The Security Officer may refuse to accept any request that he or she believes lacks sufficient information. Each proposed Visit and each individual visitor must be justified and a separate approval request must be submitted for each Visit, unless the Security Officer agrees to approve multiple Visits by the same person or persons for the same purpose, for a period not to exceed sixty (60) days.

(d) The Security Officer shall evaluate the request, as soon as practicable after receiving it. The Security Officer may approve or disapprove a request pending submittal of additional information by the requester. When practicable, the Security Officer’s decision shall be communicated to the requester by any means at least one (1) day prior to the date of the proposed Visit, and, in all cases, the decision shall be confirmed in writing as promptly as possible.

(e) A record of all Visit requests, including the decision to approve or disapprove, and information regarding consummated Visits, such as date and place, as well as the names, business affiliation and dates of birth of the visitors, and the NewComm personnel involved, shall be maintained by the Security Officer. In addition, a chronological file of all documentation associated with such Visits, together with records of approvals and disapprovals, shall be maintained for two (2) years by the Security Officer for provision at the request of the FBI, DOJ, or DHS.

In no event shall a vacancy for the position of Director of Network exist for a period of more than ninety (90) days before NewComm appoints a qualified candidate to fill such vacancy.

3.12 Nondisclosure of Protected Data. The designated Security Officer shall not directly or indirectly disclose information concerning Lawful U.S. Process, Classified Information, Sensitive Information, or Controlled Unclassified Information to any third party, or officer, director, shareholder, employee, agent, or contractor of NewComm, Moviles, or TEM PR, including those who serve in a supervisory, managerial or officer role with respect to the Security Officer, unless disclosure has been approved by prior written consent obtained from the FBI, DOJ, and DHS, or there is an official need for disclosure of the information in order to fulfill an obligation consistent with the purpose for which the information is collected or maintained, provided that the disclosure of Controlled Unclassified Information not related to the subject matter of this Agreement need only be consistent with the ITAR or EAR, as applicable.

3.13 Notice of Obligations. NewComm shall instruct appropriate officials, employees, contractors, and agents as to NewComm’s obligations under this Agreement, including the individuals’ duty to report any violation of this Agreement and the reporting requirements in Sections 5.2, 5.6, and 5.9 of this Agreement, and shall issue periodic reminders to them of such obligations.

3.14 Access to Classified, Controlled Unclassified, or Sensitive Information. Nothing contained in this Agreement shall limit or affect the authority of a U.S. Government

Authority to deny, limit or revoke NewComm's access to Classified, Controlled Unclassified, and Sensitive Information under that Government Authority's jurisdiction.

3.15 Screening of Personnel. NewComm shall implement a thorough screening process through the Security Officer or a reputable third party to ensure that all personnel whose positions involve access to the Domestic Communications Infrastructure that enables those persons to monitor the content of Wire or Electronic Communications (including in electronic storage) or to have access to Network Management Information, Transactional Data, Call Associated Data, or Subscriber Information, persons who have access to Sensitive Information, and security personnel meet personnel screening requirements commensurate with the risk posed to national security by their access to facilities, equipment, or information subject to this Agreement.

(a) NewComm shall consult with the DOJ, FBI, and DHS on the screening procedures required under this Section. The DOJ, FBI, and DHS shall take into consideration NewComm's current and proposed screening procedures in its determination of such screening procedures, which shall be consistent with the guidance to U.S. government agencies under Executive Order 10450, and agrees to provide a list of positions subject to screening under this Section to the DOJ, FBI, and DHS. The parties shall categorize the positions according to the risk posed to national security by the level of access to facilities, equipment, and information subject to this Agreement and shall agree upon the level of screening necessary to satisfy this Section for each access level. Upon request, NewComm shall provide to the investigation services of the DOJ, FBI, and DHS, or, in the alternative, to the investigation service of the United States Office of Personnel Management ("OPM"), all the information it collects in its screening process of each candidate. Candidates for these positions shall be informed, and shall consent, that the information collected during the screening process may be provided to the U.S. government. Current and newly hired personnel subject to screening will be required to sign a non-disclosure agreement approved in advance by the DOJ, FBI, and DHS.

(b) If the DOJ, FBI, or DHS so desires, it may on its own, or through OPM's investigations service, conduct further background checks on screened personnel. NewComm will cooperate with any U.S. government agency undertaking any such further background checks.

