The enumeration of specific forms of prohibited discrimination in this paragraph and in §1040.14 of this subpart does not limit the generality of the prohibition in paragraph (a) of this section.

(g) *Exemptions.* Exclusion from programs for protected groups. An individual is not to be considered subjected to discrimination by reason of his/her exclusion from the benefits of a program limited to individuals of a particular race, color, national origin or sex different from his/hers when the exclusion is provided for or required by Federal law, for example, programs funded exclusively to serve on-reservation Indians.

§ 1040.14 Covered employment.

(a) *Employment practices.* (1) Whenever a primary objective of the Federal financial assistance to a program to which this subpart applies is to provide employment, a recipient of the assistance may not (directly or through contractual or other arrangements) subject any individual to discrimination on the grounds of race, color, national origin, or sex (when covered by section 16 and section 401) in its employment practices under the program (including recruitment or recruitment advertising, employment, layoff, or termination, upgrading, demotion or transfer, training, participation in upward mobility programs, rates of pay or other forms of compensation, and use of facilities). This prohibition also applies to programs where the primary objective of the Federal financial assistance is:

(i) To assist individuals through employment to meet expenses incident to the commencement or continuation of their education or training;

(ii) To provide work experience which contributes to the education or training of the individuals involved;

(iii) To reduce the unemployment of individuals or to help them through employment to meet subsistence needs; or

(iv) To provide employment to individuals who, because of handicaps, cannot be readily absorbed in the competitive labor market. The requirements applicable to construction under any such program are to be those specified in or under part III of Executive Order 11246, as amended, or any Executive Order which supersedes it.

(2) In regard to Federal financial assistance which does not have provision of employment as a primary objective, the provisions of paragraph (a)(1) of this section apply to the employment practices of the recipient if discrimination on the ground of race, color, national origin, or sex (when covered by section 16 or section 401) in such employment practices tends to exclude persons from participation in, deny them the benefits of, or subject them to discrimination under the program receiving Federal financial assistance. In any such case, the provisions of paragraph (a)(1) of this section apply to

the extent necessary to assure equality of opportunity to and nondiscriminatory treatment of beneficiaries.

(3) Paragraph (a)(1) also applies to covered employment as defined in § 1040.12(a)(2).

(b) Enforcement of title VI compliance with respect to covered employment practices is not to be superseded by State or local merit systems relating to the employment practices of the same recipient.

§ 1040.25 Educational institutions controlled by religious organizations.

(a) *Application.* This subpart does not apply to an educational institution which is controlled by a religious organization to the extent that application of this subpart would not be consistent with the religious tenets of such an organization.

(b) *Exemption.* An educational institution which wishes to claim the exemption set forth in paragraph (a) of this section is to do so by submitting, in writing, to the Director a statement by the highest ranking official of the institution identifying the provisions of this subpart which conflict with a specific tenet of the religious organization.

(a) Admission to education institutions prior to June 24, 1973 are not covered by this subpart.

(b) *Administratively separate units.* For the purposes, only, of this section, §§ 1040.28 and 1040.29, each administratively separate unit shall be deemed to be an educational institution.

(c) *Application of §§ 1040.31 through 1040.33.* Except as provided in paragraphs (c) and (d) of this section, §§ 1040.31 through 1040.33 apply to each recipient. A recipient to which §§ 1040.31 through 1040.33 apply shall not discriminate on the basis of sex in admission or recruitment in violation of those sections.

(d) *Educational institutions.* Except as provided in paragraph (e) of this section as to recipients which are educational institutions, §§ 1040.31 through 1040.33 apply only to institutions of vocational education, professional education, graduate higher education, and public institutions of undergraduate higher education.

(e) *Public institutions of undergraduate higher education.* Sections 1040.31 through 1040.33 do not apply to any public institutions of undergraduate higher education which, traditionally and continually from its establishment, has had a policy of admitting only students of one sex.

§ 1040.29 Educational institutions eligible to submit transition plans.

(a) *Application.* This section applies to each educational institution to which §§ 1040.31 through 1040.33 apply which:

(1) Admitted only students of one sex as regular students as of June 23, 1972; or

(2) Admitted only students of one sex as regular students as of June 23, 1965, but after that admitted as regular students individuals of the sex not admitted prior to June 23, 1965.

(b) *Provision for transition plans.* An educational institution to which this section applies is not to discriminate on the basis of sex in admission or recruitment in violation of §§ 1040.31 through 1040.33 unless it is carrying out a transition plan approved by the United States Commissioner of Education as described in § 1040.30, which plan provides for the elimination of discrimination by the earliest practicable date but in no event later than 90 days following final publication of this regulation.

§ 1040.30 Transition plans.

(a) *Submission of plans.* Any institution to which § 1040.28 applies and which is composed of more than one administratively separate unit may submit either a single transition plan applicable to all units or separate transition plans applicable to each unit.

(b) *Content of plans.* In order to be approved by the United States Commissioner of Education, a transition plan is to:

(1) State the name, address, and Federal Interagency Committee on Education (FICE) Code of the educational institution submitting the plan, the administratively separate units to which the plan is applicable, the name, address, and telephone number of the person to whom questions concerning the plan may be addressed. The person who submits the plan shall be the chief administrator or president of the institution, or another individual legally authorized to bind the institution to all actions set forth in the plan.

(2) State whether the educational institution or administratively separate unit admits students of both sexes as regular students and, if so, when it began to do so.

(3) Identify and describe, with respect to the educational institution or administratively separate unit, any obstacles to admitting students without discrimination on the basis of sex.

(4) Describe in detail the steps necessary to eliminate as soon as practicable each obstacle identified and indicate the schedule for taking these steps and the individual responsible for their implementation.

(5) Include estimates of the number of students, by sex, expected to apply

for, be admitted to, and enter each class during the period covered by the plan.

(c) *Nondiscrimination.* No policy or practice of a recipient to which §1040.29 applies is to result in treatment of applicants to, or students of, the recipient in violation of §§1040.31 through 1040.33 unless such treatment is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle has been provided as required by paragraph (b)(4) of this section.

(d) *Effects of past exclusion.* To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which §1040.29 applies is to include in its transition plan and implement specific steps designed to encourage individuals of the previously excluded sex to apply for admission to the institution. The steps are to include instituting recruitment programs which emphasize the institution's commitment to enrolling students of the sex previously excluded.

§1040.31 Discrimination on the basis of sex in admission and recruitment prohibited: admission.

(a) *General.* No person shall, on the basis of sex, be denied admission or be subjected to discrimination in admission by any recipient to which §§1040.31, 1040.32, and 1040.33 apply, except as provided in §§1040.29 and 1040.30.

(b) *Specific prohibitions.* (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§1040.31, 1040.32, and 1040.33 apply shall not:

(i) Give preference to one person over another on the basis of sex, by ranking applicants separately on that basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Deny an equal opportunity for admission on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission which has a disproportionate adverse effect on persons on the basis of sex unless the use of the test or criterion is shown to predict validly success in the education pro-

gram or activity and alternative tests or criteria which do not have a disproportionate adverse affect are shown to be unavailable.

(c) *Prohibitions relating to marital or parental status.* In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§1040.31, 1040.32, and 1040.33 apply:

(1) Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant which treats persons differently on the basis of sex;

(3) Shall treat disabilities related to pregnancy, childbirth, termination of pregnancy, or recovery therefrom in the same manner and under the same policies as any other temporary disability or physical condition; or

(4) Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is "Miss" or "Mrs." A recipient may make pre-admission inquiry as to the sex of an applicant for admission but only if the inquiry is made equally of applicants of both sexes and if the results of the inquiry are not used in connection with discrimination prohibited by this subpart.

