

**SUBSTANCES THAT APPEARED ON THE 2001 PRIORITY LIST OF HAZARDOUS  
SUBSTANCES, BUT FAILED TO APPEAR ON THE  
2003 PRIORITY LIST OF HAZARDOUS SUBSTANCES**

Eleven substances that appeared on the 2001 Priority List of Hazardous Substances did not appear on the 2003 priority list of 275 substances. (For the interested reader, the 11 replacement substances are denoted by "NEW" in the 2001 rank column of the 2003 priority list [Chapter 1]). These substances are now ranked greater than 275, which is the cut-off for the priority list.