(c) Individuals who are rejected by NewComm or by the DOJ, FBI, or DHS under the screening requirements of this Section will not be hired, or, if they have begun their employment, will be immediately removed from their positions, or otherwise have their duties immediately modified so that they are no longer performing a function that would require screening under this Section. Any rejection by the DOJ, FBI, or DHS shall be provided in writing to NewComm within a reasonable time, no longer than thirty days after receipt of said rejection,

in accordance with Section 5.15. NewComm will notify the DOJ, FBI, and DHS of the transfer, departure, or job modification of any individual rejected as a result of the screening conducted pursuant to this Section within seven (7) days of such transfer or departure, and shall provide the DOJ, FBI, and DHS with the name, date of birth and social security number of such individual.

(d) NewComm shall provide training programs to instruct screened personnel as to their obligations under the Agreement and the maintenance of their trustworthiness determination or requirements otherwise agreed upon. NewComm shall monitor on a regular basis the status of screened personnel, and shall remove screened personnel who no longer meet the screened personnel requirements.

(e) NewComm shall maintain records relating to the status of screened personnel, and shall provide these records, upon request, to the DOJ, FBI, or DHS.

ARTICLE 4: DISPUTES

4.1 Informal Resolution. The Parties shall use their best efforts to resolve any disagreements that may arise under this Agreement. Disagreements shall be addressed, in the first instance, at the staff level by the Parties' designated representatives. Any disagreement that has not been resolved at that level shall be submitted promptly to Maria Dolores Pizarro Figueroa of NewComm, the General Counsel of the FBI, the Deputy Attorney General of the DOJ, the General Counsel of the DHS, or their respective designees, unless the FBI, DOJ or DHS believes that important national interests can be protected, or NewComm believes that paramount commercial interests can be resolved, only by resorting to the measures set forth in Section 4.2 of this Agreement. If, after meeting with higher authorized officials, any of the Parties determines that further negotiation would be fruitless, then that Party may resort to the remedies set forth in Section 4.2 of this Agreement. If resolution of a disagreement requires access to Classified Information, the Parties shall designate a person or persons possessing the appropriate security clearances for the purpose of resolving that disagreement.

4.2 Enforcement of Agreement. Subject to Section 4.1 of this Agreement, if any Party believes that any other Party has breached or is about to breach this Agreement, that Party may bring an action against the other Party for appropriate judicial relief. Subject to Article 7 of this Agreement, nothing in this Agreement shall limit or affect the right of a U.S. government agency to:

(a) require that the Party or Parties believed to have breached, or about to breach, this Agreement cure such breach within thirty (30) days, or whatever shorter time period is appropriate under the circumstances, upon receiving written notice of such breach;

(b) request that the FCC modify, condition, revoke, cancel, or render null and void any license, permit, or other authorization granted or given by the FCC to NewComm, or request that the FCC impose any other appropriate sanction, including but not limited to a forfeiture or other monetary penalty, against NewComm;

(c) seek civil sanctions for any violation by NewComm or an Affiliate of any U.S. law or regulation or term of this Agreement;

(d) pursue criminal sanctions against NewComm, or any director, officer, employee, representative, or agent of NewComm, or against any other person or entity, for violations of the criminal laws of the United States; or

(e) seek suspension or debarment of NewComm from eligibility for contracting with the U.S. Government.

4.3 Irreparable Injury. NewComm agrees that the United States would suffer irreparable injury if for any reason NewComm were to fail to perform any of its obligations under this Agreement, and that monetary relief would not be an adequate remedy. Accordingly, NewComm agrees that, in seeking to enforce this Agreement, the FBI, DOJ, and DHS shall be entitled, in addition to any other remedy available at law or equity, to specific performance and injunctive or other equitable relief.

4.4 Waiver. The availability of any civil remedy under this Agreement shall not prejudice the exercise of any other civil remedy under this Agreement or under any provision of law, nor shall any action taken by a Party in the exercise of any remedy be considered a waiver by that Party of any other rights or remedies. The failure of any Party to insist on strict performance of any of the provisions of this Agreement, or to exercise any right they grant, shall not be construed as a relinquishment or future waiver; rather, the provision or right shall continue in full force. No waiver by any Party of any provision or right shall be valid unless it is in writing and signed by the Party.

4.5 Forum Selection. It is agreed by and between the Parties that a civil action among the Parties for judicial relief with respect to any dispute or matter whatsoever arising under, in connection with, or incident to, this Agreement shall be brought, if at all, in the United States District Court for the District of Columbia.

