INSTRUCTIONS

SECTION A - ACTION(S) REQUESTED: Please check the box(es) next to the action(s) requested. Fill out the sections listed for each action. If multiple permits are being combined to either increase the size endorsement or to stack (sablefish-endorsed only), a separate form must be completed for each permit. For actions that include a change in vessel registered to a sablefish-endorsed permit, there are three sub-actions that can be taking place (stacking, moving, or removing).

1. If a sablefish-endorsed permit is being **stacked**, going from an "unidentified" vessel status to a named vessel, check the first sub-box under "change in vessel registered to a permit."
2. If a sablefish-endorsed permit is being **moved**, going from one named vessel to another named vessel, check the both sub-boxes under "change in vessel registered to a permit."
3. If a sablefish-endorsed permit is being **removed**, going from a named vessel to an "unidentified" vessel status, check the second sub-box under "change in vessel registered to a permit."

SECTION B - CURRENT PERMIT OWNER: List permit number, vessel name currently registered to the permit, and vessel registration number. List each permit owner(s) as given on the current permit. Enter the Social Security Number(s) or Tax Identification number of the current permit owner. Note the Privacy Act Statement at the end of the application. This section must be signed by an authorized individual or permit owner(s) in order for NMFS to implement the designated actions (**See NOTE 1 below**). If the permit owner uses a business agent to prepare permit change request, please attach to the form the agent and company name.

SECTION C - CHANGE OF VESSEL REGISTERED TO PERMIT: If you are changing the vessel registered to the permit, please indicate the name and registration number of the current vessel listed on the permit on the left side of Section C and list the name and registration number of the new vessel on the right side of Section C. List the length overall of both the current and new vessels. A marine survey must be provided for a vessel not currently registered to a limited entry permit to verify length overall. If the permit is not being registered to a specific vessel, indicate "unidentified" for the new vessel name.

SECTION D - NEW PERMIT OWNER: List each new permit owner's name(s), a business address and phone number. Enter the Social Security Number(s) or Tax Identification number of the new permit owner. Note the Privacy Act Statement at the end of the application.

SECTION E - PERMIT HOLDER: If the holder of the permit is different than the permit owner (as in the case of permit leases), list the individual(s) or business name, address and phone number. If the permit holder is different from the listed permit owner, enter the Social Security Number(s) or Tax Identification. If removing the permit holder, just check the box "remove holder" in the section but do not fill out the rest of the section. **Note:** The permit holder must be the same as the vessel owner as stated in regulation at 50 CFR Part 660.333(a).

SECTION F - CERTIFICATION OF APPLICANT AND NOTARY: The applicant or authorized agent must sign and date the application in the presence of a notary to certify that the individual(s) signing the form have satisfactorily identified themselves. By signing and dating the application, the applicant or authorized agent certifies that all information set forth in the application is true, correct, and complete to the best of the applicant's knowledge and belief. To protect you and your permit from fraud, the application will not be considered without the applicant's or authorized agent's signature. **Note:** If a representative is acting on behalf of the applicant, written authorization signed by the applicant must be submitted with the application. The notary must also sign and date the certification statement, and affix their notary stamp or seal.

NOTE 1: Persons who are signing on behalf of an organization or another party, need to submit evidence of authority to sign such as: notarized power of attorney, corporate resolutions, certified court documents relative to divorce decrees and judgements or appointments as executor, etc. If the permit is owned by co-owners, both owners must sign.

NOTE 2: Persons eligible to own a documented vessel are:

- an individual who is a citizen of the United States
- an association, trust, joint venture or other entity -
 - a) all of whose members are citizens of the United States; and