§1040.32 Preference in admission.

A recipient to which §§1040.31, 1040.32, and 1040.33 apply shall not give preference to applicants for admission on the basis of attendance at any educational institution or other school or entity which admits as students or predominantly members of one sex if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§1040.31, 1040.32, and 1040.33.

§1040.33 Recruitment.

(a) *Nondiscriminatory recruitment.* A recipient to which §§1040.31, 1040.32, and 1040.33 apply shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may

be required to undertake additional recruitment efforts for one sex as remedial action under § 1040.7(a) and may choose to undertake these efforts as affirmative action under § 1040.7(b).

(b) *Recruitment at certain institutions.* A recipient to which §§ 1040.31, 1040.32, and 1040.33 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities which admit as students only or predominantly members of one sex, if these actions have the effect of discriminating on the basis of sex in violation of §§ 1040.31, 1040.32, and 1040.33.

§ 1040.34 Education programs and activities.

(a) *General.* Except as provided elsewhere in this subpart, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient which receives or benefits from Federal financial assistance. This subpart does not apply to actions of a recipient in connection with admission of its students to an education program or activity of—

(1) A recipient to which §§ 1040.31, 1040.32, and 1040.33 do not apply; or

(2) An entity, not a recipient, to which §§ 1040.31, 1040.32, and 1040.33 would not apply if the entity were a recipient.

(b) *Specific prohibitions.* Except as provided in §§ 1040.34 through 1040.45, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

(1) Treat one person differently from another in determining whether the person satisfies any requirement or condition for the provision of the aid, benefit, or service;

(2) Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

(3) Deny any person any such aid, benefit, or service;

(4) Subject any person to separate or different rules of behavior, sanctions, or other treatment;

(5) Discriminate against any person in the application of any rules of appearance;

(6) Apply any rule concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition;

(7) Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;

(8) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) *Assistance administered by a recipient educational institution to study at a foreign institution.* A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, which are designed to provide opportunities to study abroad, and which are awarded to students who are already matriculating at or who are graduates of the recipient institution. A recipient educational institution which administers or assists in the administration of such scholarships, fellowships, or other awards which are restricted to members of one sex must provide, or otherwise make available, reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived from either domestic or foreign sources.

(d) *Programs not operated by recipient.*

(1) This paragraph applies to recipients which require participation by any applicant or student in any education program or activity not operated wholly by the recipient, or which facilitates, permits, or considers participation in educational consortia and cooperative employment and student-teaching assignments.

(2) The recipient:

(i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of the recipient which this subpart would prohibit the recipient from taking; and

§ 1040.35

(ii) Shall not facilitate, require, permit, or consider participation if such action occurs.

§ 1040.35 Housing.

(a) *General.* A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(b) *Housing provided by recipient.* (1) A recipient may provide separate housing on the basis of sex.

(2) Housing provided by a recipient to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(i) Proportionate in quantity to the number of students of that sex applying for such housing; and

(ii) Comparable in quality and cost to the student.

(c) *Other housing.* (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than provided by the recipient.

(2) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall take reasonable action as may be necessary to assure itself that housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(i) Proportionate in quantity; and

(ii) Comparable in quality and cost to the student. A recipient may render this assistance to any agency, organization, or person which provides all or part of such housing to students only of one sex.

§ 1040.36 Comparable facilities.

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but the facilities provided for students of one sex are to be comparable to the facilities provided for students of the other sex.

§ 1040.37 Access to course offerings.

A recipient shall not provide any course or otherwise carry out any of its

10 CFR Ch. X (1–1–99 Edition)

education program or activity separately on the basis of sex, or require or refuse participation by any of its students on that basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

(a) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from the effective date of this regulation.

(b) This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(c) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports, the purpose or major activity of which involves bodily contact.

(d) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards which do not have that effect.

(e) Portions of classes in elementary and secondary schools which deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

(f) Recipients may make requirements based on vocal range or quality which may result in a chorus or choruses of one or predominantly one sex.

§ 1040.38 Access to schools operated by LEAs.

A recipient which is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by the recipient; or

(b) Any other school or educational unit operated by the recipient, unless the recipient otherwise makes available to a person, under the same policies and criteria of admission, courses, services, and facilities comparable to

each course, service, and facility offered in or through the schools.

§ 1040.39 Counseling and use of appraisal and counseling materials.

(a) *Counseling.* A recipient shall not discriminate against any person on the basis of sex in counseling or guidance of students or applicants for admission.

(b) *Use of appraisal and counseling materials.* A recipient which uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials which permit or require different treatment of students on the basis of sex unless the different materials cover the same occupations and interest areas and use of the different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take action to assure itself that the disproportion is not the result of discrimination in the instrument or its application.

(c) *Disproportion in classes.* Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take action to assure itself that the disproportion is not the result of discrimination on the basis of sex in counseling, appraisal materials, or by counselors.

§ 1040.40 Financial assistance.

(a) *General.* Except as provided in paragraphs (b), (c), and (d) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of assistance, limit eligibility for assistance which is of any particular type or source, apply different criteria, or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities or other services, assist any foundation, trust, agency, organization, or person which

provides assistance to any of the recipient's students in a manner which discriminates on the basis of sex; or

(3) Apply any rule or assist in application of any rule concerning eligibility for assistance which treats persons of one sex different from persons of the other sex with regard to marital or parental status.

(b) *Financial aid established by certain legal instruments.* (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government which require that awards be made to members of a particular sex specified in those documents provided that the overall effect of the award of such sex-restricted scholarships, fellowships and other forms of financial assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(a)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.

(c) *Athletic scholarships.* (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it shall provide reasonable opportunities for the awards for members of each sex in proportion to the number of students of each sex participating in intercollegiate or intercollegiate athletics.

(2) Separate athletic scholarships or grants-in-aid for members of each sex may be provided as part of separate athletic teams of members of each sex

§ 1040.41

10 CFR Ch. X (1-1-99 Edition)

to the extent consistent with this section and § 1040.44 of this subpart.

§ 1040.41 Employment assistance to students.

(a) *Assistance by recipient in making available outside employment.* A recipient which assists any agency, organization or person in making employment available to any of its students—

(1) Shall assure itself that the employment is made available without discrimination on the basis of sex; and

(2) Shall not render services to any agency, organization, or person which discriminates on the basis of sex in its employment practices.

(b) *Employment of students by recipients.* A recipient which employs any of its students shall assure itself that all employment is made available without discrimination on the basis of sex.

§ 1040.42 Health and insurance benefits and services.

In providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex. This section is not to prohibit a recipient from providing any benefit or service which may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient which provides full coverage health service shall provide gynecological care.

§ 1040.43 Marital or parental status.

(a) *Status generally.* A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status which treats students differently on the basis of sex.

(b) *Pregnancy and related conditions.* (1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of the student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require the student to obtain the certification of a

physician that the student is physically and emotionally able to continue participation in the normal education program or activity so long as the certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient which operates a portion of its educational program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the instructional program in the separate program is comparable to that offered to non-pregnant students.

(4) A recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy which the recipient administers, operates, offers or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient which does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom as a justification for a leave of absence for a period of time considered medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status which she held when the leave began.

§ 1040.44 Athletics.

(a) *General.* No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by the recipient, and no recipient shall provide any athletics separately on the basis of sex.

(b) *Separate teams.* Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of

Department of Energy

§ 1040.47

each sex where selection for teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex shall be allowed to try-out for the team offered unless the sport involved is a contact sport. For the purposes of this subpart, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball and other sports, the purpose of major activity of which involves bodily contact.