4.6 Effectiveness of Article 4. This Article 4, and the obligations imposed and rights conferred herein, shall become effective upon execution of this Agreement by all the Parties.

ARTICLE 5: AUDITING, REPORTING, NOTICE AND LIMITS

5.1 Filings re *de jure* or *de facto* control of NewComm. If NewComm makes any filing with the FCC or any other Government Authority relating to a change in the *de*

facto or *de jure* control of NewComm except for filings with the FCC for assignments or transfers of control that are *pro forma*, NewComm shall promptly provide to the FBI, DOJ and DHS written notice and copies of such filing. This Section 5.1 shall become effective upon execution of this Agreement by all the Parties.

5.2 Control of NewComm. If any member of the senior management of NewComm (including the Chief Executive Officer, President, General Counsel, Chief Technical Officer, Chief Financial Officer, Director of Network, or other senior officer) acquires any information that reasonably indicates that any single foreign entity or individual, other than Moviles, has or will likely obtain an ownership interest (direct or indirect) in NewComm above 10 percent, as determined in accordance with 47 C.F.R. § 63.09, or if any foreign entity or individual, singly or in combination with other foreign entities or individuals, has or will likely otherwise gain either (1) Control or (2) *de facto* or *de jure* control of NewComm, then such senior manager shall cause NewComm through its Security Officer to notify the FBI, DOJ and DHS in writing within ten (10) calendar days. Notice under this Section shall, at a minimum:

- (a) Identify the entity or individual(s) (specifying the name, address(es) and telephone number(s) of the entity);
- (b) Identify the beneficial owner(s) of the increased or prospective increased interest in NewComm by the entity or individual(s) (specifying the name, address(es) and telephone number(s) of each beneficial owner); and
- (c) Quantify the amount of ownership interest in NewComm that the entity or individual(s) has or will likely obtain by increasing its ownership interest in or Control of NewComm.

5.3 Joint Ventures. NewComm may enter into joint ventures or other arrangements under which the joint venture or another entity may provide Domestic Communications.

- (a) If NewComm has the power or authority to exercise *de facto* or *de jure* control over such entity, then NewComm will require the entity to fully comply with the terms of this Agreement.
- (b) To the extent NewComm does not have *de facto* or *de jure* control over such joint venture or entity, NewComm shall in good faith notify such entity of this Agreement and its purposes, endeavor to have such entity fully comply with this Agreement, and consult with the FBI, DOJ, or DHS about the activities of such entity. Nothing in this Section 5.3 shall be construed to relieve NewComm of its obligations under Article 2 of this Agreement.
- (c) If NewComm enters into a joint venture under which the joint venture or entity may provide Domestic Communications, or transmission, switching, bridging, or routing equipment (including software and upgrades), or facilities

used to provide, process, direct, control, supervise or manage Domestic Communications, NewComm must provide the DHS with notice no later than thirty (30) days before the joint venture offers Domestic Communications service, equipment or facilities. The DHS will have thirty (30) days from receipt of the notice to review and provide NewComm with any objection to the joint venture. Any objection shall be based on national security, law enforcement, or public safety grounds. If the DHS objects, the joint venture shall not offer Domestic Communications service, equipment or facilities.

5.4 Reserved

5.5 Outsourcing. If NewComm contracts for functions covered by this Agreement to a third party, NewComm shall take reasonable steps to ensure that the third party complies with the applicable terms of this Agreement with respect to functions covered by this Agreement. Such steps shall include, at a minimum:

(a) NewComm shall disclose this Agreement in its entirety and shall discuss with the third party those specific obligations of NewComm under the Agreement that relate to the contracted-for services;

(b) NewComm shall promptly thereafter provide a concise report, in writing, to the DHS, DOJ and FBI setting forth, as to each such specific obligation of NewComm under the Agreement, the commitments of the third party that will ensure NewComm's compliance with each of its obligations;

(c) NewComm shall notify the DHS no later than thirty (30) days before contracting out any function covered by this Agreement to a third party that is identified, after reasonable inquiry by NewComm, as either Controlled by one or more foreign persons or combination of foreign persons under common Control, or ten (10) percent or more of whose voting equity is held, directly or indirectly, by one or more foreign persons or combination of foreign persons under common Control, which notice shall identify the name of the entity, state the functions covered by this Agreement to be performed under the contract, and include the report required under Section 5.5(b) above. The DHS will have thirty (30) days from receipt of the notice to review and provide NewComm with any objection to the contract. Any objection shall be based on national security, law enforcement, or public safety grounds. If the DHS objects in accordance with this Section, NewComm shall not proceed with execution or performance of the contract;

