Re: CAN-SPAM Act Rulemaking, Project No. R411008

To The Commissioners:

As a small business owner who uses e-mail, I applaud the fact that you are about to regulate the BULK SPAMMERS.

My fear is that if I am required to maintain suppression lists, this proposed regulation would have an adverse affect on me and thousands of other small merchants.

We would have to close down, while the bulk spammers have the ability to fight this or to come up with another way around it.

Sincerely,

Joseph C. Mooney
Vice President

*Please give careful consideration
to those small businesses that
may be hurt by this proposed
regulation*
