VOLCANOES!

Activity Sheet 5.2a Eyewitness Accounts

What to do

For each eyewitness, write in the spaces provided: the name, approximate location during the eruption, and important statements the eyewitness makes about the eruption. These accounts were excerpted from the "Summary of Eyewitness Accounts of the May 18 Eruption," by J.G. Rosenbaum and Richard B. Waitt, Jr., in The 1980 Eruptions of Mount St. Helens, Washington, USGS Professional Paper, 1250.
