

Helping the Student with Diabetes Succeed: A Guide for School Personnel *Now Available from the National Diabetes Education Program*

This comprehensive guide provides school personnel, parents, and students with a framework for managing diabetes effectively in the school setting. The guide helps to ensure that students with diabetes are medically safe and have access to all educational opportunities and activities. Developed by the U.S. Department of Health and Human Services' National Diabetes Education Program, the guide includes user-friendly tools, copier-ready action plans, a diabetes primer, and a review of school responsibilities under federal laws. To obtain a copy of the guide, visit www.ndep.nih.gov/resources/school.htm or call 1-800-438-5383.