(c) *Equal opportunity.* A recipient which operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the Director, FAPD, is to consider, among other factors:

- (1) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;
- (2) The provision of equipment and supplies;
- (3) Scheduling of games and practice time;
- (4) Travel and per diem allowance;
- (5) Opportunity to receive coaching and academic tutoring;
- (6) Assignment and compensation of coaches and tutors;
- (7) Provision of locker rooms, practice and competitive facilities;
- (8) Provision of medical and training facilities and services;
- (9) Provision of housing and dining facilities and services; and
- (10) Publicity.

Unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams, if a recipient operates or sponsors separate teams, will not constitute non-compliance with this section, but the Director, FAPD, may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) *Adjustment period.* A recipient which operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary, secondary or post-secondary school level shall comply fully with this section as expeditiously as possible, but in no event later than one year from the effective date of this regulation.

§ 1040.45 Textbooks and curricular material.

Nothing in this regulation is to be interpreted as requiring, prohibiting, or abridging, in any way, the use of particular textbooks or curricular materials.

§ 1040.46 Procedures.

The procedural provisions applicable to Title VI of the Civil Rights Act of 1964 are adopted and incorporated in this section by reference. These procedures may be found in subparts G and H of this part.

EMPLOYMENT PRACTICES

§ 1040.47 Employment.

(a) *General.* (1) No person shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in recruitment, employment consideration, or selection, whether for full-time or part-time employment, under any educational program or activity operated by a recipient which receives or benefits from Federal financial assistance.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way which could adversely affect any applicant's or employee's employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by this subpart, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

§ 1040.48

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any education institution or entity which admits as students only or predominantly members of one sex, if giving of such preferences has the effect of discriminating on the basis of sex in violation of this part.

(b) *Application.* The provisions of this subpart apply to:

(1) Recruitment, advertising, and the process of application for employment;

(2) Hiring, upgrading, promotion, consideration for an award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;

(10) Any other term, condition, or privilege of employment.

§ 1040.48 Employment criteria.

A recipient shall not administer or operate any text or other criterion for any employment opportunity which has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful

10 CFR Ch. X (1–1–99 Edition)

performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 1040.49 Recruitment.

(a) *Nondiscriminatory recruitment and hiring.* A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have in the past so discriminated, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) *Recruitment patterns.* A recipient shall not recruit primarily or exclusively at entities which furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of this subpart.

§ 1040.50 Compensation.

A recipient shall not make or enforce any policy or practice which, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs, the performance of which requires equal skill, effort, and responsibility, and which are performed under similar working conditions.

§ 1040.51 Job classification and structure.

A recipient shall not:

(a) Classify a job as being for males or for females;

(b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or

(c) Maintain or establish separate lines of progression, seniority systems, career ladders, or tenure systems for similar jobs, position descriptions, or job requirements which classify persons on the basis of sex, unless sex is a

bona-fide occupational qualification for the positions in question as set forth in § 1040.57.

§ 1040.52 Fringe benefits.

(a) *Fringe benefits* defined. For purposes of this part, *fringe benefits* means: Any medical, hospital, accident, life insurance or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service for employment not subject to the provision of § 1040.50.

(b) *Prohibitions*. A recipient shall not:

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee's sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan which does not provide either for equal periodic benefits for members of each sex, or for equal contributions to the plan by such recipient for members of each sex; or

(3) Administer, operate, offer, or participate in a pension or retirement plan which establishes different optional or compulsory retirement ages based on sex or which otherwise discriminates in benefits on the basis of sex.

§ 1040.53 Marital or parental status.

(a) *General*. A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment which treats persons differently on the basis of sex; or

(2) Which is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee's or applicant's family unit.

(b) *Pregnancy*. A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) *Pregnancy as a temporary disability*. A recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, recovery there-

from and any temporary disability resulting therefrom as any other temporary disability for all job related purposes, including commencement, duration and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) *Pregnancy leave*. In the case of a recipient which does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time. At the conclusion of the leave of absence, the employee shall be reinstated to the status which she held when the leave began or to a comparable position without decrease in rate of compensation or loss of promotional opportunities or any other right or privilege of employment.

§ 1040.54 Effect of State or local law or other requirements.

(a) *Prohibitory requirements*. The obligation to comply with this subpart is not obviated or alleviated by the existence of any state or local law or other requirement which imposes prohibitions or limits upon employment of members of one sex which are not imposed upon members of the other sex.

(b) *Benefits*. A recipient which provides any compensation, service, or benefit to members of one sex pursuant to a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

§ 1040.55 Advertising.

§ 1040.56 Pre-employment inquiries.

(a) *Marital status*. A recipient shall not make pre-employment inquiry as

to the marital status of an applicant for employment, including whether such applicant is “Miss or Mrs.”

(b) *Sex*. A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by this part.

§ 1040.57 Sex as a bona-fide occupational qualification.

A recipient may take action otherwise prohibited by this subpart provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section which is based upon alleged comparative employment characteristics or stereotyped characterizations, but nothing contained in this section shall prevent a recipient from considering an employee's sex in relation to employment in a locker room or toilet facility used only by members of one sex.

§ 1040.63 Discrimination prohibited.

(a) *General.* No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives or benefits from Federal financial assistance from DOE.

(b) *Discriminatory actions prohibited.*
(1) A recipient, in providing any aid, benefit, or service, may not directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified person the opportunity to participate in or benefit from the aid, benefit or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless the action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization, or person that

discriminates on the basis of handicap in providing any aid, benefit, or services to beneficiaries of the recipient's program;

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit or service.

(2) For purposes of this part, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for handicapped and nonhandicapped persons, but must afford handicapped persons equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement in the most integrated setting appropriate to the person's needs.

(3) Despite the existence of permissible separate or different programs or activities, a recipient may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration that:

(i) Have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap;

(ii) Have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient's program with respect to handicapped persons; or

(iii) Perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same state.

(5) In determining the site of a facility, an applicant for assistance or a recipient may not make selections that—

(i) Have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity that receives Federal financial assistance from DOE; or

(ii) Have the purpose or effect of defeating or substantially impairing the

accomplishment of the objectives of the program or activity with respect to handicapped persons.

(c) *Programs limited by Federal law.* The exclusion of non-handicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) Recipients shall take appropriate steps to ensure that communications with their applicants, employees and handicapped persons participating in federally assisted programs of activities or receiving aids, benefits or services, are available to persons with impaired vision and hearing.

(e) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

§ 1040.64 Effect of State or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this subpart is not obviated or alleviated by the existence of any State or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped persons than for non-handicapped persons.

(c) *Effect of other regulations.* All regulations, orders, or similar directions

issued by any officer of DOE which impose requirements designed to prohibit discrimination against individuals on the grounds of race, color, national origin, sex, age or handicap under any program to which this part applies, and which authorize the suspension, termination or refusal to grant or to continue Federal financial assistance under any program for failure to comply with these requirements, are superseded to the extent that discrimination is prohibited by this part. Nothing in this part is to relieve any person of the obligation assumed or imposed under any superseded regulation, order, instruction, or similar direction prior to the effective date of this part. Nothing in this part is to supersede the effective date of this part. Nothing in this part is to supersede Executive Orders 10925, 11114, 11063, 11246, and regulations issued under these authorities, or supersede any other regulations or instructions which prohibit discrimination on the ground of race, color, national origin, sex, age, or handicap in any program or activity to which this part does not apply.

§ 1040.65 Procedures.

