

Related Change Request (CR) #: 3314
Related CR Release Date: May 28, 2004
Related CR Transmittal #: 184
Effective Date: July 1, 2004
Implementation Date: July 6, 2004

Medlearn Matters Number: MM3314

July Outpatient Prospective Payment System Code Editor (OPPS OCE) Specifications Version 5.2

Provider Types Affected

Hospitals and other providers paid under the Outpatient Prospective Payment System (OPPS).

Provider Action Needed

Affected hospitals and providers should note that this CR reflects the specifications that were issued for the April release of the OPPS OCE (Version 5.1), as well as changes for the July version (Version 5.2).

Background

Full details regarding the OPPS OCE are contained in CR3314 and providers who bill under the OPPS are likely to be familiar already with the OCE specifications contained in that CR. A key part of CR3314 is Appendix J, which summarizes the modifications being made in Version 5.2 of the OCE. These modifications include the following:

- A new edit (# 65) for revenue codes not recognized by Medicare
- A new packaging flag related to "Artificial charges for surgical procedure"
- A new edit (# 66) for codes that will require manual pricing
- A new edit (# 67) for dates of services for service provided prior to FDA approval
- Implementation of Version 10.1 of the NCCI file.

Implementation

The implementation dates for this instruction is July 6, 2004.

Additional Information

For complete details, please see the official instruction issued to fiscal intermediaries regarding this change. That instruction may be viewed by going to:
