## SPECIAL BIBLIOGRAPHY SERIES

The Special Bibliography Series provides students, faculty, analysts, and area specialists with comprehensive subject coverage of major topics and geographical areas addressed in the curricula and research programs of the Air University. Compiled and edited by the staff of the Air University Library, each bibliography reflects selected book holdings (including GPO publications); periodical articles; military and defense document holdings present in the library's collection. The series began in 1953. Since that time, over 1500 individual titles have been published.

This special bibliography on Military Families was compiled and edited by A. Sue Goodman, library staff specialist on the military family and bibliographic liaison officer to Squadron Officer School.