The procedural provisions applicable to Title VI of the Civil Rights Act of 1964 are adopted and incorporated in this section by reference. These procedures may be found in subparts G and H of this part.

EMPLOYMENT PRACTICES

§ 1040.66 Discrimination prohibited.

(a) *General.* (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination employment under any program or activity to which this subpart applies.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting quali-

fied handicapped applicants or employees to discrimination prohibited by this subpart. The relationships referred to in this paragraph include relationships with employment and referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the recipient, and organizations providing training and apprenticeship programs.

(b) *Specific activities.* The provisions of this subpart apply to:

(1) Recruitment, advertising, and processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick or otherwise;

(6) Fringe benefits available by virtue of employment, whether administered by the recipient or not;

(7) Selection and provision of financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including social or recreational programs; and

(9) Any other term, condition, or privilege of employment.

(c) A recipient's obligation to comply with this subpart is not affected by any inconsistent term of any collective bargaining agreement to which it is a party.

§ 1040.67 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program.

(b) Reasonable accommodation may include:

§ 1040.68

10 CFR Ch. X (1-1-99 Edition)

(1) Making facilities used by employees readily accessible to and usable by handicapped persons; and

(2) Job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(c) In determining, under paragraph (a) of this section, whether an accommodation would impose an undue hardship on the operation of a recipient's program, factors to be considered include:

(1) The overall size of the recipient's program with respect to number of employees, number and type of facilities, and size of budget;

(2) The type of the recipient's operation, including the composition and structure of the recipient's workforce; and

(3) The nature and cost of the accommodation needed.

(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

§ 1040.68 Employment criteria.

(a) A recipient may not use any employment test or other selection criterion that screens out or tends to screen out handicapped persons unless the test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question.

(b) A recipient shall select and administer tests concerning employment to best ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's job skills, aptitude or other factors the test purports to measure except where those skills are the factors that the test purports to measure.

§ 1040.69 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a pre-employment medical examination or may not make pre-employment inquiry of an appli-

cant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make pre-employment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination, under § 1040.7 of this part, or is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity under § 1040.7 of subpart A of this part, or when a recipient is taking affirmative action under Sec. 503 of the Rehabilitation Act of 1973, as amended, the recipient may invite applicants for employment to indicate whether, and to what extent, they are handicapped *Provided that:*

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally, if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this subpart.

(c) Nothing in this section is to prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted prior to the employee's entrance on duty provided that all entering employees are subjected to the examination regardless of handicap or absence of handicap and results of the examination are used only in accordance with the requirements of this subpart.

(d) Information obtained in accordance with this section concerning the medical condition or history of the applicant is to be collected and maintained on separate forms that are to be accorded confidentiality as medical records, except that:

(1) Supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons

Department of Energy

§ 1040.72

and regarding necessary accommodations;

(2) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

(3) Government officials investigating compliance with Sec. 504 of the Rehabilitation Act of 1973, as amended, shall be provided relevant information upon request.

PROGRAM ACCESSIBILITY

§ 1040.71 Discrimination prohibited.

No handicapped person shall, because a recipient's facilities are inaccessible to or unuseable by handicapped persons, be denied the benefits of, be excluded from participation in, or be subjected to discrimination under any program or activity that receives or benefits from Federal financial assistance from DOE.

§ 1040.72 Existing facilities.

(a) *Program accessibility.* A recipient shall operate any program or activity to which this subpart applies so that the program or activity, when viewed in its entirety, is readily accessible and useable by handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and useable by handicapped persons.

(b) *Methods.* A recipient may comply with the requirements of paragraph (a) of this section through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aids to beneficiaries, home visits, delivery of health, welfare, or other social services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with the requirements of § 1040.73 or any other methods that result in making its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (a) of this section. In choosing among available methods for meeting the requirement of paragraph (a) of this section, a recipient shall give priority to those methods that

offer programs and activities to handicapped persons in the most integrated setting appropriate.

(c) *Time period.* A recipient shall comply with the requirement of paragraph (a) of this section within 60 days of the effective date of this subpart except that where structural changes in facilities are necessary, the changes are to be made as expeditiously as possible, but in no event later than three years after the effective date of this subpart.

(d) *Transition plan.* In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within 6 months of the effective date of this subpart, a transition plan setting forth the steps necessary to complete the changes. The plan is to be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons, and the plan is to meet with the approval of the Director, Federally Assisted Programs Division, Office of Equal Opportunity, DOE. A copy of the transition plan is to be made available for public inspection. At a minimum, the plan is to:

(1) Identify physical obstacles in the recipient's facilities that limit the accessibility to and usability by handicapped persons of its program or activity.

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve full program accessibility and, if the time period or the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the person responsible for implementation of the plan.

(e) *Notice.* The recipient shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information concerning the existence and location of services, activities, and facilities that are accessible to, and useable by, handicapped persons.

§ 1040.73 New construction.

(a) *Design and construction.* Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient is to be designed and constructed in a manner that the facility or part of the facility is readily accessible to, and useable by, handicapped persons, if the construction was commenced after the effective date of this subpart.

(b) *Alteration.* Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this subpart in a manner that affects or could affect the usability of the facility or part of the facility is, to the maximum extent feasible, to be altered in a manner that the altered portion of the facility is readily accessible to and useable by handicapped persons.

(c) *Conformance with Uniform Federal Accessibility Standards.* (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (USAF) (appendix A to 41 CFR subpart 101-19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

§ 1040.74 Program accessibility in historic properties.

(a) *Methods to accomplish program accessibility.* In the case of historic properties, program accessibility shall mean that when programs are viewed in their entirety, they are accessible to and usable by handicapped persons. The recipient shall exhaust subsection (b)(1) (methods to accomplish program accessibility without building alterations or structural changes) before proceeding to subsection (b)(2) (methods to accomplish program accessibility resulting in building alterations). The recipient shall exhaust subsection (b)(2) (methods to accomplish program accessibility resulting in building alterations) before proceeding to subsection (b)(3) (methods to accomplish program accessibility resulting in structural changes).

(1) *Methods to accomplish program accessibility without building alterations or structural changes.* The recipient shall investigate compliance methods which do not alter the historic character or architectural integrity of the property and shall utilize such methods unless such methods are ineffective in achieving accessibility. Such methods may include, but are not limited to:

(i) Reassigning programs to accessible locations within the facility.

(ii) Assigning persons to aid handicapped persons into or through an otherwise inaccessible facility.

(iii) Delivering programs or activities at alternative accessible sites operated by or available for such use by the recipient.

(iv) Adopting other innovative methods which make programs accessible to the handicapped.

(2) *Methods to accomplish program accessibility resulting in building alterations.* The recipient shall determine that program accessibility cannot feasibly be accomplished by Methods to Accomplish Program Accessibility without Building Alterations or Structural Changes, subsection (b)(1) prior to utilizing building alteration as a method of accomplishing program accessibility. Alterations must comply with the accessibility standards adopted in these regulations. Building alterations shall be undertaken so as not to alter or destroy historically,

architecturally, or culturally significant elements or features.

(3) *Methods to accomplish program accessibility resulting in structural changes.* The recipient shall determine that program accessibility cannot feasibly be accomplished by Methods to Accomplish Program Accessibility without Building Alterations or Structural Changes, subsection (b)(2) before considering structural changes as a method of accomplishing program accessibility. Structural changes must comply with the accessibility standards adopted in these regulations. Structural changes shall be undertaken so as not to alter or destroy historically, architecturally or culturally significant elements or features.