(d) NewComm shall include, in all contracts to perform functions covered by this Agreement with third parties that are either Controlled by, or have ten (10) percent or more of their voting equity held, directly or indirectly, by one or more foreign persons or combination of foreign persons under common Control, written provisions requiring the following:

- (i) The third party shall execute a nondisclosure agreement in a form approved by the DOJ, FBI and DHS which will include provisions barring disclosure of information obtained pursuant to the contract to any other person without the prior written permission of NewComm, and holding the third party liable for disclosure violations committed by any of its agents including directors, officers, employees, representatives or contractors;
 - (ii) To the extent that the third party or any employee or agent of such third party has security responsibilities, or has access to the Domestic Communications Infrastructure that enables those persons to monitor the content of Wire or Electronic Communications (including in electronic storage) or to obtain Network Management Information, such persons shall be subject to personnel screening, consistent with the level of screening required under Section 3.15 of this Agreement for NewComm personnel with similar access;
 - (iii) To the extent that the third party or any employee or agent of such third party has access to Transactional Data, Call Associated Data or Subscriber Information, such persons shall be specifically identified to NewComm, including each individual's name, date of birth, nationality, passport number (if applicable), and social security number (or equivalent), and NewComm shall retain the right to receive and review such identifying information, to provide it to the DOJ, FBI or DHS upon their written request, and to exclude individuals from having access to its Transactional Data, Call Associated Data or Subscriber Information;
 - (iv) Performance of the contract may not be assigned, delegated, or transferred to any other person or entity;
 - (v) Such contracts shall be subject to U.S. law and the third party shall consent to the jurisdiction of the U.S. federal courts in the District of Columbia for enforcement of the contract;
- (e) if NewComm receives information that reasonably indicates that the third party or any employee or agent has taken an action that, had it been committed by NewComm, would violate an applicable provision of this Agreement, or has violated its obligations to NewComm related to this Agreement, NewComm will notify the DOJ, FBI and DHS promptly, and with consultation and, as appropriate, cooperation with the DOJ, FBI and DHS, NewComm will take reasonable steps necessary to rectify the situation promptly, which steps may include (among others) terminating the outsourcing arrangement with the third party, including after notice and opportunity for cure, or initiating and pursuing litigation or other remedies at law and equity;

provided, however, that NewComm shall not contract for functions covered by this Agreement to any entity where, as a result of such contract, the entity would gain access to Sensitive Information.

Peering, interconnection, roaming, long distance, or other similar arrangements on which the Parties may agree shall not constitute outsourced functions for purposes of this Section.

For preexisting contracts that were in force on January 13, 2004, NewComm shall use its commercially reasonable best efforts to obtain the third party's commitments to comply with all applicable undertakings set forth in this Section 5.5, and shall promptly thereafter provide to the DHS, DOJ and FBI the report required under Section 5.5(b) above. The applicable provisions of this Section 5.5 shall apply in full to proposed contracts that were not signed as of January 13, 2004, and also to preexisting contracts that are subject to termination, renewal, or renegotiation of material terms after January 13, 2004.

5.6 Notice of Foreign Influence. If any member of the NewComm Board of Directors or senior management of NewComm (including the Chief Executive Officer, President, General Counsel, Chief Technical Officer, Chief Financial Officer, Director of Network, or other senior officer) acquires any information that reasonably indicates that any foreign government, any foreign government-controlled entity, or any foreign entity:

(a) plans to participate or has participated in any aspect of the day-to-day management of NewComm in such a way that interferes with or impedes NewComm's performance of its duties and obligations under the terms of this Agreement, interferes with or impedes NewComm's exercise of its rights under the Agreement, or foreseeably concerns NewComm's obligations under this Agreement; or

(b) plans to exercise or has exercised, as a direct or indirect shareholder of NewComm or its subsidiaries, any Control of NewComm in such a way that interferes with or impedes NewComm's performance of its duties and obligations under the terms of this Agreement, interferes with or impedes NewComm's exercise of its rights under the terms of this Agreement, or foreseeably concerns NewComm's obligations under this Agreement;

then such member shall promptly notify the Security Officer who, in turn, shall promptly notify the FBI, DOJ and DHS in writing of the timing and the nature of the foreign government's or entity's plans and actions.

