FOR IMMEDIATE RELEASE

SCANLON CONSTRUCTION BEGINS OCTOBER 4

DILLON, September 23, 2004 – Contractors are scheduled to start construction at the Scanlon recreation site on October 4 according to the Dillon Field Office of the Bureau of Land Management. Improvements at the site will include a better parking lot and toilet facility. The site will be closed to public use during construction which could last through October depending on weather and conditions.

Scanlon is located on the Madison River east of Norris between Black's Ford Fishing Access Site and Warm Springs Boat Launch. If you have questions regarding the closure or the planned project, please contact the Dillon Field Office, (406) 683-2337.
