

Weapons Systems Environmental Support

- Weapons Systems Acquisition Environmental Support Contract
- Programmatic Environmental, Safety, and Health Evaluation (PESHE)
- Environmental Systems Allocation Program
- Environmental Life Cycle Cost
- Environmental Planning During Systems Test and Evaluation

Spill Prevention/Control

- Aboveground and Underground Fuel Storage Tank Leak Detection
- Underground Pipeline Leak Detection
- Oil Spill Response Equipment (Development and Procurement)

Technical Support Agency for Environmental Training

- Remediation Innovative Technology Seminars
- Oil Spill Response Training
- Environmental Seminars
- Industrial Ventilation Training
- Asbestos Training
- Compliance Training

Environmental Contracting Services

- Environmental Technology Implementation Contract (ETIC)
- Broad Agency Announcement (BAA)
- Environmental Engineering Services Contract

Environmental Service Contacts

(Comm: (805) 982-xxxx; DSN: 551-xxxx)

Department Head

Stephen Eikenberry 5751

East Coast Environmental Office Head

Dr. Shun Ling (202) 433-8765

Program Manager/General Information

George Wu 1294

Division Directors

Tom Flor (Environmental Restoration) 4839

Gary Gasperino (Environmental Quality) 2638

Areas of Expertise

Remediation Technology Development 1661

Technology Application/Field Support/
Contracting 4991

IR Consultation/Lab QA-QC/Eco-Risk
Assessment 1556

P2 Information/Technology Transfer 4897

P2/Compliance Technology Development 1600

Pollution Prevention Engineering Field
Support 2635

Environmental Data Tracking and
Reporting 4290

NAVOSH/Indoor Air Quality 5314

Compliance Guidance 3499

Weapons Acquisition Program Support 3686

"Specialized facilities engineering and technology"

Environmental Support Services

Naval Facilities Engineering Service Center
1100 23rd Avenue
Port Hueneme, CA 93043-4370

For more information, visit our web site at:
"http://enviro.nfesc.navy.mil" or
"http://www.nfesc.navy.mil"

NFESC Environmental Services

Cleanup Services

- Soil Sediment and Groundwater Cleanup Technologies (enviro.nfesc.navy.mil/erb)
- Cost/Risk Analysis
- Site Closeout Support
- In-Situ and Ex-Situ Bioremediation of POL Sites
- Intrinsic Bioremediation
- Remedial Action Operation and Long Term Monitoring Optimization
- Unexploded Ordnance (UXO) Support
- Innovative Cleanup Technology Transfer

Solid/Hazardous Waste Management and RCRA Compliance

- Process Solution Recycling
- Solid/Hazardous Waste Recycling
- Heavy Metal Removal/Recovery
- CHRIMP Implementation
- Qualified Recycling Plan
- Lead Abatement Technical Support
- Asbestos Technical Support
- Advanced Hazardous Waste Treatment/Minimization

Air Sparged Hydrocyclone System for AFFF removal.

Wastewater/Potable Water Services

- Clean Water Act Consultation
- Safe Drinking Water Act Consultation
- Wastewater Treatment/Recycling
- Wastewater/Potable Water Treatment Plants Design Review
- Bilge and Oily Waste Treatment
- Storm Water Runoff Control and Monitoring
- Total Maximum Daily Loading Consultation

Clean Air Act Compliance

- Compliance Consultation/Services
- Ambient Air Monitoring
- Alternate Fuel Vehicles
- VOC, PM, and NOx Emission Reduction

Environmental Technology and Support

- P2 Equipment Procurement
- Navy P2 and Compliance Toolbox (toolbox.nfesc.navy.mil)
- Joint Service P2 Technical Library (enviro.nfesc.navy.mil/p2library)
- Environmental Information and Data Management
- Environmental Guidance Documents
- Acquisition Support/Program Management
- Technology Demonstration/Development/Consultation
- Navy Pollution Abatement Ashore Program (P2ashore.nfesc.navy.mil)
- P2/Compliance and Technology Transfer

Indoor Environmental and NAVOSH Services

- Asbestos and Lead Operations and Maintenance
- Indoor Air Quality Operations and Maintenance
- Industrial Ventilation Design and Review
- Industrial Ventilation Testing and Troubleshooting
- Noise and Radon Testing and Mitigation

MTBE remediation bio-barrier technology.

Environmental Planning and Management

- Pollution Prevention (P2) Planning
- Oil/Hazardous Spill Contingency Planning
- Spill Prevention Control and Countermeasures (SPCC) Planning
- Solid/Hazardous Waste Management Planning
- Storm Water Pollution Prevention/Management Planning
- NEPA Documentation Support
- Environmental Management Systems (EMS) Support

Conservation and Natural Resources

- Ecological Risk Assessment Team (web.ead.anl.gov/ecorisk)
- Constructed Wetlands
- Marine Ecology