(b) *Modification or waiver of accessibility standards.* The applicability of the accessibility standards set forth in these regulations may be modified or waived on a case-by-case basis, upon application to the Director, FAPD, where the recipient can demonstrate that, because of the nature of the activity, the provision of access would be infeasible or would substantially impair the historic, architectural or cultural integrity of the historic property.

GENERAL PROVISIONS

§ 1040.81 Purpose.

The purpose of these regulations is to implement the Age Discrimination Act of 1975, as Amended, which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. In accordance with the Age Discrimination Act, federally assisted programs and activities and recipients of Federal funds may continue to use age distinctions and

factors other than age which meet the requirements of the Act and these regulations.

§ 1040.82 Application.

(a) These regulations apply to each program or activity which receives or benefits from Federal financial assistance provided by DOE.

(b) These regulations do not apply to—

(1) An age distinction contained in that part of a Federal, State, or local statute or ordinance adopted by an elected, general purpose legislative body which:

- (i) Provides any benefits or assistance to persons based on age; or
- (ii) Establishes criteria for participation in age-related terms; or
- (iii) Describes intended beneficiaries or target groups in age-related terms.

(2) Any employment practice of any employer, employment agency, labor organization, or any labor-management joint apprenticeship training program.

(c) *Age* means how old a person is or the number of years from the date of a person's birth.

(d) *Age distinction* means any action using age or an age-related term (for example, "18 or over").

(e) *Age-related term* means a word or words which necessarily imply a particular age or range of ages (for example, "children", "adult", "older persons", but not "student").

(j) *Recipient* means any State or its political subdivision, instrumentality of a State or its political subdivision, any public or private agency, institution, organization, or other entity, or any person to which Federal financial assistance is extended, directly or through another recipient. Recipient includes any successor, assignee, or transferee, but excludes an individual who is the ultimate beneficiary of the assistance.

(k) *Secretary* means the Secretary, Department of Energy.

STANDARDS FOR DETERMINING AGE
DISCRIMINATION

§ 1040.84 Rules against age discrimination.

The rules stated in this section are limited by the exceptions contained in § 1040.86 and of these regulations.

(a) *General rule.* No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.

(b) *Specific rules.* A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contractual, licensing, or other arrangements use age distinctions or take any other actions which have the effect, on the basis of age, of:

(1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program or activity receiving Federal financial assistance; or

(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.

(3) The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

§ 1040.85 Definitions of “Normal Operation” and “Statutory Objective”.

For purpose of §§ 1040.86 and 1040.87, the terms *normal operation* and *statutory objective* shall have the following meanings:

(a) *Normal operation* means the operation of a program or activity without

significant changes that would impair its ability to meet its objectives.

(b) *Statutory objective* means any purpose of a program or activity expressly stated in any Federal, State, or local statute or ordinance adopted by an elected, general purpose legislative body.

§ 1040.86 Exceptions to the rules against age discrimination. Normal operation or statutory objective of any program or activity.

A recipient is permitted to take an action, otherwise prohibited by § 1040.84, if the action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity. An action reasonably takes into account age as a factor necessary to the normal operation of a program or activity if:

(a) Age is used as a measure or approximation of one or more other characteristics;

(b) The other characteristic(s) must be measured or approximated in order for the normal operation of the program or activity to continue or to achieve any statutory objective of the program or activity;

(c) The other characteristic(s) can be reasonably measured or approximated by the use of age; and

(d) The other characteristic(s) are impractical to measure directly on an individual basis.

§ 1040.87 Exceptions to the rules against age discrimination. Reasonable factors other than age.

A recipient is permitted to take an action otherwise prohibited by § 1040.84 which is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

§ 1040.88 Remedial and affirmative action by recipients.

(a) Where a recipient is found to have discriminated on the basis of age, the recipient shall take such remedial action as the Director, Office of Equal

Department of Energy

§ 1040.89-5

Opportunity (OEO), considers necessary to overcome the effects of the discrimination.

(b) Even in the absence of a finding of discrimination, a recipient may take affirmative action to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity on the basis of age.

(c) If a recipient operating a program which serves the elderly or children, in addition to persons of other ages, provides special benefits to the elderly or to children, the provision of those benefits shall be presumed to be voluntary affirmative action provided that it does not have the effect of excluding otherwise eligible persons from participation in the program.

§ 1040.89 Burden of proof.

The burden of proving that an age distinction or other action falls within the exceptions outlined in §§ 1040.86 and 1040.87 is on the recipient of Federal financial assistance.

RESPONSIBILITIES OF DOE RECIPIENTS

§ 1040.89-1 General responsibilities.

Each DOE recipient has primary responsibility to ensure that its programs and activities are in compliance with the Act and these regulations. A recipient also has responsibility to maintain records, provide information, and afford access to its records to DOE, to the extent required to determine whether it is in compliance with the Act and these regulations.

§ 1040.89-2 Notice to subrecipients.

Where a recipient awards Federal financial assistance from DOE to its subrecipients, the recipient shall provide the subrecipients written notice of their obligations under these regulations.

§ 1040.89-3 Information requirements.

Each recipient shall: (a) Upon request make available to DOE information necessary to determine whether the recipient is complying with the Act and these regulations.

(b) Permit reasonable access by DOE, upon request, to the books, records, accounts, and other recipient facilities and sources of information to the ex-

tent necessary to determine whether the recipient is in compliance with the Act and these regulations.

INVESTIGATION, CONCILIATION AND ENFORCEMENT PROCEDURES

§ 1040.89-4 Compliance reviews.

(a) DOE may conduct preaward and postaward compliance reviews of recipients as prescribed in this part or use other similar procedures that will permit it to investigate and correct violations of the Act and these regulations. DOE may conduct these reviews even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary to determine whether a violation of these regulations has occurred.

(b) If a compliance review indicates a violation of the Act or these regulations, DOE will attempt to achieve voluntary compliance with the Act. If voluntary compliance cannot be achieved, DOE will arrange for enforcement as described in § 1040.89-10.

§ 1040.89-5 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a written complaint with DOE alleging discrimination prohibited by the Act or these regulations. A complainant must file a complaint within 180 days from the date he/she first had knowledge of the alleged act of discrimination. For good cause shown, however, the Director, Office of Equal Opportunity (OEO), may extend the time limit for filing a complaint. Complaints may be submitted to Field Civil Rights Officers located in DOE's field offices or to the Director, OEO, Forrestal Building, 1000 Independence Avenue, SW., Washington, D.C. 20585.

(b) The Director, OEO, will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:

(1) Accepting as a sufficient complaint any written statement which identifies the parties involved and the date the complainant first had knowledge of the alleged violation, describes generally the action or practice complained of, and is signed by the complainant.

(2) Freely permitting a complainant to add information to the complaint to meet the requirements of a sufficient complaint.

(3) Widely disseminating information regarding the obligations of recipients under the Act and these regulations.

(4) Notifying the complainant and the recipient of their rights and obligations under the complaint procedure, including the right to have a representative at all stages of the complaint procedure.

(5) Notifying the complainant and the recipient (or their representatives) of their right to contact DOE for information and assistance regarding the complaint resolution process.

(c) The Director, OEO, will refer any complaint outside the jurisdiction of DOE to the proper Federal department or agency and will also notify the complainant and the recipient of the referral. The notification will contain an explanation for the referral and the name, telephone number, and address of the Federal department or agency office having jurisdiction over the matter complained.

§ 1040.89-6 Mediation.

