NIH Human Embryonic Stem Cell Registry

The NIH Human Embryonic Stem Cell Registry lists the [derivations of stem cells that are eligible for federal funding](#). The purpose of the Registry is to provide investigators with:

- ▶ a unique NIH Code for each cell line that must be used when applying for NIH funding and
- ▶ contact information to facilitate investigators' acquisition of stem cells.

Providers with Lines Available for Shipping

BresaGen, Inc.

Cell Lines

NIH Code: **BG01**, **BG02**, **BG03**, **BG04***

Provider's Code: **hESBGN-01**, **hESBGN-02**, **hESBGN-03**, **hESBGN-04***

* The cells failed to expand into undifferentiated cell cultures.

In your grant applications please use the NIH codes, rather than the providers' codes, to identify the cell lines.

Information about the cell line comes from the provider and has not been independently verified by the NIH.

For any questions about the registry, please e-mail stemcell@mail.nih.gov or call 301-496-2691.
