\*Low precision; no estimate reported.

NOTE: Household participation in one or more government assistance programs during the prior calendar year is defined as one or more family members receiving Supplemental Security Income (SSI), food stamps, cash, or noncash assistance. SSI provides payments to low-income, aged, blind, and disabled persons. Food stamps are government-issued coupons used to purchase food. Cash assistance refers to receiving cash due to low income, such as Temporary Assistance for Needy Families (TANF), welfare, or public assistance. Noncash assistance refers to receiving assistance due to low income, such as help getting a job, placement in an education or job training program, or help with transportation, child care, or housing.

<sup>1</sup> Any Illicit Drug includes marijuana/hashish, cocaine (including crack), heroin, hallucinogens, inhalants, or any prescription-type psychotherapeutic used nonmedically. Any Illicit Drug Other Than Marijuana includes cocaine (including crack), heroin, hallucinogens, inhalants, or any prescription-type psychotherapeutic used nonmedically.

NOTE: One or more household family members reported receiving noncash assistance during the prior calendar year. Noncash assistance refers to assistance due to low income, such as help getting a job, placement in an education or job training program, or help with transportation, child care, or housing.

<sup>1</sup> Binge Alcohol Use is defined as drinking 5 or more drinks on the same occasion (i.e., at the same time or within a couple of hours of each other) on at least 1 day in the past 30 days.

Source: SAMHSA, Office of Applied Studies, National Survey on Drug Use and Health, 2002 and 2003.