(a) Referral of complaints for mediation. DOE will refer to the Federal Mediation and Conciliation Service, in accordance with 45 CFR 90.43(c)(3), all complaints that:

(1) Fall within the jurisdiction of the Act and these regulations; and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or make an informed judgment that an agreement is not possible. There must be at least one meeting with the mediator before the Director, OEO, will accept a judgment that an agreement is not possible. However, the recipient and the complainant need not meet with the mediator at the same time.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and the recipient sign it. The mediator shall send a copy of the agreement to the Director, OEO, DOE. DOE will

take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) DOE will use the mediation process for a maximum of 60 days after referring a complaint to mediation. Mediation ends if:

(1) 60 days elapse from the time the mediation agency receives the complaint; or

(2) Prior to the end of the 60 day mediation period, an agreement is reached; or

(3) Prior to the end of that 60 day mediation period, the mediator determines that an agreement cannot be reached.

(e) The mediator shall return unresolved complaints to the Director, OEO, DOE.

§ 1040.89-7 Investigation.

(a) *Informal Investigation.* (1) The Director, OEO, will review complaints that are unresolved after mediation or are reopened because of a violation of a mediation agreement.

(2) As part of this review, Field Civil Rights Officers will use informal fact finding methods, including joint or separate discussions with the complainant and recipient, to establish the facts and, if possible, settle the complaint on terms that are mutually agreeable to the parties.

(3) If the complaint is resolved during the informal investigation, DOE will put the agreement in writing and have it signed by the parties and the Director, OEO.

(4) The settlement shall not affect the operation of any other enforcement effort of DOE, including compliance reviews and investigation of other complaints which may involve the recipient.

(5) The settlement is not a finding of discrimination against a recipient.

(b) *Formal Investigation.* If Field Civil Rights Officers cannot resolve the complaint through informal inquiry, the Director, OEO, will assign an Investigator to conduct a formal investigation of the complaint. If the investigation indicates a violation of the Act or these regulations, DOE will attempt to obtain voluntary compliance. If DOE cannot obtain voluntary compliance, it

Department of Energy

§ 1040.89-10

will begin enforcement as described in § 1040.89-10 and 10 CFR part 1040, subpart H, § 1040.111.

§ 1040.89-8 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by the Act or these regulations; or

(b) Cooperates in any mediation, investigation, hearing, or other part of DOE's investigation, conciliation, and enforcement process.

§ 1040.89-9 Compliance procedure.

(a) DOE may enforce the Act and these regulations through procedures prescribed in subpart H of DOE regulation 10 CFR part 1040—Nondiscrimination in Federally Assisted Programs, which calls for—

(1) Termination of a recipient's Federal financial assistance from DOE under the program or activity involved where the recipient has violated the Act or these regulations. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before the Federal Energy Regulatory Commission (FERC). Therefore, cases which are settled in mediation, or prior to a hearing, will not involve termination of a recipient's Federal financial assistance from DOE under this section.

(2) Any other means authorized by law including, but not limited to:

(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations of the recipient created by the Act or these regulations, or under the terms of the Federal financial assistance.

(ii) Use of any requirement of, or referral to, any Federal, State, or local government agency that will have the effect of correcting a violation of the Act of these regulations.

(b) DOE will limit any termination under § 1040.89-9(a)(1) to the particular recipient and particular program or activity DOE finds in violation of these regulations. DOE will not base any part of a termination on a finding with

respect to any program or activity of the recipient which does not receive Federal financial assistance from DOE.

(c) DOE will take no action under paragraph (a) until:

(1) The Director, OEO, has advised the recipient of its failure to comply with the Act, these regulations, or the terms of the Federal financial assistance and has determined that voluntary compliance cannot be obtained.

(2) Thirty (30) days have elapsed after the Secretary or the Secretary's designee has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the Federal program or activity involved. The Secretary will file a report whenever any action is taken under paragraph (a) of this section.

(d) DOE also may defer granting new Federal financial assistance to a recipient when a hearing under § 1040.89-10 is initiated.

(1) New Federal financial assistance from DOE includes all assistance for which DOE requires an application or approval, including renewal or continuation of existing activities, or authorization of new activities during the deferral period. New Federal financial assistance from DOE does not include increases in funding as a result of changes, computation of formula awards, or assistance awarded prior to the beginning of a hearing under § 1040.89-10.

(2) DOE will not defer new assistance until the recipient has received a notice of an opportunity for a hearing under § 1040.89-10. DOE will not continue a deferral for more than 60 days unless a hearing has begun within that time or the time for beginning the hearing has been extended by mutual consent of the recipient and FERC. DOE will not continue a deferral for more than 30 days after the close of the hearing, unless the hearing resulted in a finding against the recipient.

§ 1040.89-10 Hearings, decisions, post-termination proceedings.

DOE procedural provisions applicable to title VI of the Civil Rights Act of 1964 apply to DOE enforcement of these regulations. They are 10 CFR subpart H §§ 1040.121 through 1040.124.

§ 1040.89-11 Remedial action by recipients.

Where the Director, OEO, finds a recipient has discriminated on the basis of age, the recipient shall take such remedial action as the Director, OEO, may require to end the discriminatory practice or policy and/or to overcome the effects of the discrimination.

§ 1040.89-12 Alternate funds disbursement procedure.

(a) When DOE withholds funds from a recipient under these regulations, the Secretary or designee may disburse the withheld funds directly to an alternate recipient(s), any public or private organization or agency, or State or political subdivision of the State.

(b) The Secretary or designee will require any alternate recipient to demonstrate:

- (1) The ability to comply with these regulations; and
- (2) The ability to achieve the goals of the Federal statute authorizing the program or activity.

§ 1040.89-13 Exhaustion of administrative remedies.

(a) A complainant may file a civil action following the exhaustion of administrative remedies under the Act. Administrative remedies are exhausted if:

- (1) One hundred eighty (180) days have elapsed since the complainant filed the complaint and DOE has made no findings with regard to the complainant; or
- (2) DOE issues any findings in favor of the recipient.

(b) If DOE fails to make a finding within 180 days or issues a finding in favor of the recipient, the Director, OEO, will:

- (1) Promptly advise the complainant of this fact; and
- (2) Advise the complainant of his or her right to bring a civil action for injunctive relief; and
- (3) Inform the complainant:

(i) That the complainant may bring a civil action only in a United States District Court for the district in which the recipient is located or transacts business;

(ii) That a complainant prevailing in a civil action has the right to be awarded the costs of the action, including reasonable attorney fees, but that the complainant must demand these costs in the complaint;

(iii) That, before commencing the action, the complainant shall give 30 days notice, by registered mail, to the Secretary of DOE, the Secretary of the Department of Health and Human Services, the Attorney General of the United States, and the recipient;

(iv) That the notice must state: the alleged violation of the Act and these regulations; the relief requested; the court in which the complainant is bringing the action; and whether or not attorney fees are demanded in the event the complainant prevails; and

(v) That the complainant may not bring an action if the same alleged violation of the Act by the same recipient is the subject of a pending action in any court of the United States.

Subpart F—Nondiscrimination Under Title VIII of the Civil Rights Act of 1968, as Amended [Reserved]

Subpart G—Program Monitoring

§ 1040.101 Compliance reviews.

(a) The Director shall periodically conduct compliance reviews of selected recipients of DOE Federal financial assistance.

(b) The Director shall seek to review those recipients which have the most serious equal opportunity problems which cause the greatest disparity in delivery of services on a nondiscriminatory basis. Selection for review is to be made on the basis of the following criteria, among others:

(1) The relative disparity between the percentage of minorities, women, or handicapped persons, in the relevant labor market, and the percentage of minorities, women, or handicapped persons, employed by the recipient if employment practices are covered by this part;

(2) The percentage of individuals covered by the Age Discrimination Act of 1975, minorities, women and handicapped persons in the population receiving program benefits.

(3) The number and nature of discrimination complaints filed against a recipient with DOE or other Federal agencies;

(4) The scope of the problems revealed by an investigation commenced on the basis of a complaint filed with DOE against a recipient; and

(5) The amount of assistance provided to the recipient.

(c) After selection of a recipient for review, the Director Federally Assisted Programs Division or the Director's designee, shall inform the recipient of the selection. The notice shall be in writing and posted thirty days prior to the scheduled review. The letter will ordinarily request data pertinent to the review and advise the recipient of:

(1) The practices to be reviewed;

(2) The programs or activities affected by the review;

(3) The opportunity to make, at any time prior to receipt of DOE's finding, a written submission responding to

DOE which explains, validates, or otherwise addresses the practices under review; and

(4) The schedule under which the review will be conducted and a determination of compliance or noncompliance made.

(d) Within 90 days of arriving on-site to conduct the review, the Director, FAPD, shall advise the recipient, in writing, of:

(1) Preliminary findings;

(2) Where appropriate, recommendations for achieving voluntary compliance; and

(3) The opportunity to request DOE to engage in voluntary compliance negotiations prior to the Director's final determination of compliance or noncompliance. The Director or the Director's designee shall notify the Assistant Attorney General at the same time the recipient is notified of any matter where recommendations for achieving voluntary compliance are made.

(e) If, within 45 days of the recipient's notification under paragraph (d) of this section, the Director's (FAPD) recommendations for compliance are not met, or voluntary compliance is not secured, or the preliminary findings are not shown to be false, the matter will be forwarded to the Director for a determination of compliance or noncompliance. The determination is to be made no later than 60 days after the recipient has been notified of the preliminary findings. If the Director makes a determination of noncompliance, the Department shall institute actions specified in subparts G and H.

(f) Where the Director makes a formal determination of noncompliance, the recipient and the Assistant Attorney General shall be immediately advised, in writing, of the determination and of the fact that the recipient has an additional 10 days in which to come into voluntary compliance. If voluntary compliance has not been achieved within the 10 days, the Director shall institute proceedings under subpart H.

(g) All agreements to come into voluntary compliance shall be in writing and signed by the Director and an official who has authority to legally bind the recipient.

§ 1040.102 Compliance information.

(a) *Cooperation and assistance.* Each responsible Departmental official shall, to the fullest extent practicable, seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient shall keep reports and submit to the responsible Department official or his/her designee, timely, complete, and accurate compliance reports at the times, in such form, and containing information as the responsible Department official or the designee may determine to be necessary to enable him/her to ascertain whether the recipient has complied or is complying with this part. In general, recipients should have available for DOE data on program participants, identified by race, color, national origin, sex, age and handicap status. In the case of any program under which a primary recipient extends Federal financial assistance to any other recipient or subcontracts with any other person or group, such other recipient shall also submit compliance reports to the primary recipient which will enable the primary recipient to carry out its obligations under this part.

(c) *Access to sources of information.* Each recipient shall permit access by the responsible Department official or his/her designee during normal business hours to books, records, personnel records, accounts, other sources of information, and its facilities, which are pertinent to ascertain compliance with this part. The requirement for access to sources of information shall be contained in the certificate of assurance and agreed to by the recipient as a condition to award. Whenever any information required of a recipient is in the exclusive possession of any other agency, institution, or person and that agency, institution, or person fails or refuses to furnish that information, the recipient shall certify this in its report and set forth the efforts which it has made to obtain the information. The sub-recipient in such case shall be subject to proceedings described under subpart H of this part.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons information regarding the provisions of this section and its applicability to the program under which the recipient receives Federal financial assistance. Information is to be made available to beneficiaries, participants, and other interested persons in a manner which the responsible Department officials find necessary to inform such persons of the protections against discrimination assured them by this part and the statutes to which this part applies.

§ 1040.103 [Reserved]**§ 1040.104 Complaint investigation.**

(a) The Director, FAPD, shall investigate complaints of discrimination that allege a violation of—

(1) Title VI of the Civil Rights Act of 1964, Sec. 16 of the Federal Energy Administration Act of 1974, as amended, or Sec. 401 of the Energy Reorganization Act of 1974;

(2) Title IX of the Education Amendments of 1972, as amended;

(3) Section 504 of the Rehabilitation Act of 1973, as amended;

(4) Age Discrimination Act of 1975, as amended, (reserved in this part);

(5) Title VIII of the Civil Rights Act of 1968, as amended, (reserved in this part);

(6) This part; and

(7) Civil rights provisions of statutes administered pursuant to the DOE Organization Act, Pub. L. 95–91.

(b) No complaint will be investigated if it is received by an appropriate Departmental official more than 180 days after the date of the alleged discrimination, unless the time for filing is extended by the Director, FAPD, for good cause shown. Where a complaint is accepted for investigation, the Director, FAPD, will initiate a DOE investigation. The Director, FAPD, who is responsible for the investigation, shall notify the complainant, in writing, if the complaint has been accepted or rejected.

(c) The Director, FAPD, or his/her designee shall conduct investigations of complaints as follows:

(1) Within 35 days of receipt of a complaint, the Director, FAPD, shall:

(i) determine whether DOE has jurisdiction under paragraphs (a) and (b) of this section;

(ii) If jurisdiction is not found, wherever possible, refer the complaint to the Federal agency with such jurisdiction and advise the complainant;

(iii) If jurisdiction is found, notify the recipient alleged to be discriminating of receipt of the complaint; and

(iv) Initiate the investigation.

(2) The investigation will ordinarily be initiated by a letter requesting data pertinent to the complaint and advising the recipient of:

(i) The nature of the complaint and, with the written consent of the complainant, the identity of the complainant. The identity of the complainant may be revealed by the Director, FAPD, OEO, without the complainant's written consent if the Director, FAPD, OEO, determines that such action is necessary for resolution of the complaint;

(ii) The program or activities affected by the complaint;

(iii) The opportunity to make, at any time prior to receipt of DOE's findings, a documentary submission responding to, rebutting, or denying the allegations made in the complaint; and

(iv) The schedule under which the complaint will be investigated and a determination of compliance made.

(3) Within 90 days of initiating the investigation, the Director, FAPD, shall advise the recipient, in writing of:

(i) Preliminary findings;

(ii) Where appropriate, recommendations for achieving voluntary compliance; and

(iii) The opportunity to request DOE to engage in voluntary compliance negotiations prior to the Director's final determination of compliance or non-compliance. The Director or the Director's designee shall notify the Assistant Attorney General and the recipient of any matter where recommendations for achieving voluntary compliance are made.

(4) If, within 45 days of the recipient's notification under paragraph (c)(3) of this section, the Director's (FAPD) recommendations for compliance are not met, or voluntary compliance is not se-

cured, or the preliminary findings are not shown to be false, the matter will be forwarded to the Director, OEO, for a determination of compliance or non-compliance. The determination is to be made no later than 60 days after the recipient has been notified of the preliminary findings. If the Director makes a determination of noncompliance, the Department shall institute actions specified in subpart H.

(5) Where the Director makes a formal determination of noncompliance, the recipient and the Assistant Attorney General shall be immediately advised, in writing, of the determination and of the fact that the recipient has an additional 10 days in which to come into voluntary compliance. If voluntary compliance has not been achieved within the 10 days, the Director shall institute proceedings under subpart H. All agreements to come into voluntary compliance shall be in writing and signed by the Director, OEO, and an official who has authority to legally bind the recipient. The complainant shall also be notified of any action taken including the closing of the complaint or achievement of voluntary compliance.

