FSN-1900 LEGAL GROUP

(TL:FSNH-20; 4-29-94)

This group includes all classes of positions the duties of which are to advise on or perform duties or work of legal nature.

The only series presently included in this group is:

Legal Advisor Series

FSN 1905

FSN-1905 LEGAL ADVISOR SERIES

This series includes positions, the duties of which are to serve as legal advisors to high level embassy or associated agency officials on matters requiring and interpretation of host country local, regional, or national laws. A collegiate degree equivalent to an LLB in the United States is a fundamental requirement for positions in this series.

It is not intended that this series be used for the classification of positions in which the incumbents are engaged in administrative, security, consular, or other functions in which legal training or experience, although useful, is not a requisite qualification. No position classification standards have been written for this series. Classification levels of positions belonging in this series should be determined by reference to the General Grade Level Guides (3 FAH 2 H-400 Appendix G) and to standards for positions of comparable professional difficulty, responsibility, and qualification requirements.