5.7 Non-Retaliation. NewComm shall, by duly authorized action of its General Manager, ratified by its Board of Directors, adopt and distribute an official corporate policy that strictly prohibits NewComm from discriminating or taking any adverse action against any officer, director, employee, contractor or agent because he or she has in good

faith initiated or attempted to initiate a notice or report under Sections 5.2, 5.6 or 5.9 of this Agreement, or has notified or attempted to notify directly the Security Officer to convey information that he or she believes in good faith would be required to be reported to the FBI, DOJ, and DHS by the Security Officer under Sections 5.2, 5.6, or 5.9 of this Agreement. Such corporate policy shall set forth in a clear and prominent manner the contact information for the Security Officer to whom such contacts may be made directly by any officer, director, employee, contractor or agent for the purpose of such report or notification. Any violation by NewComm of any material term of such corporate policy shall constitute a breach of this Agreement.

5.8 Security Audit. NewComm shall conduct audits on an annual basis to assess its compliance with the terms of this Agreement, and shall furnish to the DOJ, FBI, and DHS a report in accordance with Section 5.12. NewComm shall provide DOJ, FBI, and DHS with a description of the scope and purpose of the audits at least three (3) months in advance of commencing an audit, and DOJ, FBI, and DHS shall have the right to review and approve the terms defining the scope and purpose of the audits. NewComm shall ensure that the auditor has full and unimpeded corporate authority to conduct the audits without restriction or limitation by any officer, director, employee, contractor or agent of NewComm. The terms defining the scope and purposes of the audits shall include, at a minimum, authority for the auditor (a) to review and analyze NewComm policies and procedures designed to implement this Agreement, all relevant information related to the configuration of the NewComm network, all minutes of meetings held or actions taken by the NewComm Board of Directors or Committees of the Board in accordance with this Agreement, all Security Officer logs and records including records related to facility visits, personnel screening data, and any reports submitted in accordance with Section 5.9 of this Agreement; and (b) to conduct a reasonable number of unannounced inspections of NewComm facilities each year, a reasonable volume of random testing of network firewalls, access points and other systems for potential vulnerabilities, and a reasonable number of confidential interviews of NewComm officers, directors, employees, contractors or agents concerning compliance with this Agreement. Upon request, NewComm shall provide the DOJ, FBI, or DHS with access to facilities, information, and personnel consistent with Sections 5.10 and 5.11 below in the event that the DOJ, FBI, or DHS wishes to conduct its own annual audit of NewComm's compliance with this Agreement.

5.9 Reporting of Incidents. NewComm shall report to the FBI, DOJ and DHS any information acquired by NewComm, or by any NewComm officer, director, employee, contractor or agent, that reasonably indicates:

- (a) a violation of this Agreement;
- (b) access to or disclosure of Domestic Communications, or the conduct of Electronic Surveillance, in violation of Federal, state or local law or regulation;

- (c) access to or disclosure of CPNI or Subscriber Information in violation of federal, state or local law or regulation (except for violations of FCC regulations relating to improper commercial use of CPNI); or
- (d) improper access to or disclosure of Classified, Sensitive, or Controlled Unclassified Information.

This report shall be made in writing by the Security Officer to the DOJ, FBI and DHS no later than ten (10) calendar days after NewComm acquires information that reasonably indicates a matter described in this Section 5.9. NewComm shall lawfully cooperate in investigating the matters described in this Section. NewComm need not report information where disclosure of such information would be in violation of an order of a court of competent jurisdiction in the United States.

5.10 Access to Information and Facilities. The FBI, DOJ and DHS may visit any part of NewComm's Domestic Communications Infrastructure and security offices to conduct on-site reviews concerning the implementation of the terms of this Agreement and may at any time require unimpeded access to information concerning technical, physical, management, or other security measures needed by the DOJ, FBI or DHS to verify compliance with the terms of this Agreement.

5.11 Access to Personnel. Upon reasonable notice from the FBI, the DOJ, or DHS, NewComm shall make available for interview any officers or employees of NewComm, and will seek to require contractors to make available appropriate personnel located in the United States, who are in a position to provide information to verify compliance with the terms of this Agreement; provided that the Parties shall, in good faith, take into consideration the actual availability of the necessary individuals.

