---------------------------	----------------------	-------------------------

**DEPARTMENT OF THE NAVY**  
COMMANDER MILITARY SEALIFT COMMAND  
WASHINGTON NAVY YARD BLDG 210  
901 M STREET SE  
WASHINGTON DC 20398-5540

COMSCINST 5000.21A  
N002  
26 May 1995

COMSC INSTRUCTION 5000.21A

Subj: COMMAND ADDRESS DIRECTORY

Encl: (1) Addresses of MSC Commands  
(2) Zips for Ships

1. Purpose. To provide a complete listing of mailing and message addresses, Unit Identification Codes (UICs) and Standard Navy Distribution List (SNDL) codes for MSC activities. This is a complete revision and should be read in its entirety.

2. Cancellation. COMSCINST 5000.21A.

3. Discussion. To expedite mail handling and to facilitate handling by the U.S. Postal Service OCR scanners and bar code readers, addresses must be typed in all capital letters. Handwritten or rubber stamped addresses are not acceptable. Nothing may be typed/written below the address. Optional lines above the recipient's name may include non-address data or information/attention lines. Omit punctuation when possible. The following is an example of a properly typed address:

**MR JOHN Q PUBLIC**  
**GOVERNMENT CONTRACTORS INC**  
**4567 FEDERAL SUITE 400**  
**ANYTOWN VA 34567-7891**

4. Information. The following titles are used to distinguish between MSC representatives and MSC common-service representatives.

a. MSC Representative. A naval officer or DON civilian employee assigned to the MSC organization.

b. MSC Common-Service Representative. A U.S. military member, DOD civilian or consular officer representing MSC in areas where MSC interests do not warrant establishment of an MSC office or representative.

COMSCINST 5000.21A

26 May 1995

5. Mailing Addresses. The mailing addresses listed in enclosures (1) and (2) are For Official Use Only. MSC Area Commanders are responsible for maintaining the currency of the information in enclosure (1), for their respective geographical areas, and for advising COMSC (N0021) as changes occur.

Distribution:

COMSCINST 5000.19

## ZIPS FOR SHIPS

Zip codes for USNS and MPS ships are provided below along with the ship's Standard Navy Distribution List (SNDL) and Unit Identification Code (UIC). The appropriate gateway designator (FPO or AE or AA) is determined by matching the first three numbers of the zip code with the legend located at the bottom of each page. For example, the official mailing address for the USNS ANDREW J HIGGINS is:

MASTER  
USNS ANDREW J HIGGINS (T-AO 190)  
FPO AP 96667-4001
