The screenshot shows the FCC website's 'Tower Construction Notification' page. The page title is 'Tower Construction Notification New Notification'. It includes a navigation bar with links for 'FCC Home', 'Search', 'Updates', 'E-Filing', 'Initiatives', 'For Contributors', and 'Find People'. The main content area contains introductory text and a 'New Notification' form. The form is titled 'This structure is being proposed by (all fields required)'. It has several sections for entering contact information: 'Individual Name' (with fields for First, MI, Last, and Suffix), 'Entity Name', 'Contact Name' (with fields for First, MI, Last, and Suffix), 'PO Box', 'Street Address', 'City', 'State' (a dropdown menu), 'Zip Code', 'Phone' (with fields for area code, number, and extension), and 'Email'. Below the form is a link for 'Add Attachments' and a 'CONTINUE' button. At the bottom of the page, there is a footer with contact information for the Federal Communications Commission, including phone numbers, a fax number, an email address, and links to various services and information.

This page requests contact information for the individual or entity proposing a new antenna structure. Click on "Continue" to go to the next page to submit details of the proposed antenna structure. After the completion of these two pages, you will have the opportunity to review and edit your information before submission to the FCC.

This system is intended to facilitate consultation under Section 106 of the National Historic Preservation Act by providing early notification of proposed construction to Tribal and State Historic Preservation Officers. This system is not to be used in place of Section 106 consultation, and use of this notification system in itself does not satisfy parties' obligations with respect to historic preservation review under the Commission's rules.

**Please note: the submission of this notification is NOT to be considered a submission for Antenna Structure Registration.** Tower structures that require antenna structure registration based on FCC Rules 47 C.F.R. Part 17 must complete FCC Form 654 after FAA clearance is obtained.