5.12 Annual Report. On or before the last business day of January of each year after the Effective Date, the Chief Executive Officer or a designated senior corporate officer of NewComm shall submit to the FBI, DOJ and DHS a report assessing NewComm's compliance with the terms of this Agreement for the preceding calendar year. The report shall include:

- (a) a copy of all security audit reports compiled following an audit conducted pursuant to Section 5.8;
- (b) a copy of the policies and procedures adopted to comply with this Agreement;
- (c) a summary of the changes, if any, to the policies or procedures, and the reasons for those changes;

- (d) a summary of any known acts of noncompliance with the terms of this Agreement, whether inadvertent or intentional, with a discussion of what steps have been or will be taken to prevent such acts from occurring in the future; and
- (e) identification of any other issues that will or could affect the effectiveness of or compliance with this Agreement.

NewComm shall make available to the Security Officer in a timely fashion all information necessary to prepare the report required by this Section.

5.13 Information and Reports Concerning Network Architecture. If requested by the DOJ, FBI, or DHS, NewComm shall provide to the DOJ, FBI, and DHS, the following information regarding the interconnections and control of the Domestic Communications Infrastructure:

- (a) A description of the plans, processes and/or procedures, relating to network management operations, that prevent the Domestic Communications Infrastructure from being accessed or controlled from outside the United States.
- (b) A description of the placement of the Network Operations Center and interconnection (for service offload or administrative activities) to other domestic and international carriers, ISPs and critical U.S. financial, energy, and transportation infrastructures.
- (c) A description of NewComm's networks and operations processes, procedures for management control and relation to the backbone infrastructures of other service providers.
- (d) A description of any unique or proprietary control mechanisms of NewComm as well as of NewComm's operating and administrative software.
- (e) A report of Network Management Information that includes an assurance that network performance satisfies FCC rules and reporting requirements.

Once a report has been made under this Section 5.13, NewComm shall promptly report any material changes, upgrades and/or modifications to the items described in (a) - (e) above, including the installation of critical equipment and software. For the purposes of this Section, critical equipment and software shall include: routers, switches, gateways, network security appliances, network management/test equipment, operating systems and network and security software (including new versions, patches, upgrades, and replacement software), and other hardware, software, or systems performing similar functions. Monitors, desktop computers, desktop computer applications, disk drives, power supplies, printers, racks and the like are not "critical equipment or software" unless they perform functions similar to those of the items described in (a) - (e) above. Similarly, "material" shall refer to those changes, modifications and upgrades that alter

network operating characteristics or architecture--it does not apply to spare parts replacement, the one-for-one swapping of identical equipment or the related re-loading of system software or backups; provided, however, that network security configuration and capabilities remain unchanged.

5.14 Compliance Assurance. Moviles and TEM PR will take all steps necessary to ensure that NewComm complies with the terms of this Agreement.

5.15 Notices. Effective upon execution of this Agreement by all the Parties, all notices and other communications relating to this Agreement, such as a proposed modification, shall be in writing and shall be deemed given as of the date of receipt and shall be: (a) delivered personally; or (b) sent by facsimile; or (except as noted below) (c) sent by documented overnight courier service; or (d) sent by registered or certified mail, postage prepaid, addressed to the Parties' designated representatives at the addresses shown below, or to such other representatives at such others' addresses as the Parties may designate in accordance with this Section 5.15.

ARTICLE 6: FREEDOM OF INFORMATION ACT

6.1 Protection from Disclosure. The DOJ, FBI and DHS shall take all reasonable measures to protect from public disclosure all information submitted by NewComm to the FBI, DOJ and DHS in connection with this Agreement and clearly marked with the legend “Confidential; Subject to Protection Under 5 U.S.C. Section 553(b); Not to be Released Without Notice to NewComm” or similar designation. Such markings shall signify that it is NewComm’s position that the information so marked constitutes “trade secrets” and/or “commercial or financial information obtained from a person and privileged or confidential,” or otherwise warrants protection within the meaning of 5 U.S.C. § 552(b)(4). For the purposes of 5 U.S.C. § 552(b)(4), the Parties agree that information so marked is voluntarily submitted. If a request is made under 5 U.S.C. § 552(a)(3) for information so marked, and disclosure of any information (including disclosure in redacted form) is contemplated, the FBI, DOJ or DHS, as appropriate, shall notify NewComm of the intended disclosure as provided by Executive Order 12600, 52 Fed. Reg. 23781 (1987). If NewComm objects to the intended disclosure and its objections are not sustained, the FBI, DOJ or DHS, as appropriate, shall notify NewComm of its intention to release (as provided by Section 5 of Executive Order 12600) not later than five (5) business days prior to disclosure of the challenged information.

