

MILITARY COMPOSITE STANDARD PAY AND REIMBURSEMENT RATES
FISCAL YEAR 1997

OVERVIEW

Military Service-wide military composite pay rates, when accelerated in accordance with provisions of Chapter 26 of the “DoD Accounting Manual” (DoD 7220.9-M), are to be charged for reimbursements for services provided, as well as to be used in determining the cost of military personnel in management studies. Attached at Tabs K-2 through K-5 are the Military Composite Standard Pay and Reimbursement Rates to be used for FY 1997 for each of the Military Services. Also provided are amounts billable to non-DoD entities. The billable amounts include acceleration factors for Other Personnel Support Costs only.

The FY 1997 Military Composite Standard Pay and Reimbursement Rates are effective October 1, 1996.
