

CHANGE TO FREIGHT BILLINGS

Effective December 1, 1999, upgrades to the Defense Transportation Payment System (DTRS) will be implemented in order to meet "Y2K" initiatives/requirements. We request that our customers submit one Government Bill of Lading per Public Voucher (SF1113) to expedite payments. Please call our Customer Service Resource Center if you have questions at 1-888-GBLS-Pay (1-888-425-7729, SELECT #1).
