COMSC NOTICE 5214

Subj: CONSOLIDATED INDEX OF RECURRING REPORTS

Encl: (1) List of Recurring Reports  
 (2) List of Canceled Reports

1. Purpose. To provide a consolidated index of recurring reports.
2. Information. It is the responsibility of each code to become familiar with the cognizant requirements listed in this index. Enclosure (1) provides a list of controlled reports applicable to Military Sealift Command (MSC) commands and ships. Enclosure (2) provides a list of canceled reports that no longer require submission/collection. The list is compiled to comply with prescribed DOD and Navy reports management practices.

3. Organization of Index

a. The reports are grouped by agency and by major subject identification codes to coincide with Navy Standard Subject Identification Codes prescribed in SECNAVINST 5210.11D. Within the subject grouping the reports are arranged in the numerical sequence of the assigned reports symbol.

b. The frequency code column indicates the frequency of submission:

A..... Annual	D..... Daily	TRA..... Thrice Yearly
AR..... As Required	M..... Monthly	TRI..... Triennially
BI..... Biennially	Q..... Quarterly	W..... Weekly
BM..... Bimonthly	S..... Situation	X..... See Directive
BW..... Biweekly	SA..... Semiannual	*..... Every 3rd Voyage

c. Entries in the "ORIG CODE" column indicate the organizational segment having functional accountability of the reported information.

COMSCNOTE 5214

12 April 2002

4. Reports Control Symbols. All approved reporting requirements are assigned a reports control symbol by the requiring command. These symbols indicate official clearance of the report as required by the Navy Reports Management Program; recurring reporting requests not having such a symbol should be challenged.

5. Errors and Omissions. Although the data contained in enclosures (1) and (2) has been compiled with care, errors and omissions may exist. Notify N0021 when there are any necessary changes (i.e., additions, deletions, corrections).

6. Cancellation Contingency. This notice will remain in effect until canceled by a superseding notice.
