

SF-1113

To ensure that payments and adjustments are made in a timely manner, your SF 1113 must include: standard carrier alpha code (SCAC), payee code, and all service codes. The service codes are located in our billing instructions, Appendix B.

Effective July 1, 1999, any SF 1113 submitted that does not include the above information will be returned without action.

Please feel free to call our Customer Service Resource Center at 1-888-425-7729 (selection #1), if you have any questions.