6.2 Use of Information for U.S. Government Purposes. Nothing in this Agreement shall prevent the FBI, DOJ, or DHS from lawfully disseminating information as appropriate to seek enforcement of this Agreement, or from lawfully sharing information as appropriate with other Government Authorities to protect public safety, law enforcement, or national security interests, provided that the FBI, DOJ and DHS take all reasonable measures to protect from public disclosure the information marked as described in Section 6.1.

ARTICLE 7: FCC CONDITION AND CFIUS PROCESS

7.1 FCC Approval. Upon execution of this Agreement by all the Parties, the FBI, DOJ and DHS shall promptly notify the FCC that, provided the FCC adopts a condition substantially the same as set forth in Exhibit A attached hereto (the "Condition to FCC Authorization"), the FBI, DOJ and DHS have no objection to the grant of NewComm's Petition for Declaratory Ruling and the Applications filed with the FCC in WT Docket No. 02-366. This Section 7.1 is effective upon execution of this Agreement by all the Parties.

7.2 CFIUS Process. Provided that the FCC adopts the Condition to the FCC Authorization, the Attorney General or the Secretary of Homeland Security shall not object to or oppose the TEM PR Transaction within the process conducted by the Committee on Foreign Investment in the United States ("CFIUS") or in any other forum or process examining the national security effects of the TEM PR Transaction. This commitment, however, does not extend to any objection the Attorney General or the Secretary of Homeland Security may wish to raise with CFIUS or the President in the event that (a) NewComm fails to comply with the terms of this Agreement; (b) the representations of NewComm made to the DOJ, FBI, DHS, or FCC above are materially untrue or incomplete; (c) there is a material increase in the authority of a foreign entity to exercise Control of NewComm; or (d) there is any other material change in the circumstances associated with the transaction at issue. The DOJ, FBI or DHS shall not register an objection or challenge or otherwise prevent or impede CFIUS's approval before the date the FCC adopts the Condition to the FCC Authorization, unless (a), (b), (c) or (d) occurs. This Section 7.2 shall become effective upon execution of this Agreement by all the Parties.

7.3 Future Applications. NewComm, Moviles, and TEM PR agree that in any application or petition by any of them or their Affiliates to the FCC for licensing or other authority filed with or granted by the FCC after the Effective Date, except with respect to *pro forma* assignments or *pro forma* transfers of control, such Party or its Affiliate shall request that the FCC condition the grant of such licensing or other authority on compliance with the terms of this Agreement. Notwithstanding Section 8.9, the FBI, DOJ and DHS reserve the right to object, formally or informally, to the grant of any FCC application or petition of such Party or its Affiliate for a license or other authorization under the Communications Act of 1934, as amended, and to seek additional or different

terms that would, consistent with the public interest, address any threat to their ability to enforce the laws, preserve the national security, and protect the public safety raised by the transactions underlying such applications or petitions.

ARTICLE 8: OTHER

8.1 Right to Make and Perform Agreement. NewComm represents that it has and shall continue to have throughout the term of this Agreement the full right to enter into this Agreement and perform its obligations hereunder and that this Agreement is a legal, valid, and binding obligation of NewComm enforceable in accordance with its terms.

8.2 Headings. The headings, including article and section headings, and numbering in this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of the terms of this Agreement.

8.3 Other Laws. Nothing in this Agreement is intended to limit or constitute a waiver of (a) any obligation imposed by any U.S., state or local laws on NewComm; (b) any enforcement authority available under any U.S. or state laws; (c) the sovereign immunity of the United States; or (d) any authority over NewComm's activities or facilities located within or outside the United States that the U.S. Government may possess (including without limitation authority pursuant to the International Emergency Economic Powers Act). Nothing in this Agreement is intended to cause or is to be interpreted to require the Parties to violate any applicable U.S. law.

8.4 Statutory References. All references in this Agreement to statutory provisions shall include any future amendments to such statutory provisions.

8.5 Non-Parties. Nothing in this Agreement is intended to confer or does confer any rights on any person other than the Parties and any Government Authorities in the United States entitled to effect Electronic Surveillance pursuant to Lawful U.S. Process.

8.6 Modifications. This Agreement may be modified only by written agreement signed by all of the Parties.