(6) If the complainant or party other than the Attorney General has filed suit in Federal or State court alleging the same discrimination alleged in a complaint to DOE, and if during DOE's investigation, the trial of that suit would be in progress, DOE will consult with the Assistant Attorney General and court records to determine the need to continue or suspend the investigation and will monitor the litigation through the court docket and contacts with the complainant. Upon receipt of notice that the court has made a finding of discrimination against a recipient that would constitute a violation of this part, the DOE may institute administrative proceedings as specified in subpart H after DOE has advised the recipient, in writing, of an opportunity to request voluntary compliance under this section. All agreements to come into voluntary compliance shall be in writing and signed by the Director and an official who has authority to legally bind the recipient.

(7) The time limits listed in paragraphs (c)(1) through (c)(6) of this section shall be appropriately adjusted where DOE requests another Federal agency to act on the complaint. DOE is to monitor the progress of the matter through liaison with the other agency. Where the request to act does not result in timely resolution of the matter, DOE is to institute appropriate proceedings as required by this part.

(d) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by the laws implemented in this part or because the complainant has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this subpart. The identity of complainants is to be kept confidential except as determined by the Director, FAPD, to be necessary to carry out the purpose of this subpart, including investigations, hearings, or judicial proceedings arising thereunder.

Subpart H—Enforcement

MEANS OF EFFECTING COMPLIANCE

§ 1040.111 Means available.

If there appears to be a failure or threatened failure to comply with any of the provisions of this part, and if the noncompliance or threatened noncompliance cannot be corrected by voluntary means, compliance with this part may be effected by the suspension, termination of, or refusal to grant or to continue Federal financial assistance, or by any other means authorized by law. Such other means may include, but are not limited to:

(a) Referral to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law including the Civil Rights Act of 1964, other statutes to which this part applies, or any assurance or other contractual undertaking; and

(b) Any applicable proceeding under State or local law.

§ 1040.112 Noncompliance with assurances.

If an applicant fails or refuses to furnish an assurance required under § 1040.4 of subpart A of this part, or otherwise fails or refuses to comply with a requirement imposed by this part, such as § 1040.102(c), subpart G of this part, action to refuse Federal financial assistance shall be taken in accordance with procedures of § 1040.114 of this subpart.

§ 1040.113 Deferral.

DOE may defer action on pending applications for assistance in such a case during pendency of administrative proceedings under § 1040.114 of this subpart.

§ 1040.114 Termination of or refusal to grant or to continue Federal financial assistance.

No order suspending, terminating, or refusing to grant or continue Federal financial assistance is to become effective until:

(a) Informational notice of the proposed order is given to the Executive Assistant to the Secretary, if the action is contemplated against a State or local government;

(b) The Director has advised the applicant or recipient of his/her failure to comply and has determined that compliance cannot be secured by voluntary means. (It will be determined by the Director that compliance cannot be secured by voluntary means if it has not been secured within the time periods specifically set forth by this part.)

(c) There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with the requirement imposed by or under this part;

(d) The FERC has notified the Secretary of its finding of noncompliance; and

(e) The expiration of 30 days after the Secretary or a designee has filed with the committee of the House of Representatives and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend, terminate, or to refuse to grant or to continue Federal financial

assistance is to be limited to the particular political entity or part of that entity or other applicant or recipient to whom the finding has been made and shall be limited in its effect to the particular program or part of the program in which the noncompliance has been found.

§ 1040.115 Other means authorized by law.

No action to effect compliance by any other means authorized by law is to be taken until—

(a) The Director has determined that compliance cannot be secured by voluntary means;

(b) The recipient or other person has been notified by the Director, in writing, that it has been found in formal noncompliance and that it has 10 days before formal enforcement proceedings begin in which to enter into a written voluntary compliance agreement.

(c) The expiration of at least ten (10) days from the mailing of the notice to the recipient or other person.

OPPORTUNITY FOR HEARING

§ 1040.121 Notice of opportunity for hearing.

(a) Whenever an opportunity for hearing is required by § 1040.113, the Director, OEO, or his/her designee shall serve on the applicant or recipient, by registered, certified mail, or return receipt requested, a notice of opportunity for hearing which will:

(1) Inform the applicant or recipient of the action proposed to be taken and of his/her right within twenty (20) days of the date of the notice of opportunity for hearing, or another period which may be specified in the notice, to request a hearing;

(2) Set forth the alleged item or items of noncompliance with this part;

(3) Specify the issues;

(4) State that compliance with this part may be effected by an order providing for the termination of or refusal to grant or to continue assistance, as appropriate, under the program involved; and

(5) Provide that the applicant or recipient may file a written answer with the Director, OEO, to the notice of opportunity for hearing under oath or af-

firmation within twenty (20) days of its date, or another period which may be specified in the notice.

(b) An applicant or recipient may file an answer, and waive or fail to request a hearing, without waiving the requirement for findings of fact and conclusions of law or the right to seek review by the FERC in accordance with the provisions established by the FERC. At the time an answer is filed, the applicant or recipient may also submit written information or argument for the record if he/she does not request a hearing.

(c) An answer or stipulation may consent to the entry of an order in substantially the form set forth in the notice of opportunity for hearing. The order may be entered by the General Counsel or his/her designee. The consent of the applicant or recipient to the entry of an order shall constitute a waiver by him/her of a right to:

(1) A hearing under Sec. 902 of title IX of the Education Amendments of 1972, Section 602 of title VI of the Civil Rights Act of 1964, Section 16, Section 401 and § 1040.113;

(2) Findings of fact and conclusions of law; and

(3) Seek review by the FERC.

(d) The failure of an applicant or recipient to file an answer within the period prescribed or, if the applicant or recipient requests a hearing, his failure to appear at the hearing shall constitute a waiver by him/her of a right to:

(1) A hearing under Section 902 of title IX of the Education Amendments of 1972, Section 602 of title VI of the Civil Rights Act of 1964, Section 16, Section 401, and § 1040.113;

(2) Conclusions of law; and

(3) Seek review by the FERC.

In the event of such a waiver, the Secretary or a designee may find the facts on the basis of the record available and enter an order in substantially the form set forth in the notice of opportunity for hearing.

(e) An order entered in accordance with paragraph (c) or (d) of this section shall constitute the final decision of DOE unless the FERC, within forty-five (45) days after entry of the order, issues a subsequent decision which

shall then constitute the final decision of DOE.

(f) A copy of an order entered by the FERC official shall be mailed to the applicant or recipient and to the complainant, if any.

§ 1040.122 Request for hearing or review.

Whenever an applicant or recipient requests a hearing or review in accordance with § 1040.121(a)(1) or (b), the DOE General Counsel or his/her designee shall submit such request along with other appropriate documents to the FERC.

§ 1040.123 Consolidated or joint hearings.

In cases in which the same or related facts are asserted to constitute non-compliance with this part with respect to two or more programs to which this part applies or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued to implement the requirements of the laws cited in this part, the Secretary or a designee, in coordination with FERC may, by agreement with other departments or agencies, where applicable, provide for the conduct of consolidated or joint hearings and for the application to such hearings of rules of procedure not inconsistent with this part. Final decision in such cases, insofar as programs subject to this part are concerned, shall be made in accordance with procedures established by the FERC.

§ 1040.124 Responsibility of the Federal Energy Regulatory Commission.

The FERC has authority under section 402(b) of the DOE Organization Act, Pub. L. 95–91, to promulgate regulations regarding the conduct of hearings to deny or terminate Federal financial assistance. Rules for conduct of hearings will be published by the FERC and will be placed in title 18 CFR.
